The words and expressions used but not defined in this Draft Prospectus will have the same meaning as assigned to such terms under the Companies Act, the Securities and Exchange Board of India Act, 1992 (the “SEBI Act”), the SCRA, the Depositories Act and the rules and regulations made thereunder.

Notwithstanding the foregoing, terms in “***Main Provisions of the Articles of Association***”, “***Statement of Tax Benefits***”, “***Industry Overview***”, “***Key Industry Regulations and Policies***”, “***Financial Information of the Company***”, “***Outstanding Litigation and Material Developments***” and “***Issue Procedure***”, will have the meaning ascribed to such terms in these respective sections.

CERTAIN CONVENTIONS, USE OF FINANCIAL INFORMATION AND MARKET DATA AND CURRENCY OF FINANCIAL PRESENTATION

Certain Conventions

All references in the Draft Prospectus to “India” are to the Republic of India.

In this Draft Prospectus, the terms “we”, “us”, “our”, the “Company”, “our Company”, “Kritika Wires Limited”, and “KWL”, and, unless the context otherwise indicates or implies, refers to Kritika Wires Limited. In this Draft Prospectus, unless the context otherwise requires, all references to one gender also refers to another gender and the word “Lac / Lakh” means “one hundred thousand”, the word “million (mn)” means “Ten Lac / Lakh”, the word “Crore” means “ten million” and the word “billion (bn)” means “one hundred crore”. In this Draft Prospectus, any discrepancies in any table between total and the sum of the amounts listed are due to rounding-off.

Use of Financial Data

Unless stated otherwise, throughout this Draft Prospectus, all figures have been expressed in Rupees and Lakh. Unless stated otherwise, the financial data in the Draft Prospectus is derived from our financial statements prepared and restated for the stub period ended January 31, 2018 and financial years ended 31st March 2017, 2016, 2015, 2014 and 2013 in accordance with Indian GAAP, the Companies Act and SEBI (ICDR) Regulations, 2009 included under Section titled “**Financial Information of the Company**” beginning on page 183 of this Draft Prospectus. Our Company does not have any Subsidiary Company. Accordingly, financial information relating to us is presented on Standalone basis only. Our fiscal year commences on April 1 of every year and ends on March 31st of every next year.

There are significant differences between Indian GAAP, the International Financial Reporting Standards (“IFRS”) and the Generally Accepted Accounting Principles in the United States of America (“U.S. GAAP”). Accordingly, the degree to which the Indian GAAP financial statements included in this Draft Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with Indian accounting practice and Indian GAAP. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Draft Prospectus should accordingly be limited. We have not attempted to explain those differences or quantify their impact on the financial data included herein, and we urge you to consult your own advisors regarding such differences and their impact on our financial data.

Any percentage amounts, as set forth in “**Risk Factors**”, “**Our Business**”, “**Management’s Discussion and Analysis of Financial Condition and Results of Operations**” and elsewhere in the Draft Prospectus unless otherwise indicated, have been calculated on the basis of the Company’s restated financial statements prepared in accordance with the applicable provisions of the Companies Act, Indian GAAP and restated in accordance with SEBI (ICDR) Regulations, as stated in the report of our Peer Review Auditor, set out in section titled “**Financial Information of the Company**” beginning on page 183 of this Draft Prospectus.

For additional definitions used in this Draft Prospectus, see the section “**Definitions and Abbreviations**” on page 1 of this Draft Prospectus. In the section titled “**Main Provisions of Articles of Association**”, on page 341 of the Draft Prospectus defined terms have the meaning given to such terms in the Articles of Association of our Company.

Use of Industry & Market Data

Unless stated otherwise, industry and market data and forecast used throughout the Draft prospectus was obtained from internal Company reports, data, websites, Industry publications report as well as Government Publications. Industry publication data and website data generally state that the information contained therein has been obtained from sources believed to be reliable, but that their accuracy and completeness and underlying assumptions are not guaranteed and their reliability cannot be assured.

Although, we believe industry and market data used in the Draft Prospectus is reliable, it has not been independently verified by us or the LM or any of their affiliates or advisors. Similarly, internal Company reports and data, while believed by us to be reliable, have not been verified by any independent source. There are no standard data gathering methodologies in the industry in which we conduct our business and methodologies and assumptions may vary widely among different market and industry sources.

In accordance with the SEBI (ICDR) Regulations, the section titled ***“Basis for Issue Price”*** on page 92 of the Draft Prospectus includes information relating to our peer group companies. Such information has been derived from publicly available sources, and neither we, nor the LM, have independently verified such information.

Currency of Financial Presentation

All references to “Rupees” or “INR” or “₹” are to Indian Rupees, the official currency of the Republic of India. Except where specified, including in the section titled ***“Industry Overview”*** throughout the Draft Prospectus all figures have been expressed in Lakhs.

Any percentage amounts, as set forth in ***“Risk Factors”***, ***“Our Business”***, ***“Management's Discussion and Analysis of Financial Conditions and Results of Operation”*** on pages 106 and 248 in the Draft Prospectus, unless otherwise indicated, have been calculated based on our restated respectively financial statement prepared in accordance with Indian GAAP.

The Draft Prospectus contains conversion of certain US Dollar and other currency amounts into Indian Rupees that have been presented solely to comply with the requirements of the SEBI (ICDR) Regulations. These conversions should not be construed as a representation that those US Dollar or other currency amounts could have been, or can be converted into Indian Rupees, at any particular rate.

FORWARD LOOKING STATEMENTS

This Draft Prospectus includes certain “forward-looking statements”. We have included statements in the Draft Prospectus which contain words or phrases such as “will”, “aim”, “is likely to result”, “believe”, “expect”, “will continue”, “anticipate”, “estimate”, “intend”, “plan”, “contemplate”, “seek to”, “future”, “objective”, “goal”, “project”, “should”, “will pursue” and similar expressions or variations of such expressions, that are “forward-looking statements”. Also, statements which describe our strategies, objectives, plans or goals are also forward looking statements.

All forward looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. Forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. These statements are based on our management’s beliefs and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect. Important factors that could cause actual results to differ materially from our expectations include but are not limited to:

1. Factors affecting Steel Wire Industry;
2. Occurrence of Environmental Problems & Uninsured Losses;
3. Company’s ability to successfully implement its growth strategy and expansion plans, and to successfully launch new Products;
4. Disruption in our Manufacturing operations
5. Disruption in supply or increase in prices of Raw Materials;
6. Failure to comply with regulations prescribed by authorities of the jurisdictions in which we operate;
7. Changes in political and social conditions in India or in countries that we may enter, the monetary and interest rate policies of India and other countries, inflation, deflation, unanticipated turbulence in interest rates, equity prices or other rates or price.
8. General economic and business conditions in the markets in which we operate and in the local, regional and national economies;
9. Effect of lack of infrastructure facilities on our business;
10. Intensified competition in industries/sector in which we operate;
11. Company’s ability to successfully implement its growth strategy and expansion plans;
12. Changes in laws and regulations relating to the industries/sector in which we operate;
13. Materialization of the security risks faced by our business;
14. Fluctuations in operating costs;
15. Conflicts of interest with affiliated companies, the promoter group and other related parties;
16. Our ability to effectively manage a variety of business, legal, regulatory, economic, social and political risks associated with our operations;
17. Our relationships with our workforce and the trade unions, as well as changes in the laws and regulations applicable to our business;
18. Failures of our information technology systems and violations of our information technology systems by third parties;
19. Any adverse outcome in the legal proceedings in which we are involved;
20. Our ability to expand our geographical area of operation;

For further discussion of factors that could cause our actual results to differ, see the Section titled “**Risk Factors**”; “**Our Business**” and “**Management’s Discussion and Analysis of Financial Condition and Results of Operations**” beginning on page 16, 106 and 248 respectively of the Draft Prospectus. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated.

There can be no assurance to investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements to be a guarantee of our future performance.

Neither our Company, our Directors, our Officers, Lead Manager and Underwriter nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or

to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with SEBI requirements, our Company and the Lead Manager will ensure that investors in India are informed of material developments until such time as the grant of listing and trading permission by the Stock Exchange for the Equity Shares allotted pursuant to this Issue.

SECTION II: RISK FACTORS

An investment in Equity Shares involves a high degree of risk. You should carefully consider all the information in this Draft Prospectus, including the risks and uncertainties described below, before making an investment in our Equity Shares. To obtain a better understanding, you should read this section together with "**Our Business**" and "**Management's Discussion and Analysis of Financial Condition and Results of Operations**" on pages 106 and 248 respectively, as well as the other financial and statistical information contained in this Draft Prospectus. The risks and uncertainties described in this section are not the only risks that we may face. Additional risks and uncertainties not known to us or that we currently believe to be immaterial may also have an adverse effect on our business, results of operations, financial condition and prospects.

If any of the following risks, or other risks that are not currently known or are now deemed immaterial, actually occur, our cash flows, business, financial condition and results of operations could suffer, the price of our Equity Shares could decline, and you may lose all or part of your investment. The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed in the risk factors mentioned below. However, there are risks where the impact is not quantifiable and hence the same has not been disclosed in such risk factors. Investment in equity and equity related securities involve a degree of risk and investors should not invest any funds in this Issue unless they can afford to take the risk of losing their investment. Investors are advised to read the risk factors carefully before taking an investment decision in this Issue. Before making an investment decision, investors must rely on their own examination of the Issue and us.

This Draft Prospectus contains forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the considerations described below and elsewhere in this Draft Prospectus.

In this Draft Prospectus, any discrepancies in any table between total and the sums of the amount listed are due to rounding off. Any percentage amounts, as set forth in "**Risk Factors**" on page 16 and "**Management Discussion and Analysis of Financial Condition and Results of Operations**" on page 248 respectively of this Draft Prospectus unless otherwise indicated, has been calculated on the basis of the amount disclosed in the "**Financial Information of the Company**" prepared in accordance with the Indian Accounting Standards.

The Risk Factors have been determined on the basis of their materiality. The following factors have been considered for determining the materiality

1. Some risks may not be material individually but may be material when considered collectively.
2. Some risks may have material impact qualitatively instead of quantitatively.
3. Some risks may not be material at present but may have a material impact in the future.

INTERNAL RISK FACTORS

1. **Our Company, Promoters and Group Companies are involved in certain legal proceedings and potential litigations. Any adverse decision in such proceedings may render us/them liable to liabilities/penalties/prosecutions and may adversely affect our business and results of operations.**

Our Company, Promoters and Group Companies are currently involved in certain legal proceedings. These legal proceedings are pending at different levels of adjudication before various courts, tribunals, arbitration panels and facilitation councils and government departments. The summary of outstanding litigation in relation to taxation matters, civil matters, economic offence and actions by regulatory/ statutory authorities against our Company, Promoters and Group Companies have been set out below.

Litigations involving our Company:-

Nature of Litigation	Number of Cases Outstanding	Amount Involved (in Lacs)
By the Company		
Taxation Liabilities (Indirect Tax – VAT/CST Cases)	3	103.43
Other Pending Litigation	5	230.98

Litigations involving Promoter:-

Nature of Litigation	Number of Cases Outstanding	Amount Involved (in Lacs)
<i>Against the Promoter</i>		
Taxation Liabilities (Direct Tax)	3	Unascertainable
<i>By the Promoter</i>		
Taxation Liabilities (Direct Tax)	2	6.94
Taxation Liabilities (Indirect Tax)	1	21.19

Litigations involving our Group Companies:-

Nature of Litigation	Number of Cases Outstanding	Amount Involved (in Lacs)
<i>Against the Group Companies</i>		
Taxation Liabilities (Direct Tax)	1	Unascertainable
<i>By the Group Companies</i>		
Taxation Liabilities (Direct Tax)	2	3.19
Other Pending Litigation	4	32.05

**Amount mentioned to the extent quantifiable. The amount may be subject to additional interest/other charges being levied by the concerned authorities which are unascertainable as on date of this draft prospectus*

For further details, see **“Outstanding Litigation and Material Developments”** beginning on page 259 of this Draft Prospectus.

Any adverse decisions in the aforesaid proceedings may have a material effect on our business, future financial performance and results of operations. If the courts or tribunals rule against our Company, our Promoters and Group Companies, we may face monetary and/or reputational losses and may have to make provisions in our financial statements, which could increase our expenses and our liabilities.

2. Our Company operates under several statutory and regulatory approvals in respect of our operations. Failure to obtain or maintain licenses, registrations, permits and approvals may affect our business and results of operations.

We are governed by various laws and regulations for our business and operations. We are required, and will continue to be required, to obtain and hold relevant licenses, approvals and permits for doing our business. The approvals, licenses, registrations and permits obtained by us may contain conditions, some of which could be onerous. While we believe that we have obtained the requisite number of approvals, licenses, registrations and permits from the relevant authorities, we have not applied for registration of additional land acquired in the year 2016, forming part of Unit II, bearing Dag No 487, 488 Sankrail Industrial Park, Jangalpur, Mauza- Bhagwatipur, Howrah, West Bengal, under Factories Act, 1948. Further more, for the factory Unit I, our Company does not possess the Factory license under the Factories Act, 1948 and Consent to operate under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981, for its operations.

The land at factory Unit I at Sankrail Industrial Park, DAG No. 462,463 Khatian No. 297, Jangalpur, Mouza- Bhagwatipur, Howrah, West Bengal and factory Unit II at Sankrail Industrial Park, DAG No. 469,470,472, 483,484,485,486,487,488 Khatian No.1188,891,147,520/1,1326,448 Jangalpur, Mauza- Bhagwatipur, Howrah, West Bengal was Sali land at the time of acquisition and was required to be converted to non-agriculture land for setting up of Industries. Our Company had applied for the conversion of all the lands comprising Unit I and Unit II except the land parcels bought in the year 2016, i.e. Dag No 487, 488 vide application for conversion received at the authority’s office on September 24, 2004 and October 17, 2006 respectively, however the same has not yet been converted.

We cannot assure you that the approvals, licenses, registrations and permits required will be issued to us and those already issued will not be suspended or revoked in the event of non-compliance with any terms or conditions thereof, or pursuant to any regulatory action. Any denial, suspension or revocation of the approvals, licenses, registrations and permits that has been or may be issued to us may affect our business and results of operations. Additionally, we will need to apply for renewal of certain approvals, licenses, registrations and permits, which expire or need to update pursuant to conversion of company from private to public Company.

These laws and regulations governing us are increasingly becoming stringent and may in the future create substantial compliance or liabilities and costs. While we endeavour to comply with applicable regulatory requirements, it is possible that such compliance measures may restrict our business and operations, result in increased cost and onerous compliance measures, and an inability to comply with such regulatory requirements may attract penalty. For further details regarding the material approvals, licenses, registrations and permits, which have not been obtained by our Company or are, pending renewal, see **“Government and Other Approvals”** on page 267 of this Draft Prospectus.

3. Any shortfall in the supply of our raw material or an increase in raw material costs or other input costs may adversely impact the pricing and supply of our products and have an adverse effect on our business.

Steel Rods used for manufacturing steel wire and Zinc bars used for galvanizing the steel wires are the main raw material used in our manufacturing process. These raw materials are subject to supply disruptions and are very volatile due to price fluctuations resulting from, domestic and foreign trade policies, shifts in supply and demand, competition and other factors beyond our control. Prices of Steel are connected with commodity markets globally and steel index which is quoted in U.S. Dollars. Any adverse movement in the price of the raw material will impact our cost of production which we may not be able to pass on to the customer which may affect our profitability adversely. Further we usually do not enter into long term supply contracts with any of our raw material suppliers. The absence of long term contracts at fixed prices exposes us to volatility in the prices of raw materials that we require. Our suppliers may be unable to provide us with a sufficient quantity of raw material at a suitable price for us to meet the demand for our products. Additionally there is a risk that one or more of these existing suppliers could discontinue their operations, which could adversely impact our ability to source raw materials at a suitable price and meet our order requirements. Identifying a suitable supplier or any delay, interruption or increased cost in the supply of raw materials pertaining to our products arising from a lack of long-term contracts could have an adverse effect on our ability to meet customer demand for our products and result in lower revenue from operations both in the short and long term.

Further our Company has outstanding dues of trade payables for the Stub period ended January 31, 2018 and Fiscal Years ended 2016-17, 2015-16, 2014-15, 2013-14 and 2012-13 for Rs. 4166 Lakhs, Rs 3530.15 Lakhs, Rs. 4891.02 Lakhs, Rs. 2265.42 Lakhs, Rs. 3743.33 Lakhs and Rs. 1074.68 Lakhs respectively. For the stub period ended on January 31, 2018, our company has material dues exceeding 5% of total trade payables, outstanding to 7 creditors, which constitute of 84.37% of total trade payables of our Company as on January 31, 2018. Any delay in payment to our creditors may impact our long standing relations with our suppliers and may result in stoppage of timely or at all delivery of raw material. Any such disruption would impact the production and overall financial position of our Company.

4. Our company has not complied with some statutory provisions of the Companies Act. Such non-compliance may attract penalties and prosecution against our Company and its Directors which could impact the financial position and operations of our company to that extent. Moreover few of our share transfer deeds are not traceable.

Our Company has not complied with certain statutory provisions under the Companies Act 1956 /2013, for instance Our Company failed to appoint a full time Company Secretary as required under section 203 of Companies Act, 2013, for the period June 09, 2014 to July 03, 2016. However thereafter Mr. Mahesh Kumar Sharma was appointed as Company Secretary w.e.f July 04, 2016 to till date.

There are some instances where forms are belatedly filed in RoC with requisite additional fees. Our Company had taken loan from HDFC Bank for an amount of Rs. 34.98 Lacs on March 29, 2016. In terms of the Companies Act 2013, our Company was required to make the requisite form filing with the RoC within 30 days from the date of creation of the charge. However, our Company has now made the requisite form filing with the RoC on April 26, 2018 after a delay of around 758 days from the date of creation of charge. Although we have not received any show cause notice for the time lapse, but the matter may be taken before the Regional Director, for condonation of delay by our Company. If any fine is imposed by adjudicating authorities due to the delay of form filing, it will impact the financial position of company.

Our Corporate promoter, R A Comptech Investment & Consultant Private Limited has extended corporate guarantee towards loan facilities taken by our Company. Although our Corporate Promoter made non-compliance of section 185 in the past, a special resolution dated May 08, 2018 for advancing guarantee has been passed pursuant to notification dated May 07, 2018 and the same is now in compliance with the provisions of Companies Act, 2013.

Further, there are certain discrepancies noticed in some of our corporate records relating to forms filed with the Registrar of Companies. For instance, Mr. Naresh Kumar Agarwal was appointed as Additional Director in the Board Meeting dated

September 30, 2008 and was regularized in the Annual General Meeting dated, September 30, 2009 however the form 32 for the same was not filed. Our Statutory Auditors, M/s S.K. Bhartia & Associates were appointed for a period of 5 years in the Annual General Meeting dated September 30, 2015, but the form ADT – 1 for the same was inadvertently filed as appointed for 1 year only, however our Company has now effectively filed the form GNL-2 along with the clarification letter for the clerical error, which is yet to be approved from the appropriate authority. Any action taken by any regulatory authorities in future for non-compliance with provisions of company law could impact the operations and financial position of the Company to that extent. Our Company has made some clerical mistakes in documents and forms filed in registrar of Companies, for instance, in Annual Returns filed by our Company in past years, some errors are inadvertently made by our Company in disclosure in respect of share transfers. Additionally, our Company has not complied with some Accounting Standards in the past such as AS-15 and AS-18. However, now the Company has made necessary compliance in the restated financial statements. Also, few of the Share Transfer deeds for transfers made during the FY 2009-10 and 2010-11 are not traceable.

Although no show cause notice have been issued against our Company till date in respect of above, in the event of any cognizance being taken by the concerned authorities in respect of above, actions may be taken against our Company and its directors, in which event the financials of our Company and our directors may be affected.

5. *We do not own the registered office from which we operate. Any withdrawal to use of the premises would have a material adverse effect on our business and results of operations*

We do not own the registered office from which we operate. We have obtained No Objection Certificate dated June 10, 2008 from Naresh Kumar Agarwal HUF and Hanuman Prasad Agarwal HUF, being the HUF of the promoters to use the premise without any consideration. In case of withdrawal of such NOC or change in the terms and conditions of use that are unfavourable to our Company, we may suffer disruption in our operations or may need to procure new premise which may adversely affect our financials and operations including additional time and cost of relocation. For further details regarding our registered office, please refer to the section titled “**Our Business**” on page 106 of this Draft Prospectus.

Further, our Company, our Corporate Promoter, Mohta Agencies Private Limited and our Group Companies namely, Aditi Commodities Private Limited and Classic Electrodes (India) Limited share the common registered office. There is no formal agreement between our Company and such Companies for occupying the office space. Any dispute in future may affect our business relation and results of operation.

6. *In the past our company had submitted for settlement commission U/s 127B of Customs Act, 1962 for non fulfilment of export obligation and has received final adjudication orders in respect of same along with with certain penalty and fines being imposed on the company and its directors by the Settlement Commission and Joint Director General of Foreign Trade. There is no export obligations pending on the company on the date of the prospectus.*

Our company had in the year 2013-2015 availed the benefit of non payment of custom duty without fulfilling the Export obligation against the import of "Hot rolled alloy steel wires rods in coils". The company had received a show cause notice on November 11, 2015 in lieu of which the company surrendered to settlement commission of Customs u/s 127B of the Act. Other than the applicable duty along with interest, the Settlement commission has also imposed a fine of Rs. 12,00,000/- on the company, Rs 25,000/- each on the directors, Mr. Naresh Kumar Agarwal, Mr. Sanjeev Binani and Rs 1,20,000 on Mr. Hanuman Prasad Agarwal, for alleged violation of law.

Further, based on order of the settlement commission, Joint Director of Foreign Trade in a separate proceedings vide its Adjudication Order dated February 27, 2018 has imposed penalty of Rs. 20,00,000/- against the company. The Joint Director of Foreign Trade has held that the company had diverted the imported goods into the local market with consuming the same and also sold the imported goods in convention of the Foreign Trade policy. The company may file an appeal and can challenge the order u/s 15 of the Foreign Trade (Development and Regulation) Act, 1992 on the date of this draft prospectus. In case our appeal is not admitted or not given in our favour, it may affect our financial position and profitability.

7. *All our manufacturing facilities are located at Sankrail Industrial Park, Kolkata, West Bengal.*

We manufacture our products from our manufacturing facilities which are located at Sankrail Industrial Park, Kolkata, West Bengal. Therefore any localized social unrest, natural disaster or breakdown of services or any other natural disaster could have material adverse effect on our business and financial condition. Any disruption in the operations due to supply of power, fire outages or industrial accidents at the units could hamper or delay our ability to continue production and servicing. Further our manufacturing facilities are also subject to operating risk arising from compliance with the directives of relevant

government authorities. Any disruption or suspension in the production process in this facility can significantly impact our ability to service customer needs and relation with our customers and have a material adverse effect on our business, revenues, reputation, results of operation and financial condition.

8. Substantial portion of our revenues are dependent upon our few clients. The loss of any one or more of our major clients would have a material effect on our business operations and profitability.

Our sales are ultimately to various corporate and government entities. For the financial year ended January 31, 2018, our top ten clients accounted for approximately 56.51% of our revenues from operations. The loss of any of the significant clients would have a material effect on our financial results. We cannot assure you that we can maintain the historical levels of business from these clients/distributors or that we will be able to replace these clients/distributors in case we lose any of them. Furthermore, major events affecting our clients, such as bankruptcy, change of management, mergers and acquisitions could impact our business. If any of our major clients becomes bankrupt or insolvent, we may lose some or all of our business from that client and our receivable from that client would increase and may have to be written off, impacting our income and financial condition.

9. Our contingent liabilities as stated in our Restated Financial Statements could affect our financial condition.

Our Contingent liabilities as on January 31, 2018 are ₹2375.14 Lacs. If this contingent liability materializes, fully or partly, the financial condition of our Company could be affected. The details of Contingent Liabilities as on January 31, 2018 are as follows:-

(Rs in Lakhs)	
Particulars	31.01.2018
Contingent Liabilities	
(a) Claims against the company not acknowledged as debt;	47.97
(b) Guarantees and LC excluding financial guarantees;	2223.74
(c) Other money for which the company is contingently liable	103.43
Total	2375.14

For more information, regarding our contingent liabilities, please refer “**Note 30**” in chapter titled “**Financial Information of the Company**” beginning on page 240 of this Draft Prospectus.

10. Our insurance coverage may not be adequate to protect us against all potential losses to which we may be subject and this may have a material effect on our business and financial condition.

While we maintain insurance coverage, in amounts which we believe are commercially appropriate, including (i) Standard fire and special perils insurance policies, (ii) Burglary Insurance Policy, (iv) Marine Export Insurance Open Policy, (v) Marine Cargo-Open Policy (vi) Relevant vehicle policies (v) Keyman Insurance Policy, we may not have sufficient insurance coverage to cover all possible economic losses, including when the loss suffered is not easily quantifiable. Even if we have made a claim under an existing insurance policy, we may not be able to successfully assert our claim for any liability or loss under such insurance policy.

We have not insured our risks pertaining to Machinery Breakdown, Cash in transit and our liabilities that may generate under Employees Compensation Act 1923. The absence of such policies may affect our production facilities to halt, may hinder our operations. Additionally, there may be various other risks and losses for which we are not insured either because such risks are uninsurable or not insurable on commercially acceptable terms. The occurrence of an event for which we are not adequately or sufficiently insured could have an effect on our business, results of operations, financial condition and cash flows.

For further details of our Insurance Policies, please refer section titled “**Our Business**” beginning on page 106 of this Draft Prospectus.

11. Our Company's manufacturing activities are labour intensive and depend on availability of labour. In case of unavailability of such labour, our business operations could be affected. Our business operations may be materially & adversely affected by strikes, work stoppages or increased wage demands by our employees.

Our operations and manufacturing process are labour intensive and depends on our ability to retain labour, but we cannot guarantee that we may be able to continue with the same on favourable terms or at all. The Labours of our Manufacturing units are associated with two trade unions namely Casual Shramik Union for Manufacturing Unit I and Howrah Metal and Engineering Workers' Union for Manufacturing Unit II. The unions are specifically related to workers for protection of rights of workers under various labour laws applicable to our manufacturing facilities. Although we have not experienced any major disruptions to our business operations due to disputes or other problem with our work force in the past, there can be no assurance that we will not experience such disruptions in the future. Such disruptions may adversely affect our business and results of operations and may also divert the management's attention and result in increased costs. India has stringent labour legislation that protects the interests of workers, including legislation that sets forth detailed procedures for the establishment of unions, dispute resolution and employee removal and legislation that imposes certain financial obligations on employers upon retrenchment. We are also subject to laws and regulations governing relationships with employees/workers, in such areas as minimum wage and maximum working hours, overtime, working conditions, hiring and terminating of employees and work permits. Shortage of skilled personnel or work stoppages caused by disagreements with employees can have an adverse effect on our business and results of operations.

12. The Logo used by our Company is currently not registered under Trade Marks Act, 1999. Failure to protect our intellectual property rights may adversely affect our competitive business position, financial condition and profitability.

Presently, our Company is using logo  and the same is not registered in the name of our Company under Trade Marks Act, 1999. Therefore as on date we do not enjoy the statutory provisions that are accorded to a registered trademark. Further, we may not be able to detect any unauthorized use or infringement or take appropriate and timely steps to enforce or protect our intellectual property, nor can we provide any assurance that any unauthorized use or infringement will not cause damage to our business prospects. Thus, we cannot guarantee that the application for registration of our trademark made in future will be allowed. In case we are unable to obtain the registration for the said trademark in our name which is important to retain our brand image, our business revenues and profitability may be impacted.

13. We have not received NOC of our lenders for undertaking the initial public offer of equity shares.

As on the date of this Draft Prospectus, we have applied for NOC for the Proposed Issue from our lenders, State Bank of India and Karnataka Bank, but we are yet to receive the same. However, our Company intends to obtain the necessary NOC in relation to the proposed issue from such lender prior to the filing of the Prospectus with the RoC. Undertaking the proposed issue without obtaining such lender NOC may constitute a default under such loan agreement, which could impact our loan facilities and may have an effect on our financial condition and results of operations.

14. Any delay or default in payment from our customers could result in the reduction of our profits and affect our cash flows.

Our operations involve extending credit, ranging typically from 90 to 120 days, to our customers in respect of our products. Consequently, we face the risk of the uncertainty regarding the receipt of these outstanding amounts. Accordingly, we had and may continue to have high levels of outstanding receivables. For the Stub period ended January 31, 2018 and Fiscal Years ended 2016-17, 2015-16 & 2014-15, 2013-14 and 2012-13 our trade receivables were Rs. 6781.91 Lakhs, Rs 5507 Lakhs, Rs. 6261.98 Lakhs and Rs. 4562.06 Lakhs, Rs. 4575.88 Lakhs and Rs. 3264.86 Lakhs respectively, which constituted 34.51%, 26.81%, 29.01%, 24.98%, 30.80% and 30.86% respectively of our revenues from operations for the same periods respectively as per restated financial statements. As on January 31, 2018, the top ten debtors of our Company, amounting to Rs 3821.36 Lakhs constitute 58.66% of total trade receivables as on that date. For the stub period ended on January 31, 2018, our trade receivables outstanding for over six months were Rs 1286.51 lakhs which is 18.97% of our total trade receivables for the same period, consequently, we face the risk of the uncertainty regarding the receipt of these outstanding amounts.

15. One of our Corporate Promoter, All Time Suppliers Private Limited is categorized as High risk financial institution.

One of our Corporate Promoter, All Time Suppliers Private Limited is categorized under High risk financial institution by RBI because of non-registration of its principal officer with FIU as required under Prevention of Money Laundering Act. Our Company pursuant to receipt of notice for such non-compliance had appointed Mr. Hanuman Prasad Agarwal as principle officer vide application dated April 23, 2018. Any further proceedings pursuant to such application fines could

adversely affect the overall operations of the said company and financial conditions and also divert the attention of the management and promoter towards the corporate promoter which could have an adverse affect on our operations and financials

16. *Our Business is dependent on our Continuing relationship with our Customers, with whom we have not entered into long term arrangements. Further we have been procuring business from Government entities, being various electricity boards in India, which are undertaken through bidding process and failure to procure such tenders on a continuous basis could adversely impact our revenues and profitability.*

We procure business by subscribing and fulfilling of tenders invited by Electricity Boards and other companies and by selling our products to private companies. In case of sales to Government Companies or Electricity Boards, our company bids in the prospective tenders where bidders are scrutinized for technical and financial qualifications. Quality and reliability of the products, competitive bids at which the tenders are subscribed, ability to perform the tenders within time, etc. are some of the major criteria upon which the government companies award the tender. Our Company has long standing business relationships with certain customers and has been supplying to such customers, for several years. We have a strong client base in India and Bangladesh. We have been receiving regular business from B&T Cables Limited, BRB Cable Industries Ltd, Bajaj Electricals Ltd, Cabcon India Ltd, Gupta Power Infrastructure Ltd, Larsen & Toubro Limited, Lumino Industries Ltd, Sterlite Power Transmission Ltd, Tata Projects Limited, Apar Industries Limited, Sterlite & Wilson Ltd. etc and from several State Electricity Boards and distribution company like Kerala State Elec. Board (Distribution Central), West Bengal State Electricity Distribution Co. Ltd, U.P.Power Transmission Corporation Limited, CESC Limited, Madhyanchal Vidyut Vitran Nigam LTD, Teestavalley Power Transmission Ltd.-Bihar, Paschimanchal Vidyut, Vitran Nigam Ltd, Dakshin Gujarat Vij Co. Ltd., Punjab State Power Corporation Ltd., etc. However, we have not entered into any contracts with any of our customers and we cater to them on an order-by-order basis.

As a result, our customers can terminate their relationships with us without any notice, which could materially and adversely impact our business. There is no assurance that we will be able to obtain continuous business, get awarded with tenders every time or at all. The loss of interruption of work, by a significant customer or a number of significant customers or the inability to procure tender contracts on a regular basis or at all may have an adverse effect on our revenues, cash flows and operations.

17. *Our Promoters/Directors have provided personal guarantees for loan facilities obtained by our Company, and any failure or default by our Company to repay such loans in accordance with the terms and conditions of the financing documents could trigger repayment obligations on them, which may impact their ability to effectively service their obligations as our Promoters/Directors and thereby, impact our business and operations.*

Mr. Naresh Kumar Agarwal, Promoter, Chairman and Whole Time Director, Mr. Hanuman Prasad Agarwal, Promoter and Managing Director, Mr. Sanjeev Binani, Non-Executive Director have extended personal guarantee towards loan facilities taken by our Company. Further our Corporate promoter, R A Comptech Investment & Consultant Private Limited have extended corporate guarantee towards loan facilities taken by our Company. Any default or failure by us to repay the loans in a timely manner, or at all could trigger repayment obligations of our guarantors in respect of such loans, which in turn, could have an impact on their ability to effectively service their obligations as Promoters/Directors of our Company, thereby having an effect on our business, results of operation and financial condition. Furthermore, in the event that these individuals or companies withdraw or terminate their guarantees, our lenders for such facilities may ask for alternate guarantees, repayment of amounts outstanding under such facilities, or even terminate such facilities. We may not be successful in procuring guarantees satisfactory to the lenders, and as a result may need to repay outstanding amounts under such facilities or seek additional sources of capital, which could affect our financial condition and cash flows. For further details, please refer to chapter titled “**Statement of Financial Indebtedness**” beginning on page 244 of this Draft Prospectus.

18. *Our Company has taken unsecured loans that may be recalled by the lenders at any time.*

Our Company have availed unsecured loans which may be called by their lenders at any time. As on January 31, 2018 the unsecured loan amounting Rs 1113.88 Lacs were due to lenders. In the event that lender seeks a repayment of any such loan, our Company would need to find alternative sources of financing, which may not be available on commercially reasonable terms, or at all. Also there is no formal agreement with any of our lenders. As a result, any such demand may affect our business, cash flows, financial condition and results of operations. For further details on financing arrangements entered into by our Company, please refer chapter titled “**Statement of Financial Indebtedness**” beginning on page 244 of Draft Prospectus.

19. We are dependent on our Promoters, our senior management and other key personnel, and the loss of, or our inability to attract or retain, such persons could affect our business, results of operations, financial condition and cash flows.

Our performance depends largely on the efforts and abilities of our senior management and other key personnel, including our Promoters Mr. Naresh Kumar Agarwal and Mr. Hanuman Prasad Agarwal. Our Promoters have rich experience in this line of business and have over the years built relations with suppliers, third party service providers, customers, regulators and other persons who are connected with us and have been actively involved in the day to day operations and management, further we believe that the inputs and experience of our senior management, in particular, and other key personnel are valuable for the development of our business and operations and the strategic directions taken by our Company. For details in relation to the experience of our key management personnel, see **“Our Management”** on page 144 of this Draft Prospectus. We cannot assure you that these individuals or any other member of our senior management team will not leave us or join a competitor or that we will be able to retain such personnel or find adequate replacements in a timely manner, or at all. We may require a long period of time to hire and train replacement personnel when qualified personnel terminate their employment with our Company. We may also be required to increase our levels of employee compensation more rapidly than in the past to remain competitive in attracting employees that our business requires. The loss of the services of such persons may have an effect on our business, results of operations, financial condition and cash flows.

20. Our Company is subject to risk resulting from foreign exchange rate fluctuations, which could adversely affect our results of operations.

Our company has both export and import transactions which result in foreign exchange rate fluctuations. The Total Exports of our Company, for the stub period ending January 31, 2018 and during Financial Year 2017, 2016, 2015, 2014 and 2013 approximately ₹1728.22 lakhs, ₹1693.01 lakhs, ₹1521.79 lakhs, ₹854.86 lakhs, ₹1197.98 lakhs and ₹635.70 lakhs respectively. Further the imports account for the stub period ending January 31, 2018 and during Financial Year 2017, 2016, 2015 and 2014 are approximately ₹1531.55 lakhs ₹1622.52 lakhs, ₹3687.20 lakhs, ₹1870.41 lakhs and ₹225.95 lakhs respectively. Any change in currency exchange rates influence our Company’s results of operations. In addition, depreciation of the Indian Rupee against the other foreign currencies may adversely affect our results of operations by increasing the cost of financing. Any adverse fluctuations in the value of the Indian Rupee against the relevant foreign currencies could affect our result of operation and financials.

21. Our Group Company namely Gunnayak Commercial Private Limited has not taken registration from Reserve Bank of India (RBI) as Non-Banking Finance Company (NBFC).

The total revenue of our Group Company namely Gunnayak Commercial Private Limited comprises of interest income, earned from its financing activities. Although the MOA of the Company does not define it as NBFC, but because of the interest income earned, it by the virtue of definition of NBFC is required to obtain registration from RBI as NBFC Company. However, the said Group Company has not undertaken such registration from RBI. Thus, our Group Company may be subject to regulatory actions by the RBI including the levy of fines or penalties for not taking registration as an NBFC. Any such penalty/fines could adversely affect the overall operations of the group and financial conditions and also divert the attention of the management and promoter towards the group company which could have an adverse affect on our operations and financials. For more information, please refer chapter titled **“Our Group Companies”** beginning on page 174 of this Draft Prospectus.

22. Excessive dependence on the State Bank of India and Karnataka Bank in respect of Consortium Finance obtained by the Company for its working capital requirement.

Our major fund based and non fund based financial assistance has been sanctioned by way of Consortium Finance obtained from State Bank of India, being the lead banker and Karnataka Bank. The Company is dependent on such facility for its Working Capital requirement (Fund Based and Non-Fund Based Limits) and any default under such arrangement with such lender may create problem for operation of the Company, which may affect the financial stability of the Company. At the same time this may result into difficulty in arranging for funds for re-payment and may also adversely affect the financial position of the Company.

23. The loss, shutdown or slowdown of operations at any of our facilities or the under-utilization of any such facilities may have a material effect on our results of operations and financial condition.

Our business and results of operations are dependent on our ability to effectively plan our manufacturing processes and on our ability to optimally utilize our manufacturing capacities for the various industrial components we manufacture. Any disruption to our manufacturing process or the operation of our production facilities may result from various factors beyond our control, including, among others, the following:

- Utility supply disturbances, particularly power supply;
- Forced close down or suspension of our manufacturing facilities due to factors such as breakdown or failure of equipment, performance below expected levels of output or efficiency, facility obsolescence or disrepair, labour disputes such as strikes and work stoppages, natural disasters and industrial accidents;
- Other production or distribution problems, including limitations to production capacity due to regulatory requirements, changes in the types of components produced or physical limitations that could impact continuous supply.

If we fail to take adequate steps to mitigate the potential impact of these events, or to effectively respond to these events if they occur, our business, results of operations and financial condition could be materially affected. Further, we depend upon our suppliers and vendors to provide the necessary equipment and machinery that we need for our continuing operations and maintenance of our facilities, plant and machinery. We cannot assure you that we will be able to continue to obtain equipment on commercially acceptable terms, or at all, or that our vendors will continue to enter into or honor the contracts for their services. Our inability to continue to obtain equipment and enter into contracts with our vendors in a timely manner, or at all, could affect our business and results of operations.

24. Our Company is dependent on third party transportation providers for the delivery of raw materials/ finished products and any disruption in their operations or a decrease in the quality of their services could affect our Company's reputation and results of operations

Our Company uses third party transportation providers for delivery of our raw materials and finished products. Though our business has not experienced any disruptions due to transportation strikes in the past, any future transportation strikes may have an adverse effect on our business. These transportation facilities may not be adequate to support our existing and future operations. In addition raw materials/ finished products may be lost or damaged in transit for various reasons including occurrence of accidents or natural disasters. There may also be delay in delivery of products which may also affect our business and results of operation negatively. An increase in the freight costs or unavailability of freight for transportation of our raw materials may have an adverse effect on our business and results of operations.

Further, disruptions of transportation services due to weather-related problems, strikes, lock-outs, inadequacies in the road infrastructure and port facilities, or other events could impair ability to procure raw materials on time. Any such disruptions could materially and adversely affect our business, financial condition and results of operations.

25. We are subjected to penalties and liquidated damages in case of defaults in the contracts entered into with Government entities. Further we may be liable to terminate such contracts in case of breach of certain terms and conditions.

We are subjected to penalties or liquidated damages in case of contracts entered into with the Government entities or companies who have sub contracted the turnkey project assignments. Any failures to adhere to a contractually agreed schedule for reasons other than the agreed Force Majeure events could result in us being required to pay liquidated damages. Any delay in adhering to a specified delivery schedule or breaching other terms of contract may adversely affect our profitability, working capital requirements, and cash flows and may also lead to termination of contracts in some instances. Further such instances may also affect our ability and chances to be awarded with such tenders in future.

26. Our lenders have charge over our immovable and movable properties in respect of finance availed by us.

We have secured our lenders by creating a charge over our movable and immovable properties in respect of loans / facilities availed by us. We have been extended Working Capital loan (Fund Based and Non- Fund Based Limits) from State Bank of Limited in consortium with Karnataka Bank Limited against hypothecation of our Company's property. In addition, additional charge is created towards Bill Discounting Limit of Rs 1000 Lakhs, sanctioned by Karnataka Bank Limited. Further we have been extended Vehicle loan from HDFC Bank against hypothecation of car. The total amounts outstanding and payable by us as secured loans were ₹3258.99 Lakhs as on January 31, 2018.

For further information on the financing and loan agreements along with the total amounts outstanding and the details of the repayment schedule, please refer to chapter “***Statement of Financial Indebtedness***” beginning on page 244 of this Draft Prospectus.

27. Negative publicity with respect to our products or the industry in which we operate could adversely affect our business, financial condition and results of operations.

Our business is dependent on the trust our customers have in the quality of our products. Any negative publicity regarding us, our products and industry generally could adversely affect our reputation and our results of operations. Challenges to the conflict-free status of Mild Steel Wires used in our industry and sold by us may result in a negative change in consumer attitudes and could result in negative publicity, having a material adverse effect on our business, financial condition and results of operations.

28. Inventories and trade receivables form a major part of our current assets and net worth. Failure to manage our inventory and trade receivables could have an adverse effect on our net sales, profitability, cash flow and liquidity.

We are in the business of manufacturing and galvanizing of steel wires. Our Company’s business is working capital intensive and hence, inventories and trade receivables form a major part of our current assets and net worth. The results of operations of our business are dependent on our ability to effectively manage our inventory (raw materials and finished goods) and trade receivables.

To effectively manage our inventory, we must be able to accurately estimate customer demand / potential orders and supply requirements and purchase new inventory accordingly. However, if our management misjudges expected customer demand / potential orders, it could cause either a shortage of products or an accumulation of excess inventory. Further, if we fail to convert the inventory we purchase by manufacturing our products, we may be required to write-down our inventory or pay our suppliers without new purchases, or create additional vendor financing, all of which could have an adverse impact on our income and cash flows.

To effectively manage our trade receivables, we must be able to accurately evaluate the credit worthiness of our customers and dealers and ensure that suitable terms and conditions are given to them in order to ensure our continued relationship with them. However, if our management fails to accurately evaluate the credit worthiness of our customers, it may lead to bad debts, delays in recoveries and / or write-offs which could lead to a liquidity crunch, thereby adversely affecting our business and results of operations. A liquidity crunch may also result in case of increased working capital borrowings and, consequently, higher finance cost which will adversely impact our profitability.

29. Information relating to our production capacities and the historical capacity utilization of our production facilities included in this Draft Prospectus is based on certain assumptions and has been subjected to rounding off, and future production and capacity utilization may vary.

Information relating to our production capacities and the historical capacity utilization of our production facilities included in this Draft Prospectus is based on various assumptions and estimates of our management, including proposed operations, assumptions relating to availability and quality of raw materials, assumptions relating to operational efficiencies, as well as assumptions in relation to the average density of products manufactured by us. Actual production levels and utilization rates may differ significantly from the estimated production capacities or historical estimated capacity utilization information of our facilities. Undue reliance should therefore not be placed on our production capacity or historical estimated capacity utilization information for our existing facilities included in this Draft Prospectus. For further information, see the section titled “***Our Business***” on page 106 of this Draft Prospectus.

30. Our business operations may be materially & adversely affected by strikes, work stoppages or increased wage demands by our employees or those of our suppliers.

The Labours of our Manufacturing units are associated with two trade unions namely Casual Shramik Union for Manufacturing Unit I and Howrah Metal and Engineering Workers’ Union for Manufacturing Unit II. The unions are specifically related to workers for protection of rights of workers under various labour laws applicable to our manufacturing facilities. Although we have not experienced any major disruptions to our business operations due to disputes or other problem with our work force in the past, there can be no assurance that we will not experience such disruptions in the future. Such disruptions may adversely affect our business and results of operations and may also divert the management's attention and result in increased costs. India has stringent labour legislation that protects the interests of workers, including legislation that sets forth detailed procedures for the establishment of unions, dispute resolution and employee removal and legislation

that imposes certain financial obligations on employers upon retrenchment.. We are also subject to laws and regulations governing relationships with employees/workers, in such areas as minimum wage and maximum working hours, overtime, working conditions, hiring and terminating of employees and work permits. Shortage of skilled personnel or work stoppages caused by disagreements with employees can have an adverse effect on our business and results of operations.

31. We sell our products in highly competitive markets and our inability to compete effectively may lead to lower market share or reduced operating margins, and adversely affect our results of operations.

India is our primary market and we face competition in our business from local as well as nationwide manufacturers of mild steel wires. The products that we sell are of industrial nature, i.e. there are a large number of players manufacturing same or similar products. Thus, competition in these markets is based primarily on demand and price. As a result, to remain competitive in our market, we must continuously strive to reduce our procurement, transportation and distribution costs, improve our operating efficiencies and secure our materials requirements. If we fail to do so, other manufacturers and suppliers of similar products may be able to sell their products at prices lower than our prices, which would have an adverse effect on our market share and results of operations.

We primarily export in Bangladesh market which is equally competitive and we compete with various international manufacturers based on quality, durability and pricing of our products. Further, we cannot assure you that our current or potential competitors will not offer products comparable or superior to our products. Failure to match our product quality and consistency accordingly might have an adverse effect on our operations and financial results.

32. Our Promoters, together with our Promoter Group will continue to retain majority shareholding in our Company after the Issue, which will enable them to influence the outcome of matters submitted to shareholders for approval.

The majority of our issued and outstanding Equity Shares are currently beneficially owned by the Promoters and the Promoter Group. Upon completion of the Issue, the Promoters and Promoter Group will own 1,29,40,000 Equity Shares, or 72.89% of our post-Issue Equity Share capital, assuming full subscription of the Issue. Accordingly, the Promoters and the Promoter Group will continue to exercise significant influence over our business policies and affairs and all matters requiring shareholders approval, including the composition of the Board of Directors, the adoption of amendments to our constitutional documents, lending, investments and capital expenditures. This concentration of ownership also may delay, defer or even prevent a change in control of our Company and may make some transactions more difficult or impossible without the support of these stockholders. Our Promoters and the members of our Promoter Group may have interests that are adverse to the interests of our other shareholders and may take positions with which our other shareholders do not agree.

33. We have experienced negative cash flows in the past. Any such negative cash flows in the future could affect our business, results of operations and prospects.

Our Company had reported certain negative cash flows from our investing activities and financing activities in the previous years as per the restated financial statements and the same are summarized as under:

(Amt ₹ in Lacs)

Particulars	For the Period ending on January 31, 2018	For the financial year ended March 31,				
		2017	2016	2015	2014	2013
Cash flow from Operating Activities	163.45	1126.30	456.83	571.04	35.26	148.92
Cash flow from Investing Activities	(367.00)	(745.76)	(156.20)	(359.85)	(970.55)	(49.04)
Cash flow from Financing Activities	189.95	(322.65)	(295.90)	(222.55)	926.02	(82.27)

Cash flow of a company is a key indicator to show the extent of cash generated from operations to meet capital expenditure, pay dividends, repay loans and make new investments without raising finance from external resources. If our Company is not able to generate sufficient cash flows, it may affect our business and financial operations. For further please refer chapter titled “**Financial Information of the company**” beginning on page 183 of this Draft Prospectus.

34. Our Group Company has incurred losses in past and any operating losses in the future could affect the results of operations and financial conditions of our group companies.

The details of profit and loss of our Group Company in past years are as follows:-

Name of the Group Company	Profit/ (Loss) for the year ended (Amt ₹ in Lacs)
---------------------------	---

	31 st March 2017	31 st March 2016	31 st March 2015
Classic Electrodes (India) Limited			
Profit before Tax	93.88	143.35	78.07
Less: Tax Expenses	(103.54)	(49.70)	(24.14)
Profit after Tax	(9.66)	93.65	53.93

Any losses could affect the overall operations and financial conditions of the Group. For more information, regarding the Company, please refer chapter titled **“Our Group Companies”** beginning on page 174 of this Draft Prospectus.

35. Our operations may be adversely affected in case of industrial accidents at our production facility.

Usage of heavy machinery, handling of materials by labour during production process or otherwise, lifting of materials by humans, cranes, heating processes of the furnace etc. may result in accidents, which could cause injury to our labour, employees, other persons on the site and could also damage our properties thereby affecting our operations.

Therefore, although we take steps to ensure safety, accidents, including human fatalities, may occur and there can be no assurance that our safety measures and the precautions undertaken will be completely effective or sufficient. Further, if we fail to maintain adequate insurance cover in relation to the foregoing, a claim filed by us with our insurer is rejected, a loss occurs, which does not fall under the insurance cover maintained by us, or our claim is subject to any deductible or delay in settlement, amongst other things, our exposure will increase. Any accident at our area of operations could also harm our reputation. Such accidents may have an impact on our business.

36. We are subject to certain restrictive covenants in debt facilities provided to us by our lenders.

We have entered into agreements for availing debt facilities from lenders. Certain covenants in these agreements require us to obtain approval/permission from our lenders in certain conditions. In the event of default or the breach of certain covenants, our lender has the option to make the entire outstanding amount payable immediately. There can be no assurance that we will be able to comply with these financial or other covenants or that we will be able to obtain consents necessary to take the actions that we believe are required to operate and grow our business.

For further details in this regard, please refer to chapter titled **“Financial Indebtedness”** beginning on page 244 of this Draft Prospectus.

37. We have significant power requirements for continuous running of our factories. Any disruption to our operations on account of interruption in power supply or any irregular or significant hike in power tariffs may have an effect on our business, results of operations and financial condition.

Our factories and registered office have significant electricity requirements and any interruption in power supply to our factories and offices may disrupt our operations. Our business and financial results may be affected by any disruption of operations. We depend on third parties for all of our power requirements. Further, we have limited options in relation to maintenance of power back-ups such as diesel generator sets and any increase in diesel prices will increase our operating expenses which may impact our business margins.

Since we have significant power consumption, any unexpected or significant increase in its tariff can increase the operating cost of factories and offices. There are limited number of electricity providers in area from where we operate due to which in case of a price hike we may not be able to find a cost-effective substitute, which may negatively affect our business, financial condition and results of operations.

38. Our Company has in the past entered into related party transactions and may continue to do so in the future.

We have entered into and may in the course of our business continue to enter into transactions specified in the Restated Financial Information contained in this Draft Prospectus with related parties that include our Promoters, Directors, Promoter Group Members and Group Companies. For further details in relation to our related party transactions, see **“Related Party Transactions”** on page 231 of this Draft Prospectus. While we believe that all such transactions have been conducted on an arm’s length basis and in the ordinary course of business, there can be no assurance that we could not have achieved more favourable terms had such transactions not been entered into with related parties. Furthermore, it is likely that we may enter into related party transactions in the future. The Companies Act, 2013 has brought into effect significant changes to the

Indian company law framework, including specific compliance requirements such as obtaining prior approval from audit committee, the board of directors and shareholders for certain related party transactions. There can be no assurance that such transactions, individually or in the aggregate, will not have a material effect on our financial condition and results of operations.

39. *In addition to normal remuneration, other benefits and reimbursement of expenses some of our Directors are interested in our Company to the extent of their shareholding and dividend entitlement in our Company.*

Some of our Directors are interested in our Company to the extent of their shareholding and dividend entitlement in our Company, in addition to normal remuneration or benefits or reimbursement of expenses taken by the Directors of the Company. We cannot assure you that our Directors would always exercise their rights as Shareholders to the benefit and best interest of our Company. As a result, our Directors will continue to exercise significant control over our Company, including being able to control the composition of our board of directors and determine decisions requiring simple or special majority voting, and our other Shareholders may be unable to affect the outcome of such voting. Our Directors may take or block actions with respect to our business, which may conflict with our best interests or the interests of other minority Shareholders, such as actions with respect to future capital raising or acquisitions. We cannot assure you that our Directors will always act to resolve any conflicts of interest in our favour, thereby affecting our business and results of operations and prospects.

40. *Any Penalty or demand raise by tax authorities in future will affect the financial position of the Company.*

Our Company is mainly engaged in business of manufacturing of mild steel wires and galvanizing of the same, which presently attracts tax liability such as Income Tax, GST and used to attract in the past other taxes like Excise Duty, Sales Tax, Service Tax, and other applicable provision of the Acts. However the Company has been depositing the return under above applicable acts from time to time, but any demand or penalty by concerned authority in future for any previous year and current year will affect the financial position of the Company. For detail, Please refer “***Outstanding Litigation and Material Development***” beginning on page 259 of Draft Prospectus. Any such penalty and prosecution arising in future may lead to financial loss to our Company.

41. *We have not made any provisions for decline in value of our investments*

As on January 31, 2018, we hold investments in Mutual Funds aggregating to Rs. 177.00 lakhs and investment in property aggregating to Rs. 131.30 Lakhs as per Restated Financial Statements. Presently there is no decline in the value of investments. Furthermore, we have not made any provision for the decline in value of these investments in the restated financial statements for the year ended March 31, 2013 and 2014. Hence as and when these investments are liquidated, we may book losses based on the actual value we can recover for these investments and if lower than the cost, the same could adversely affect our results of operations.

42. *Our operations are subject to high working capital requirements. Our inability to maintain an optimal level of working capital required for our business may impact our operations adversely*

Our business requires significant amount of working capital and major portion of our working capital is utilized towards debtors, inventories and cash and cash equivalents. We have been sanctioned working capital loan of ₹6650 lakhs (including non-fund based limits of ₹2700 lakhs) from State Bank of India and Karnataka Bank in terms of consortium finance. Our growing scale and expansion, if any, may result in increase in the quantum of current assets. Our inability to maintain sufficient cash flow, credit facility and other sourcing of funding, in a timely manner, or at all, to meet the requirement of working capital or pay out debts, could adversely affect our financial condition and result of our operations. Further, we have high outstanding amount due from our debtors which may result in a high risk in case of non-payment by these debtors. In case of any such defaults from our debtors, may affect our business operations and financials.

43. *Obsolescence, destruction, theft, breakdowns of our major plants or machineries or failures to repair or maintain the same may affect our business, cash flows, financial condition and results of operations.*

Obsolescence, destruction, theft or breakdowns of our major plants or machineries may significantly increase our machineries purchase cost and the depreciation of our plants and machineries, as well as change the way our management estimates the useful life of our plants and machineries. In such cases, we may not be able to acquire new plants or machineries or repair the damaged plants or machineries in time or at all, particularly where our plants or machineries are

not readily available from the market or require services from original machinery manufacturers. Some of our major machineries or parts may be costly to replace or repair. We may experience significant price increases due to supply shortages, inflation, transportation difficulties or unavailability. Such obsolescence, destruction, theft, breakdowns, repair or maintenance failures or price increases may not be adequately covered by the insurance policies availed by our Company and may have an effect our business, cash flows, financial condition and results of operations

For further details of our Plant and Machineries, please refer to chapter titled ***“Our Business”*** beginning on page 106 of the Draft Prospectus.

44. Our Company has allotted Equity Shares during the preceding one year from the date of the Draft Prospectus which may be lower than the Issue Price.

Our Company has made the following allotment of fresh Equity Shares to the members of our Company during past 12 months prior to the date of filing of Draft prospectus,

- Bonus Issue of 64,70,000 Equity Shares in the ratio of 1:1 to our existing Equity Shareholders vide Shareholders Special Resolution passed in Extra Ordinary General Meeting of the Company held on March 06, 2018 by capitalization of free reserves.

The Equity Shares allotted to the investors pursuant to this issue may be priced significantly higher due to various factors, including better performance by the Company, better economic conditions and passage of time.

For details, please refer to section titled ***“Capital Structure”*** on page 56 of this Draft Prospectus. The Issue Price is not indicative of the price that will prevail in the open market following listing of the Equity Shares.

45. The average cost of acquisition of Equity Shares by our Promoters could be lower than the Issue Price.

Our Promoters’ average cost of acquisition of Equity Shares in our Company may be lower than the Issue Price as may be decided by the Company, in consultation with the Lead Managers. For further details regarding average cost of acquisition of Equity Shares by our Promoters in our Company and build-up of Equity Shares by our Promoters in our Company, please refer to the chapters ***“Risk Factors - Prominent Notes”*** and ***“Capital Structure”*** beginning on pages 33 and 56 respectively of this Draft Prospectus.

46. We have not identified any alternate source of funding and hence any failure or delay on our part to mobilize the required resources or any shortfall in the Issue proceeds may delay the implementation schedule.

The proposed fund requirement for our Working Capital requirements, as detailed in the section titled "Objects of the Issue" is to be funded from the proceeds of this IPO. We have not identified any alternate source of funding and hence any failure or delay on our part to mobilize the required resources or any shortfall in the Issue proceeds may delay the implementation schedule. We therefore, cannot assure that we would be able to execute our future plans/strategy within the given timeframe. For details, please refer to the Chapter titled ***“Objects of the Issue”*** beginning on page 86 of this Draft Prospectus.

47. There is no monitoring agency appointed by Our Company to monitor the utilization of the Issue proceeds.

As per SEBI (ICDR) Regulations, 2009, as amended, appointment of monitoring agency is required only for Issue size above ₹10,000.00 Lacs. Hence, we have not appointed any monitoring agency to monitor the utilization of Issue proceeds. However, the audit committee of our Board will monitor the utilization of Issue proceeds in terms of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Further, our Company shall inform about material deviations in the utilization of Issue proceeds to the stock exchange and shall also simultaneously make the material deviations / adverse comments of the audit committee public.

48. Our inability to effectively manage our growth or to successfully implement our business plan and growth strategy could have an effect on our business, results of operations and financial condition.

The success of our business will depend greatly on our ability to effectively implement our business and growth strategy. Our growth strategy involves focusing on Optimal Utilization of Resources and to developed relationships with customer and suppliers. For further details, see the section titled ***“Our Business – Our Strategies”*** on page 106 Our success in implementing our growth strategies may be affected by:

- Our ability to identify new markets to expand;
- Our ability to maintain the quality of our products;
- Changes in the Indian regulatory environment in field of steel wire industry

There can be no assurance that we will be able to execute our strategy on time and within our estimated budget, or that our expansion and development plans will increase our profitability. Any of these factors could impact our results of operations. We cannot assure you that we will not face any time or cost overruns in respect of implementation of our strategies in the future. Further, we expect our growth strategy to place significant demands on our management, financial and other resources and require us to continue developing and improving our operational, financial and other internal controls. Our inability to manage our business and implement our growth strategy could have a effect on our business, financial condition and profitability.

49. We have not independently verified certain data in this Draft Prospectus.

We have not independently verified data from the Industry and related data contained in this Draft Prospectus and although we believe the sources mentioned in the report to be reliable, we cannot assure you that they are complete or reliable. Such data may also be produced on a different basis from comparable information compiled with regards to other countries. Therefore, discussions of matters relating to India, its economy or the industries in which we operate that is included herein are subject to the caveat that the statistical and other data upon which such discussions are based have not been verified by us and may be incomplete, inaccurate or unreliable. Due to incorrect or ineffective data collection methods or discrepancies between published information and market practice and other problems, the statistics herein may be inaccurate or may not be comparable to statistics produced elsewhere and should not be unduly relied upon. Further, we cannot assure you that they are stated or compiled on the same basis or with the same degree of accuracy, as the case may be, elsewhere.

50. Our ability to pay dividends in the future will depend upon our future earnings, financial condition, cash flows, working capital requirements, capital expenditure and restrictive covenants in our financing arrangements.

We may retain all our future earnings, if any, for use in the operations and expansion of our business. As a result, we may not declare dividends in the foreseeable future. Any future determination as to the declaration and payment of dividends will be at the discretion of our Board of Directors and will depend on factors that our Board of Directors deem relevant, including among others, our results of operations, financial condition, cash requirements, business prospects and any other financing arrangements. Additionally, under some of our loan agreements, we are not permitted to declare any dividends, if there is a default under such loan agreements or unless our Company has paid all the dues to the lender up to the date on which the dividend is declared or paid or has made satisfactory provisions thereof. Accordingly, realization of a gain on shareholders investments may largely depend upon the appreciation of the price of our Equity Shares. There can be no assurance that our Equity Shares will appreciate in value. For details of our dividend history, see “*Dividend Policy*” on page 182 of this Draft Prospectus.

51. Any future issuance of Equity Shares may dilute the shareholding of the Investor or any sale of Equity Shares by our Promoter or other significant shareholder(s) may adversely affect the trading price of the Equity Shares

Any future issuance of Equity Shares by our Company could dilute the shareholding of the investor. Any such future issuance of our Equity Shares or sales of our Equity Shares by any of our significant shareholders may adversely affect the trading price of our Equity Shares and could impact our ability to raise capital through an offering of our securities. While the entire Post-Issue paid-up share capital, held by our Promoters or other shareholders will be locked-in for a period of 1 (one) year and minimum promoter contribution subject to a minimum of 20% of our post-Issue paid-up capital will be locked-in for a period of 3 (three) years from the date of allotment of Equity Shares in the Issue, upon listing of our Equity Shares on the Stock Exchanges. For further information relating to such Equity Shares that will be locked-in, please refer to the section titled “*Capital Structure*” beginning on page 56 of the Draft Prospectus. Any future issuance or sale of the equity shares of our company by our Promoter or by other significant shareholder(s) or any perception or belief that such sales of Equity Shares might occur may significantly affect the trading price of our Equity Shares.

52. The Issue price of our Equity Shares may not be indicative of the market price of our Equity Shares after the Issue and the market price of our Equity Shares may decline below the issue price and you may not be able to sell your Equity Shares at or above the Issue Price.

The Issue Price of our Equity Shares shall be determined by Fixed Price method. The price of the equity shares will be based on many factor and may not be indicative of the market price of our Equity Shares after the Issue. For further information please refer the section titled “*Basis for Issue Price*” beginning on page 92 of the Draft Prospectus. The market price of our Equity Shares could be subject to significant fluctuations after the Issue, and may decline below the Issue Price. We cannot assure you that you will be able to sell your Equity Shares at or above the Issue Price.

EXTERNAL RISK FACTORS

53. Our business is dependent on the Indian economy.

The performance and growth of our business are necessarily dependent on economic conditions prevalent in India, which may be materially and adversely affected by centre or state political instability or regional conflicts, a general rise in interest rates, inflation, and economic slowdown elsewhere in the world or otherwise. There have been periods of slowdown in the economic growth of India. India’s economic growth is affected by various factors including domestic consumption and savings, balance of trade movements, namely export demand and movements in key imports (oil and oil products), global economic uncertainty and liquidity crisis, volatility in exchange currency rates and annual rainfall which affects agricultural production. Any continued or future slowdown in the Indian economy or a further increase in inflation could have a material adverse effect on the price of our raw materials and demand for our products and, as a result, on our business and financial results. The Indian financial market and the Indian economy are influenced by economic and market conditions in other countries, particularly in emerging market in Asian countries. Financial turmoil in Asia, Europe, the U.S. and elsewhere in the world in recent years has affected the Indian economy. Although economic conditions are different in each country, investors’ reactions to developments in one country can have adverse effects on the securities of companies in other countries, including India. A loss in investor confidence in the financial systems of other emerging markets may cause increased volatility in Indian financial markets and, indirectly, in the Indian economy in general. Any worldwide financial instability, including the financial crisis and fluctuations in the stock markets in China and further deterioration of credit conditions in the U.S. or European markets, could also have a negative impact on the Indian economy. Financial disruptions may occur again and could harm our business and financial results.

54. Regional hostilities, terrorist attacks, communal disturbances, civil unrest and other acts of violence or war involving India and other countries may result in a loss of investor confidence and adversely affect the financial markets and our business.

Terrorist attacks, civil unrest and other acts of violence or war may negatively affect the Indian markets on which our Equity Shares will trade and also adversely affect the worldwide financial markets. In addition, the Asian region has from time to time experienced instances of civil unrest and hostilities among neighboring countries. Hostilities and tensions may occur in the future and on a wider scale. Military activity or terrorist attacks in India, may result in investor concern about stability in the region, which may adversely affect the price of our Equity Shares. Events of this nature in the future, as well as social and civil unrest within other countries in the world, could influence the Indian economy and could have an adverse effect on the market for securities of Indian companies, including our Equity Shares.

55. Changing laws, rules and regulations and legal uncertainties in India, including adverse application of tax laws and regulations, may adversely affect our business and financial performance.

Our business and financial performance could be adversely affected by changes in law or interpretations of existing, or the promulgation of new, laws, rules and regulations in India applicable to us and our business. For further details please refer to the chapter “*Government and Other Approvals*” on page 267 for details of the laws currently applicable to us. There can be no assurance that the central or the state governments in India may not implement new regulations and policies which will require us to obtain approvals and licenses from the central or the state governments in India and other regulatory bodies or impose onerous requirements and conditions on our operations. Any such changes and the related uncertainties with respect to the implementation of the new regulations may have a material adverse effect on all our business, financial condition and results of operations. In addition, we may have to incur capital expenditures to comply with the requirements of any new regulations, which may also materially harm our results of operations. For instance, the Government has implemented a comprehensive national goods and services tax (“GST”) regime that had combined various indirect taxes and levies being imposed by the Central and state Governments into a unified rate structure. During the first FY of implementation i.e. FY 2017-18 and till now due to availability of limited information in the public domain concerning the GST, we are unable to provide any assurance as to the tax regime following implementation of the GST. The implementation of this new structure may be affected by any disagreement between certain state Governments, which could create

uncertainty. Any such future amendments may affect our overall tax efficiency, and may result in additional taxes becoming payable.

56. Instability in financial markets could materially and adversely affect our results of operations and financial condition.

The Indian economy and financial markets are significantly influenced by worldwide economic, financial and market conditions. Any financial turmoil, especially in the United States of America or Europe, may have a negative impact on the Indian economy. Although economic conditions differ in each country, investors' reactions to any significant developments in one country can have adverse effects on the financial and market conditions in other countries. A loss in investor confidence in the financial systems, particularly in other emerging markets, may cause increased volatility in Indian financial markets. The global financial turmoil, an outcome of the sub-prime mortgage crisis which originated in the United States of America, led to a loss of investor confidence in worldwide financial markets. Indian financial markets have also experienced the contagion effect of the global financial turmoil, evident from the sharp decline in SENSEX, BSE's benchmark index. Any prolonged financial crisis may have an adverse impact on the Indian economy and us, thereby resulting in a material and adverse effect on our business, operations, financial condition, profitability and price of our Equity Shares.

57. Natural calamities could have a negative impact on the Indian economy and cause Our Company's business to suffer.

India has experienced natural calamities such as earthquakes, tsunamis, floods etc. In recent years, the extent and severity of these natural disasters determine their impact on the Indian economy. Prolonged spells of abnormal rainfall or other natural calamities could have a negative impact on the Indian economy, which could adversely affect our business, prospects, financial condition and results of operations as well as the price of the Equity Shares.

58. Government regulation of foreign ownership of Indian securities may have an adverse effect on the price of the Equity Shares.

Foreign ownership of Indian securities is subject to government regulation. Under foreign exchange regulations currently in effect in India, transfer of shares between non residents and residents are freely permitted (subject to certain exceptions) if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or fall under any of the exceptions referred to above, then the prior approval of the RBI will be required. Additionally, shareholders who seek to convert the rupees proceeds from the sale of shares in India into foreign currency and repatriate that foreign currency from India will require a no objection/ tax clearance certificate from the Income Tax authorities. There can be no assurance that any approval required from the RBI or any other government agency can be obtained.

59. If certain labour laws become applicable to us, our profitability may be adversely affected.

India has stringent labour legislations that protect the interests of workers, including legislation that sets forth detailed procedures for dispute resolution and employee removal and legislation that imposes certain financial obligations on employers upon retrenchment. Any change or modification in the existing labour laws may affect our flexibility in formulating labour related policies.

60. Our performance is linked to the stability of policies and the political situation in India.

The Government of India has traditionally exercised, and continues to exercise, a significant influence over many aspects of the economy. Our business, and the market price and liquidity of our Equity Shares, may be affected by interest rates, changes in government policy, taxation, social and civil unrest and other political, economic or other developments in or affecting India. Since 1991, successive Indian governments have pursued policies of economic liberalization and financial sector reforms. The current Government has announced its general intention to continue India's current economic and financial sector liberalization and deregulation policies. However there can be no assurance that such policies will be continued and a significant change in the government's policies in the future could affect business and economic conditions in India and could also adversely affect our business, prospects, financial condition and results of operations.

Any political instability in India may adversely affect the Indian securities markets in general, which could also adversely

affect the trading price of our Equity Shares. Any political instability could delay the reform of the Indian economy and could have a material adverse effect on the market for our Equity Shares. There can be no assurance to the investors that these liberalization policies will continue under the newly elected government. Protests against privatization could slow down the pace of liberalization and deregulation. The rate of economic liberalization could change, and specific laws and policies affecting companies in the industrial equipment manufacturing sectors, foreign investment, currency exchange rates and other matters affecting investment in our securities could change as well. A significant change in India's economic liberalization and deregulation policies could disrupt business and economic conditions in India and thereby affect our business.

SECTION III – INTRODUCTION

SUMMARY OF OUR INDUSTRY

Global Scenario

Global economic activity continues to firm up. Global output is estimated to have grown by 3.7 percent in 2017, which is 0.1 percentage point faster than projected in the fall and ½ percentage point higher than in 2016. The pickup in growth has been broad based, with notable upside surprises in Europe and Asia. Global growth forecasts for 2018 and 2019 have been revised upward by 0.2 percentage point to 3.9 percent. The revision reflects increased global growth momentum and the expected impact of the recently approved U.S. tax policy changes.

The U.S. tax policy changes are expected to stimulate activity, with the short-term impact in the United States mostly driven by the investment response to the corporate income tax cuts. The effect on U.S. growth is estimated to be positive through 2020, cumulating to 1.2 percent through that year, with a range of uncertainty around this central scenario. Due to the temporary nature of some of its provisions, the tax policy package is projected to lower growth for a few years from 2022 onwards. The effects of the package on output in the United States and its trading partners contribute about half of the cumulative revision to global growth over 2018–19.

Risks to the global growth forecast appear broadly balanced in the near term, but remain skewed to the downside over the medium term. On the upside, the cyclical rebound could prove stronger in the near term as the pickup in activity and easier financial conditions reinforce each other. On the downside, rich asset valuations and very compressed term premiums raise the possibility of a financial market correction, which could dampen growth and confidence. A possible trigger is a faster-than-expected increase in advanced economy core inflation and interest rates as demand accelerates. If global sentiment remains strong and inflation muted, then financial conditions could remain loose into the medium term, leading to a buildup of financial vulnerabilities in advanced and emerging market economies alike. Inward-looking policies, geopolitical tensions, and political uncertainty in some countries also pose downside risks.

The current cyclical upswing provides an ideal opportunity for reforms. Shared priorities across all economies include implementing structural reforms to boost potential output and making growth more inclusive. In an environment of financial market optimism, ensuring financial resilience is imperative. Weak inflation suggests that slack remains in many advanced economies and monetary policy should continue to remain accommodative. However, the improved growth momentum means that fiscal policy should increasingly be designed with an eye on medium-term goals—ensuring fiscal sustainability and bolstering potential output. Multilateral cooperation remains vital for securing the global recovery.

Indian Economy Overview

After registering GDP growth of over 7 per cent for the third year in succession in 2016-17, the Indian economy is headed for somewhat slower growth, estimated to be 6.5 per cent in 2017-18, as per first Advance Estimates released by CSO. This is slightly lower than the range of 6.5 per cent to 6.75 per cent being currently projected based on recent developments. Even with this lower growth for 2017-18, GDP growth has averaged 7.3 per cent for the period from 2014-15 to 2017-18, which is the highest among the major economies of the world. That this growth has been achieved in a milieu of lower inflation, improved current account balance and notable reduction in the fiscal deficit to GDP ratio makes it all the more creditable. In addition to the introduction of GST, the year also witnessed significant steps being undertaken towards resolution of problems associated with non-performing assets of the banks, further liberalization of FDI, etc., thus strengthening the momentum of reforms. After remaining in negative territory for a couple of years, growth of exports rebounded into positive one during 2016-17 and strengthened further in 2017-18.

GDP GROWTH IN 2017-18

With Gross Domestic Product (GDP) growth averaging 7.5 per cent between 2014-15 and 2016-17, India can be rated as among the best performing economies in the world on this parameter. Although growth is expected to decline to 6.5 per cent in 2017-18, bringing the 4-year average to 7.3 per cent, the broad story of India's GDP growth to be significantly higher than most economies of the world does not alter. The growth is around 4 percentage points higher than global growth

average of last 3 years and nearly 3 percentage points more than the average growth achieved by emerging market & developing economies.

Global Steel Wire Industry

Global steel export volumes have remained relatively flat in the last two years following strong growth in 2014. In 2016, global exports are estimated to have declined slightly to 314 mmt, down from the 317 mmt level seen in 2015 and roughly equivalent to the 2014 level. Many economies registered declines in exports last year: China by 3.1% to 107.5 mmt, Japan by 0.7% to 40.5 mmt, the EU by 11.5% to 29.1 mmt, and Korea by 1.8% to 30.5 mmt. This was partially offset by growth in the CIS region, where Russian steel exports climbed by 5.1% to 31.1 mmt and Ukrainian exports increased by 2.9% to 18.2 mmt. Figure 3 presents the evolution of steel export shares across major steel economies.

In the context of weak domestic demand and overcapacity, trade measures have increased in the last few years (OECD, 2017b), which may explain part of the recent declines in global steel export volumes. Indeed, the world's export ratio (steel exports as a per cent of production) has started to decline since peaking in late 2015 (Figure 4). In the US, steel imports have been declining over the last two years, and fell by nearly 15.9% to 29.9 mmt in 2016. In the EU, on the other hand, steel imports have increased rapidly over the last two years, and the region has recently become the world's biggest import market for steel. EU steel imports increased by 9.7% in 2016 to 41 mmt. Korean steel imports also increased in 2016, to a level of 23.2 mmt, putting it slightly behind the US as the third largest import market. Japanese steel imports have settled at a level of nearly 6 mmt per annum over the last two years.

Indian Steel Wire Industry

Over the past two decades, the Indian steel industry has developed capabilities of producing a wide range of sophisticated steel at par with global best practices addressing diverse needs of the end user industries. However, India still needs to make a special effort to domestically produce steel for high end applications, electrical steel (CRGO), special steel and alloys for Power equipment, Aerospace, Defense and Nuclear applications.

However, the Indian steel sector is disadvantaged due to limited availability of essential raw material such as high grade Manganese ore & Chromite, coking coal, steel grade limestone, refractory raw material, Nickel, Ferrous Scrap etc. Due to shortage of domestic coking coal, both in terms of quantity and quality, pig iron producers/ BF operators in India have to significantly depend on import of coking coal.

[Source: <http://steel.gov.in/sites/default/files/draft-national-steel-policy-2017.pdf>]

The Steel Wire Industry in India is quite competitive in its production costs compared to other developed and developing countries. This cost competitiveness needs to be maintained by adoption of new and clean technologies, which lower specific energy consumption and which generate much lesser pollutants. We need to automate processes and focus on product quality and packaging to produce wires internationally acceptable.

Raw materials mainly wire rods account for a major part of the cost of wires. In the past there were very few suppliers but with the growth in the steel industry a number of mid-sized companies have started producing Mild Steel Wire Rods. This has increased the availability and resulted in better commercial terms for the wire industry. Most value added wires use high carbon wire rods as an input. These are now available in the country from Five Major Suppliers (JSPL, JSW, RINL, TISCO, USHA MARTIN) with imports as an alternative whenever they are commercially viable. A number of new wire rod mills (VISA STEEL, ELECTROSTEEL CASTING) are at an advanced stage of commissioning. This will make all grades of wire rods abundantly available.

The steel wire industry in India is at a juncture where very soon raw materials will be available at internationally competitive rates, consumption is poised to jump, new export markets are waiting to be tapped, and skilled manpower is readily available. Therefore, there will be a bright future ahead for the Steel Wire Industry.

SUMMARY OF OUR BUSINESS

The following information should be read together with, the more detailed financial and other information included in the Draft Prospectus, including the information contained in “*Risk Factors*”, “*Management’s Discussion and Analysis of Financial condition and results of Operations*” and “*Financial Information of the company*” on page 16, 248 and 183 respectively.

Our Company, was originally incorporated as Kritika Wires Private Limited on May 31, 2004 under the provisions of Companies Act, 1956. Our Company has been in the business of manufacturing high quality galvanized steel wires and wire products and have been meeting the requirement of various clients in the government and private sectors like power, infrastructure, railway and many more industries. The products manufactured by our Company are used for transmission and distribution of Electricity, manufacturing of concrete slippers, poles, bridges and other infrastructure facilities. Our manufacturing facilities are situated at the following two units located at Dhulagarh Industrial Park, Kolkata, West Bengal:

- Unit I - Sankrail Industrial Park, Dag No. 462,463, Khatian No. 297, Jangalpur, Mouza- Bhagwatipur, Howrah, West Bengal.
- Unit II - Sankrail Industrial Park, Dag No. 469,470,472,483,484,485, 486, 487,488 Khatian No.1188,891,147,520/1, 1326, 448 Jangalpur, Mauza- Bhagwatipur, Howrah, West Bengal

Our plants are equipped with latest machinery and equipments, In-house testing facilities and qualified engineers, which help us in maintaining quality standards as well as an efficient delivery record with appropriate warranty. All raw-materials and consumables are tested at various stages in manufacturing process as per stipulated standards to ensure good quality products which are test certified. Our products are type tested & approved by various NABL Accredited laboratories like: IDTL, NSIC & NTH Corporation and are supplied as per the Indian Market Specification.

Our Company is an ISO 9001: 2008 certified manufacturer and supplier of different types of galvanized and non-galvanized wires. The products are ISI marked which helps in harmonious development of standardization and quality of product. Our products are rigorously tested, in terms of surface finish, tensile strength, torsion, breaking load, zinc coating, dip and adhesion test. Apart from the product testing the Company believes IN-PROCESS testing to meet the prescribed quality standards, and we also provide the test as per customer requirement.

Mr. Anil Kumar Mittal and Mr. Sanjeev Kumar Binani, were the initial subscribers to the Memorandum of Association of our Company. Presently Mr. Naresh Agarwal, Mr. Hanuman Prasad Agarwal, R A Comptech Investment & Consultant Private Limited, Balaji Electrodes Private Limited, Alltime Suppliers Private Limited and Mohta Agencies Private Limited are Promoters of the Company.

For the period ended January 31, 2018 and Fiscal year ended on March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 our total revenue stood at 19797.43 Lakhs, 20705.52 Lakhs, 21730.19 Lakhs, 18339.74 Lakhs, 14911.27 Lakhs & 10596.27 Lakhs respectively. Further, our PAT for the period ended January 31, 2018 and Fiscal year ended on March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 were 430.99 Lakhs, 266.65 Lakhs, 104.85 Lakhs, 42.98 lakhs, 101.19 Lakhs & 120.90 Lakhs respectively. We have been able to increase our revenue from the financial year 2013 to 2017 at an annual growth rate of 18.23% .

Our Products Portfolio:

1. Mild Steel Wire
2. Galvanized Strand Earth Wire
3. G.I. Stay Wire
4. Galvanized Steel Wire Strand
5. A.C.S.R. Core Wire
6. A.C.S.R. Core Wire Strand
7. HCGS Core Wire
8. Cotton Bailing Wire
9. Spring Steel Wire
10. Indented P.C. Wire
11. Barbed Wire
12. Umbrella Rib Wire
13. Rolling Shutter Wire

OUR BUSINESS STRENGTH: -

1. Government Contractor

We are qualified to participate in the tender for supply of various types of wires required by Government Projects due to our quality products and experience in the industry as well as our ability to meet the requisite criteria. Our revenue from manufacturing operations is generally derived from subscribing and fulfilling -the tenders invited by electricity companies operated PAN India. We are approved vendors of most of the state owned electricity boards in India. We believe our specialization in maintaining the quality, standards and alltime support to such companies attests to our credibility and allows us to be in a better position for future projects, thereby improving our competitive position.

2. Quality Assurance and State of Art Infrastructure.

Delivering Quality products is one of our prime beliefs. We dedicate resources for quality assurance to ensure that quality norms are continually met. We have an in house laboratory for testing of the product at each step of manufacturing process to ensure that our quality standards are met throughout the process. Further all our products are type tested and ISI Marked and matches upto the customer requirements. The final product manufactured has to undergo a quality check before it is finally packed and dispatched. We also have quality control checks before any consignment of Raw material is accepted since it has a direct impact on the quality of Finished Product. Further Our Company has state of art infrastructure with modern and latest machineries and equipments to deliver cost effective, better and standard products to achieve better product quality and technical reliability.

3. Recognized and Established Client Base

Rendering quality products and prompt services, we have earned a huge clientele base all across India. The clientele list includes well-reputed clients in electricity boards across India and private sectors like power, construction, and general engineering and domestic segments etc. that reflects the genuineness of the products offered by us. Our long-standing relationship with our major customers has been one of the most significant factors contributing to our growth. Our commitments to quality and customer service practices have been strong contributing factors to our robust customer relations. Even though we do not have any long-term supply agreements with them, we have continually received repeat business from many of our customers. This indicates their level of confidence in our ability to deliver our products and services. Because of the trust of our customers we have been able to attain orders from a diverse range of client base.

4. Wide range of Products and Timely Delivery

Our diverse range of products is made available in assorted sizes and specifications for catering to the specific needs of our clients. We supply wires across various industries to various organizations of diverse sectors such as- Power Distribution Companies, Construction, General engineering industries, Infrastructure works, corporate engaged in turnkey business, cable & conductor manufacturing, umbrella manufacturers etc.in India. We believe that maintaining a diverse portfolio in our business provides us with an opportunity to cater to diverse needs of different customer segment. We understand the importance of timely delivery. Customers get a clear indication of delivery & lead time, every time. Owing to our timeliness and consistency in product quality as well as industry expertise, our Company has been awarded repetitive orders by certain customers. This has helped us nurture long-term relationships with our customers.

5. Leveraging the expertise of our Senior Management Team.

The experience of our Managing Director, Mr. Hanuman Prasad Agarwal of 30 years and Whole Time Directors, Mr. Naresh Kumar Agarwal of 35 Years, play an instrumental role in the growth and success of our Company. Their experience in such industry is instrumental in determining the vision and growth strategies for our Company. Further our Whole Time Director, Mr. Ankush Agarwal, a B.Tech engineer has recently joined business.. His young age, being updated with recent developments, dynamic approach and strategic outlook toward business gives our business additional edge towards success. We have a team of well equipped employees for engineering, manufacturing, marketing, customer service etc catering to the needs of the customers and providing high yield. It is also expected to help us in addressing and mitigating various risks inherent in our business, including significant competition and the global economic crisis.

OUR BUSINESS STRATEGIES

1. Augment our working capital base in order to better utilize our installed capacities

Our business of manufacturing wires is working capital intensive. We need to maintain sufficient inventory for the production process and also maintain a balance between debtors & creditors cycle. Since, we are not fully utilising our installed capacities, our growth depends on our ability to increase our utilization over the next few years and also adding new capacity subsequently. This expansion needs access to a larger amount of liquid funds and sufficient working capital. The same are proposed to be funded from the IPO proceeds and from Banking Facilities. For further details of the proposed working capital requirements of the company, kindly refer to the Chapter titled “*Objects of the Issue*” beginning on page no 86 of this Draft Prospectus.

2. Broaden our marketing base

We currently cater to various clients from various industries in India. We have developed a long standing relationship with our clients which include companies like, B&T Cables Limited, BRB Cable Industries Ltd, Bajaj Electricals Ltd, Cabcon India Ltd, Gupta Power Infrastructure Ltd, Larsen & Toubro Limited, Lumino Industries Ltd, Sterlite Power Transmission Ltd, Tata Projects Limited, Apar Industries Limited, Sterlite & Wilson Ltd etc. and many more, from several State Electricity Boards and distribution company like Kerala State Elec. Board(Distribution Central), West Bengal State Electricity Distribution Co. Ltd, U.P.Power Transmission Corporation Limited, CESC Limited, Madhyanchal Vidhyut Vitran Nigam Limited, Teestavalley Power Transmission Ltd.-Bihar, Paschimanchal Vidyut, Vitran Nigam Ltd, Dakshin Gujarat Vij Co. Ltd., Punjab State Power Corporation Ltd etc. However, our growth depends on our ability to maintain our relationship with these clients in addition to adding more clientele to our list. Though there is no dearth of orders as on date, still we have scope to expand our reach to un-explored both domestic and international markets. Empanelment with various Government organizations is a continuous process as we intend to be part of many more government projects as we believe that this will give us a good reputation and steady flow of orders, keeping in tune with the infrastructural development and electrification work in the country.

3. Improve our manufacturing facilities by delivering cost effective products

Our Company continuously works on developing plans to take various steps in order to ensure adherence to timely fulfillment and also to achieve greater cost efficiency as timely fulfillment of the orders is a prerequisite in our industry. These steps include identifying quality raw material, smooth labour relations, use of an efficient production system and ability to meet large and varied orders due to our capacity and linkages with raw material suppliers and well equipped plant and machinery. Our Company constantly endeavors to implement an efficient procurement policy for inputs required for production as well as invest in upgradation of technology so as to ensure cost efficiency in procurement which in turn results in cost effective production.

4. Focus on consistently meeting quality standards

Our Company intends to focus on adhering to the quality standards of the products and services. This is necessary so as to make sure that we get repeat orders from our customers. Quality of the product and services is very important for the company from both customer point of view and regulatory point of view. Providing the desired and quality products help us in enhancing our reputation and maintaining long term relationships with customers.

5. Optimal Utilization of Resources and Incentives

Our Company constantly endeavors to improve our production process, skill up-gradation of workers, modernization of machineries to optimize the utilization of resources. We regularly analyze our existing raw material procurement and manufacturing processes to identify the areas of bottlenecks and correct the same. All such efforts and initiatives helps the Company in improving its efficiency and productivity. Over the years we have developed cordial relationship with our suppliers as well as clients. This has helped us being well recognized in specialized steel wire. We intend to invest in developing and enhancing our reputation, through building efforts, communication and promotional initiatives. This is a continuous exercise which would result in an increase of sales and profitability.

Following is a summary of the key details pertaining to the Market making arrangement:

- 1) The Market Maker(s) (individually or jointly) shall be required to provide a 2-way quote for 75% of the time in a day. The same shall be monitored by the stock exchange. Further, the Market Maker(s) shall inform the exchange in advance for each and every black out period when the quotes are not being offered by the Market Maker(s).
- 2) The prices quoted by Market Maker shall be in compliance with the Market Maker Spread Requirements and other particulars as specified or as per the requirements of the SME Platform of NSE and SEBI from time to time.

- 3) The minimum depth of the quote shall be ₹1,00,000/-. However, the investors with holdings of value less than ₹1,00,000/- shall be allowed to offer their holding to the Market Maker(s) (individually or jointly) in that scrip provided that he sells his entire holding in that scrip in one lot along with a declaration to the effect to the selling broker.
- 4) The Market Maker shall not sell in lots less than the minimum contract size allowed for trading on the SME Platform of NSE (in this case currently the minimum trading lot size is [●] equity shares; however the same may be changed by the SME Platform of NSE from time to time).
- 5) After a period of three (3) months from the market making period, the Market Maker would be exempted to provide quote if the Shares of Market Maker in our company reaches to 25% of Issue Size. Any Equity Shares allotted to Market Maker under this Issue over and above 25% of Issue Size would not be taken in to consideration of computing the threshold of 25% of Issue Size. As soon as the Shares of Market Maker in our Company reduces to 24% of Issue Size, the Market Maker will resume providing 2 way quotes.
- 6) There shall be no exemption/threshold on downside. However, in the event the Market Maker exhausts his inventory through market making process, NSE may intimate the same to SEBI after due verification.
- 7) Execution of the order at the quoted price and quantity must be guaranteed by the Market Maker(s), for the quotes given by him.
- 8) There would not be more than five Market Makers for a script at any point of time and the Market Makers may compete with other Market Makers for better quotes to the investors.
- 9) On the first day of the listing, there will be pre-opening session (call auction) and there after the trading will happen as per the equity market hours. The circuits will apply from the first day of the listing on the discovered price during the pre-open call auction.
- 10) The Market maker may also be present in the opening call auction, but there is no obligation on him to do so.
- 11) There will be special circumstances under which the Market Maker may be allowed to withdraw temporarily/fully from the market – for instance due to system problems, any other problems. All controllable reasons require prior approval from the Exchange, while *force-majeure* will be applicable for non controllable reasons. The decision of the Exchange for deciding controllable and non-controllable reasons would be final
- 12) The Market Maker(s) shall have the right to terminate said arrangement by giving a six months notice or on mutually acceptable terms to the Merchant Banker, who shall then be responsible to appoint a replacement Market Maker(s) and execute a fresh arrangement.

In case of termination of the above mentioned Market Making agreement prior to the completion of the compulsory Market Making period, it shall be the responsibility of the Lead Manager to arrange for another Market Maker in replacement during the term of the notice period being served by the Market Maker but prior to the date of releasing the existing Market Maker from its duties in order to ensure compliance with the requirements of regulation 106 V of the SEBI (ICDR) Regulations, 2009, as amended. Further our Company and the Lead Manager reserve the right to appoint other Market Makers either as a replacement of the current Market Maker or as an additional Market Maker subject to the total number of Designated Market Makers does not exceed five or as specified by the relevant laws and regulations applicable at that particulars point of time. The Market Making Agreement is available for inspection at our office from 11.00 a.m. to 5.00 p.m. on working days.

- 13) **Risk containment measures and monitoring for Market Makers:** SME portal of NSE “NSE Emerge” will have all margins, which are applicable on the NSE main board viz., Mark-to-Market, Value-At-Risk (VAR) Margin, Extreme Loss Margin, Special Margins and Base Minimum Capital etc. NSE can impose any other margins as deemed necessary from time-to-time.
- 14) **Punitive Action in case of default by Market Makers:** NSE’s SME Exchange will monitor the obligations on a real time basis and punitive action will be initiated for any exceptions and/or non-compliances. Penalties / fines may be imposed by the Exchange on the Market Maker, in case he is not able to provide the desired liquidity in a particular security as per the specified guidelines. These penalties / fines will be set by the Exchange from time to

time. The Exchange will impose a penalty on the Market Maker in case he is not present in the market (offering two way quotes) for at least 75% of the time. The nature of the penalty will be monetary as well as suspension in market making activities / trading membership. The Department of Surveillance and Supervision of the Exchange would decide and publish the penalties / fines / suspension for any type of misconduct/ manipulation/ other irregularities by the Market Maker from time to time.

- 15) **Price Band and Spreads:** The price band shall be 20% and the market maker spread (difference between the sell and the buy quote) shall be within 10% or as intimated by Exchange from time to time.
- 16) Pursuant to SEBI Circular number CIR/MRD/DSA/31/2012 dated November 27, 2012, limits on the upper side for market makers during market making process has been made applicable, based on the Issue size and are as follows:

Issue Size	Buy quote exemption threshold (including mandatory initial inventory of 5% of the Issue Size)	Re-Entry threshold for buy quote (including mandatory initial inventory of 5% of the Issue Size)
Up to ₹20 Crore	25%	24%
₹20 to ₹50 Crore	20%	19%
₹50 to ₹80 Crore	15%	14%
Above ₹80 Crore	12%	11%

- 17) All the above mentioned conditions and systems regarding the Market Making Arrangement are subject to change based on changes or additional regulations and guidelines from SEBI and Stock Exchange from time to time.

16. None of our Promoters, Promoter Group, our Directors and their relatives has entered into any financing arrangement or financed the purchase of the Equity Shares of our Company by any other person during the period of six months immediately preceding the date of filing of the Draft Prospectus.
17. Neither, we nor our Promoters, Directors and the LM to this Issue have entered into any buyback and / or standby arrangements and / or similar arrangements for the purchase of our Equity Shares from any person.
18. As on the date of filing of this Draft Prospectus, there are no outstanding warrants, options or rights to convert debentures, loans or other instruments which would entitle Promoters or any shareholders or any other person any option to acquire our Equity Shares after this Initial Public Offer
19. As on the date of this Draft Prospectus, the entire Issued Share, Subscribed and Paid-up Share Capital of our Company is fully paid up.
20. Our Company has not raised any bridge loan against the proceeds of the Issue.
21. Since the entire issue price in respect of the issue is payable on application, all the successful applicants will be allotted fully paid up equity shares
22. As on the date of this Draft Prospectus, none of the shares held by our Promoters / Promoters Group are subject to any pledge.
23. The Lead Manager i.e. Hem Securities Limited and their associates do not hold any Equity Shares in our Company as on the date of filing of Draft Prospectus.
24. We here by confirm that there will be no further issue of capital whether by way of issue of bonus shares, preferential allotment, rights issue or in any other manner during the period commencing from the date of the Draft Prospectus until the Equity Shares offered have been listed or application money unblocked on account of failure of Issue.
25. Our Company does not presently intend or propose to alter its capital structure for a period of six months from the date of opening of the Issue, by way of split or consolidation of the denomination of Equity Shares or further issue of Equity Shares (including issue of securities convertible into or exchangeable, directly or indirectly for Equity Shares) whether preferential or otherwise. This is except if we enter into acquisition or joint ventures or make investments, in which case we may consider raising additional capital to fund such activity or use Equity Shares as a currency for acquisition or participation in such joint ventures or investments.
26. None of our Equity Shares have been issued out of revaluation reserve created out of revaluation of assets.
27. An over-subscription to the extent of 10% of the Issue can be retained for the purpose of rounding off to the nearest integer during finalizing the allotment, subject to minimum allotment, which is the minimum application size in this Issue. Consequently, the actual allotment may go up by a maximum of 10% of the Issue, as a result of which, the post-issue paid up capital after the Issue would also increase by the excess amount of allotment so made. In such an event, the Equity Shares held by the Promoter and subject to 3 year lock- in shall be suitably increased; so as to ensure that 20% of the post Issue paid-up capital is locked in.

28. Allocation to all categories shall be made on a proportionate basis subject to valid applications received at or above the Issue Price. Under subscription, if any, in any of the categories, would be allowed to be met with spill-over from any of the other categories or a combination of categories at the discretion of our Company in consultation with the LM and Designated Stock Exchange i.e. NSE. Such inter-se spill over, if any, would be affected in accordance with applicable laws, rules, regulations and guidelines.
29. In case of over-subscription in all categories the allocation in the issue shall be as per the requirements of Regulation 43 (4) of SEBI (ICDR) Regulations, 2009 and its amendments from time to time.
30. The unsubscribed portion in any reserved category (if any) may be added to any other reserved category.
31. The unsubscribed portion if any, after such inter se adjustments among the reserved categories shall be added back to the net offer to the public portion.
32. At any given point of time there shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
33. Our Company shall comply with such disclosure and accounting norms as may be specified by NSE, SEBI and other regulatory authorities from time to time.
34. As on the date of this Draft Prospectus, we do not have any Employees Stock Option Scheme / Employees Stock Purchase Scheme and we do not intend to allot any shares to our employees under Employee Stock Option Scheme/ Employee Stock Purchase Plan from the proposed issue. As and when, options are granted to our employees under the Employee Stock Option Scheme, our Company shall comply with the SEBI (Share Based Employee Benefits) Regulations, 2014.
35. There are no Equity Shares against which depository receipts have been issued.
36. Other than the Equity Shares, there is no other class of securities issued by our Company.
37. We have 15 (Fifteen) shareholders as on the date of filing of the Draft Prospectus.
38. There are no safety net arrangements for this public issue.
39. As per RBI regulations, OCBs are not allowed to participate in this issue.
40. Our Promoters and Promoter Group will not participate in this Issue.
41. This Issue is being made through Fixed Price method.
42. Our Company has not made any public issue or rights issue of any kind or class of securities since its incorporation.
43. In terms of Rule 19(2)(b)(i) of the Securities Contracts (Regulation) Rules, 1957, as amended, (the SCRR) the Issue is being made for at least 25% of the post-issue paid-up Equity Share capital of our Company. Further, this Issue is being made in terms of Chapter XB of the SEBI (ICDR) Regulations, 2009, as amended from time to time.
44. No person connected with the Issue shall offer any incentive, whether direct or indirect, in the nature of discount, commission, and allowance, or otherwise, whether in cash, kind, services or otherwise, to any Applicant.
45. We shall ensure that transactions in Equity Shares by the Promoters and members of the Promoter Group, if any, between the date of registering the Prospectus with the RoC and the Issue Closing Date are reported to the Stock Exchanges within 24 hours of such transactions being completed.
46. Sr.No	Particulars	Amt (₹ in Lacs)
1.	To meet Working capital Requirements	[●]
2.	To meet General Corporate Expenses	[●]
	Total	[●]

Means of Finance: -We intend to finance our Objects of Issue through Net Issue Proceeds which is as follows:

Particulars	Amt (₹ in Lacs)
Net Issue Proceeds	[●]
Total	[●]

Since the entire fund requirement are to be funded from the proceeds of the Issue, there is no requirement to make firm arrangements of finance under Regulation 4(2) (g) of the SEBI ICDR Regulations through verifiable

means towards at least 75% of the stated means of finance, excluding the amounts to be raised through the proposed Issue.

The fund requirement and deployment is based on internal management estimates and have not been appraised by any bank or financial institution. These are based on current conditions and are subject to change in the light of changes in external circumstances or costs or other financial conditions and other external factors.

In case of any increase in the actual utilization of funds earmarked for the Objects, such additional funds for a particular activity will be met by way of means available to our Company, including from internal accruals. If the actual utilization towards any of the Objects is lower than the proposed deployment such balance will be used for future growth opportunities including funding existing objects, if required. In case of delays in raising funds from the Issue, our Company may deploy certain amounts towards any of the above mentioned Objects through a combination of Internal Accruals or Unsecured Loans (Bridge Financing) and in such case the Funds raised shall be utilized towards repayment of such Unsecured Loans or recouping of Internal Accruals. However, we confirm that no bridge financing has been availed as on date, which is subject to being repaid from the Issue Proceeds.

We further confirm that no part proceed of the Issue shall be utilised for repayment of any Part of unsecured loan outstanding as on date of Draft Prospectus.

As we operate in competitive environment, our Company may have to revise its business plan from time to time and consequently our fund requirements may also change. Our Company's historical expenditure may not be reflective of our future expenditure plans. Our Company may have to revise its estimated costs, fund allocation and fund requirements owing to various factors such as economic and business conditions, increased competition and other external factors which may not be within the control of our management. This may entail rescheduling or revising the planned expenditure and funding requirements, including the expenditure for a particular purpose at the discretion of the Company's management.

For further details on the risks involved in our business plans and executing our business strategies, please see the section titled "**Risk Factors**" beginning on page 16 of the Draft Prospectus.

SECTION IV – ABOUT THE COMPANY

INDUSTRY OVERVIEW

The information in this section has been extracted from various websites and publicly available documents from various industry sources. The data may have been re-classified by us for the purpose of presentation. Neither we nor any other person connected with the issue has independently verified the information provided in this section. Industry sources and publications, referred to in this section, generally state that the information contained therein has been obtained from sources generally believed to be reliable but their accuracy, completeness and underlying assumptions are not guaranteed and their reliability cannot be assured, and, accordingly, investment decisions should not be based on such information.

Global Scenario

Global economic activity continues to firm up. Global output is estimated to have grown by 3.7 percent in 2017, which is 0.1 percentage point faster than projected in the fall and ½ percentage point higher than in 2016. The pickup in growth has been broad based, with notable upside surprises in Europe and Asia. Global growth forecasts for 2018 and 2019 have been revised upward by 0.2 percentage point to 3.9 percent. The revision reflects increased global growth momentum and the expected impact of the recently approved U.S. tax policy changes.

The U.S. tax policy changes are expected to stimulate activity, with the short-term impact in the United States mostly driven by the investment response to the corporate income tax cuts. The effect on U.S. growth is estimated to be positive through 2020, cumulating to 1.2 percent through that year, with a range of uncertainty around this central scenario. Due to the temporary nature of some of its provisions, the tax policy package is projected to lower growth for a few years from 2022 onwards. The effects of the package on output in the United States and its trading partners contribute about half of the cumulative revision to global growth over 2018–19.

Risks to the global growth forecast appear broadly balanced in the near term, but remain skewed to the downside over the medium term. On the upside, the cyclical rebound could prove stronger in the near term as the pickup in activity and easier financial conditions reinforce each other. On the downside, rich asset valuations and very compressed term premiums raise the possibility of a financial market correction, which could dampen growth and confidence. A possible trigger is a faster-than-expected increase in advanced economy core inflation and interest rates as demand accelerates. If global sentiment remains strong and inflation muted, then financial conditions could remain loose into the medium term, leading to a buildup of financial vulnerabilities in advanced and emerging market economies alike. Inward-looking policies, geopolitical tensions, and political uncertainty in some countries also pose downside risks.

The current cyclical upswing provides an ideal opportunity for reforms. Shared priorities across all economies include implementing structural reforms to boost potential output and making growth more inclusive. In an environment of financial market optimism, ensuring financial resilience is imperative. Weak inflation suggests that slack remains in many advanced economies and monetary policy should continue to remain accommodative. However, the improved growth momentum means that fiscal policy should increasingly be designed with an eye on medium-term goals—ensuring fiscal sustainability and bolstering potential output. Multilateral cooperation remains vital for securing the global recovery.

Global Growth Forecast to Rise Further in 2018 and 2019

Global growth for 2017 is now estimated at 3.7 percent, 0.1 percentage point higher than projected in the fall. Upside growth surprises were particularly pronounced in Europe and Asia but broad based, with outturns for both the advanced and the emerging market and developing economy groups exceeding the fall forecasts by 0.1 percentage point.

The stronger momentum experienced in 2017 is expected to carry into 2018 and 2019, with global growth revised up to 3.9 percent for both years (0.2 percentage point higher relative to the fall forecasts).

For the two-year forecast horizon, the upward revisions to the global outlook result mainly from advanced economies, where growth is now expected to exceed 2 percent in 2018 and 2019. This forecast reflects the expectation that favorable global financial conditions and strong sentiment will help maintain the recent

acceleration in demand, especially in investment, with a noticeable impact on growth in economies with large exports. In addition, the U.S. tax reform and associated fiscal stimulus are expected to temporarily raise U.S. growth, with favorable demand spillovers for U.S. trading partners— especially Canada and Mexico—during this period. The expected global macroeconomic effects account for around one-half of the cumulative upward revision to the global growth forecast for 2018 and 2019, with a range of uncertainty around this baseline projection.

The growth forecast for the United States has been revised up given stronger than expected activity in 2017, higher projected external demand, and the expected macroeconomic impact of the tax reform, in particular the reduction in corporate tax rates and the temporary allowance for full expensing of investment. The forecast assumes that the decline in tax revenues will not be offset by spending cuts in the near term. The tax reform is therefore anticipated to stimulate near-term activity in the United States. As a by-product, stronger domestic demand is projected to increase imports and widen the current account deficit. Overall, the policy changes are projected to add to growth through 2020, so that U.S. real GDP is 1.2 percent higher by 2020 than in a projection without the tax policy changes. The U.S. growth forecast has been raised from 2.3 percent to 2.7 percent in 2018, and from 1.9 percent to 2.5 percent in 2019. In light of the increased fiscal deficit, which will require fiscal adjustment down the road, and the temporary nature of some provisions, growth is expected to be lower than in previous forecasts for a few years from 2022 onward, offsetting some of the earlier growth gains. The inflation response to higher domestic demand is expected to be muted given the low sensitivity of core price pressures to changes in slack in recent years and a somewhat faster projected pace of U.S. Federal Reserve policy rate hikes than in the fall, with a modest decompression of term premiums and no sizable U.S. dollar appreciation. According to the U.S. Congressional Joint Committee on Taxation, the tax code overhaul is projected to reduce the average tax rate on upper income U.S. households relative to those in the middle and lower segments, especially over the medium term (when some provisions benefiting lower- and middle-income taxpayers expire).

The aggregate growth forecast for the emerging markets and developing economies for 2018 and 2019 is unchanged, with marked differences in the outlook across regions.

Indian Economy Overview

After registering GDP growth of over 7 per cent for the third year in succession in 2016-17, the Indian economy is headed for somewhat slower growth, estimated to be 6.5 per cent in 2017- 18, as per first Advance Estimates released by CSO. This is slightly lower than the range of 6.5 per cent to 6.75 per cent being currently projected based on recent developments. Even with this lower growth for 2017-18, GDP growth has averaged 7.3 per cent for the period from 2014-15 to 2017-18, which is the highest among the major economies of the world. That this growth has been achieved in a milieu of lower inflation, improved current account balance and notable reduction in the fiscal deficit to GDP ratio makes it all the more creditable. In addition to the introduction of GST, the year also witnessed significant steps being undertaken towards resolution of problems associated with non-performing assets of the banks, further liberalization of FDI, etc., thus strengthening the momentum of reforms. After remaining in negative territory for a couple of years, growth of exports rebounded into positive one during 2016-17 and strengthened further in 2017-18.

GDP GROWTH IN 2017-18

With Gross Domestic Product (GDP) growth averaging 7.5 per cent between 2014- 15 and 2016-17, India can be rated as among the best performing economies in the world on this parameter. Although growth is expected to decline to 6.5 per cent in 2017-18, bringing the 4-year average to 7.3 per cent, the broad story of India's GDP growth to be significantly higher than most economies of the world does not alter. The growth is around 4 percentage points higher than global growth average of last 3 years and nearly 3 percentage points more than the average growth achieved by emerging market & developing economies.

GVA growth of major sectors

As expected, the agriculture sector registered significantly higher growth in 2016-17 than the previous two years on the back of normal monsoon. As per the fourth advance estimates of food grains production, it was estimated that the output of food grains would be of the order of 275.7 million tonnes in 2016-17, with both cereals and pulses achieving record levels of production. Most other crops and non-crop agriculture sector also showed significant growth. 'Public administration, defence & other services' sector also registered double-digit growth in 2016-17 that largely owed to higher payouts in salaries and arrears on account of implementation of the recommendations of the Seventh Pay Commission. However, growth of industry sector declined by over 3 percentage points in the last financial year.

GVA growth in H1 of 2017-18 was 5.8 per cent, with the two quarters depicting different picture. The declining trend seen in the previous few quarters in GVA growth was arrested in Q1 of 2017-18, which registered the same rate of growth as in Q4 of 2016-17. There was a reversal of this declining trend in Q2 of 2017-18 with GVA growth of 6.1 per cent, an improvement of 0.5 percentage points vis-à-vis Q1. This was basically led by the industry sector. The growth of manufacturing sector, in particular, showed an improvement from 1.2 per cent in Q1 to 7.0 per cent in Q2 of 2017-18. The implicit growth of GVA for H2 of 2017-18 is estimated to be 6.4 per cent. The implicit growth in H2 of all three major sectors of the economy viz. agriculture & allied, industries, and services sectors being 2.2 per cent, 5.1 per cent and 8.7 per cent respectively is better than H1 of 2017-18 (Figure 3). The growth of manufacturing sector is expected to improve from 4.0 per cent in H1 to 5.1 per cent in H2 of 2017-18. 'Trade, transport, hotels, storage, communications and services relating to broadcasting', which is a part of services sector is the only sector that is likely to register a decline in growth in H2 vis-à-vis H1 of 2017-18.

Per-capita Income

The real per capita income (measured in terms of per capita net national income at constant (2011-12) prices is one of the important indicators representing the welfare of people of a country. It is expected to increase from Rs. 77,803 in 2015-16 to Rs. 86,660 in 2017-18, growing at an annual average rate of 5.5 per cent. In nominal terms it increased by an average of 9.0 per cent per annum from Rs. 94,130 in 2015-16 to Rs. 111,782 in 2017-18.

Final Consumption Expenditure

In the 6 years between 2011-12 and 2016-17, the share of PFCE averaged 57.5 per cent in total GDP and its growth averaged 6.8 per cent. PFCE has been the single most important driver of GDP growth and particularly so in 2016-17, when it contributed nearly two-thirds to GDP growth. Added to this, the contribution of GFCE was 29 per cent. As per the 1st AE of 2017-18, the contribution of PFCE and GFCE to GDP growth is estimated to be 54.3 per cent and 14.4 per cent respectively. While PFCE contribution reverted to the average levels achieved in 2011-12 to 2015-16, the contribution of GFCE continues to be higher than that average.

Further disaggregation of PFCE (details of which are available only upto 2015-16) reveals that the share of non-durable goods (bulk of which is food products) declined somewhat between 2011-12 and 2015-16 (after 2013-14) (Figure 5). This reduction is on expected lines, as with an increase in income levels, the share of food products and in particular food grains tends to decline (For analysis based on Engel's elasticities, see Box 1.1). There was a faster reduction in this share in terms of constant prices, which is associated with lower value of deflator (implying higher price rise) for some of food products viz. fish & seafood, fruits, etc. as compared to other commodity groups during this period.

Global Steel Wire Industry

Global steel export volumes have remained relatively flat in the last two years following strong growth in 2014. In 2016, global exports are estimated to have declined slightly to 314 mmt⁶, down from the 317 mmt level seen in 2015 and roughly equivalent to the 2014 level. Many economies registered declines in exports last year: China by 3.1% to 107.5 mmt, Japan by 0.7% to 40.5 mmt, the EU by 11.5% to 29.1 mmt, and Korea by 1.8% to 30.5 mmt. This was partially offset by growth in the CIS region, where Russian steel exports climbed by 5.1% to 31.1 mmt and Ukrainian exports increased by 2.9% to 18.2 mmt. Figure 3 presents the evolution of steel export shares across major steel economies.

In the context of weak domestic demand and overcapacity, trade measures have increased in the last few years (OECD, 2017b), which may explain part of the recent declines in global steel export volumes. Indeed, the world's export ratio (steel exports as a per cent of production) has started to decline since peaking in late 2015 (Figure 4). In the US, steel imports have been declining over the last two years, and fell by nearly 15.9% to 29.9 mmt in 2016. In the EU, on the other hand, steel imports have increased rapidly over the last two years, and the region has recently become the world's biggest import market for steel. EU steel imports increased by 9.7% in 2016 to 41 mmt. Korean steel imports also increased in 2016, to a level of 23.2 mmt, putting it slightly behind the US as the third largest import market. Japanese steel imports have settled at a level of nearly 6 mmt per annum over the last two years.

Indian Steel Wire Industry

Over the past two decades, the Indian steel industry has developed capabilities of producing a wide range of sophisticated steel at par with global best practices addressing diverse needs of the end user industries. However, India still needs to make a special effort to domestically produce steel for high end applications, electrical steel (CRGO), special steel and alloys for Power equipment, Aerospace, Defense and Nuclear applications.

However, the Indian steel sector is disadvantaged due to limited availability of essential raw material such as high grade Manganese ore & Chromite, coking coal, steel grade limestone, refractory raw material, Nickel, Ferrous Scrap etc. Due to shortage of domestic coking coal, both in terms of quantity and quality, pig iron producers/ BF operators in India have to significantly depend on import of coking coal.

Steel Wire Manufacturers Association of India (SWMAI) is the National Body of Steel Wire and Wire Rope Manufacturers in India. Established in 1968 and registered under the Companies Act in 1970, the Association has in its membership steel wire drawing units and wire rope manufacturing units, producing bulk quantity of steel wires and wire ropes in India.

Established in India in 1920s, the Steel Wire Industry has progressed remarkably and has successfully developed and manufactured various types of high carbon, alloy steel and special steel wires in addition to mild steel wires. The industry has become versatile enough to meet the requirements of numerous consuming sectors. This sophistication has been possible due to continuous and well-planned R & D efforts on part of the manufacturers with patronage of SWMAI. The result has been that the industry is in a position to manufacture and supply steel wires, both in the domestic and the international markets, in accordance with Indian (BIS) and international (ASTM, DIN, JIS, BSS) standards.

It is seen that this industry is growing about 5-6% during last two years. The demand of wires is expected to increase in leaps and bounds in the years to come. Out of the total steel consumed in India wire constitutes only 5%. However, if pace of development picks up the domestic consumption of wires will increase by 2%-3% to 7%-8% of the steel consumption.

In our Country, if we closely look at the wire demand, almost 88% of it is for wires in plain carbon steel grades, 5% would be for Stainless Steel grades and the balance would be for Alloy Steel Wires.

On further analysis, out of the plain carbon wires almost 75% to 80% of the demand is for black/uncoated wires and the balance 20% to 25% is for wires coated with other base metals e.g. Zinc (Galvanized), Copper, Bronze, and other coating materials.

The Steel Wire Industry in India is quite competitive in its production costs compared to other developed and developing countries. This cost competitiveness needs to be maintained by adoption of new and clean technologies, which lower specific energy consumption and which generate much lesser pollutants. We need to automate processes and focus on product quality and packaging to produce wires internationally acceptable.

Raw materials mainly wire rods account for a major part of the cost of wires. In the past there were very few suppliers but with the growth in the steel industry a number of mid-sized companies have started producing Mild Steel Wire Rods. This has increased the availability and resulted in better commercial terms for the wire industry. Most value added wires use high carbon wire rods as an input. These are now available in the country from Five Major Suppliers (JSPL, JSW, RINL, TISCO, USHA MARTIN) with imports as an alternative whenever they are commercially viable. A number of new wire rod mills (VISA STEEL, ELECTROSTEEL CASTING) are at an advanced stage of commissioning. This will make all grades of wire rods abundantly available.

The steel wire industry in India is at a juncture where very soon raw materials will be available at internationally competitive rates, consumption is poised to jump, new export markets are waiting to be tapped, and skilled manpower is readily available. Therefore, there will be a bright future ahead for the Steel Wire Industry.

OUR BUSINESS

Some of the information contained in the following discussion, including information with respect to our plans and strategies, contain forward-looking statements that involve risks and uncertainties. You should read the section “Forward-Looking Statements” for a discussion of the risks and uncertainties related to those statements and also the section “Risk Factors” for a discussion of certain factors that may affect our business, financial condition or results of operations. Our actual results may differ materially from those expressed in or implied by these forward looking statements. Our fiscal year ends on March 31 of each year, so all references to a particular fiscal are to the Twelve-month period ended March 31 of that year. In this section, a reference to the “KWL”, “Company” or “we”, “us” or “our” means Kritika Wires Limited.

All financial information included herein is based on our “Financial information of the Company” included on page 183 of this Draft Prospectus.

OVERVIEW

Our Company, was originally incorporated as Kritika Wires Private Limited on May 31, 2004 under the provisions of Companies Act, 1956. Our Company has been in the business of manufacturing high quality galvanized steel wires and wire products and have been meeting the requirement of various clients in the government and private sectors like power, infrastructure, railway and many more industries. The products manufactured by our Company are used for transmission and distribution of Electricity, manufacturing of concrete slippers, poles, bridges and other infrastructure facilities.

In the year 2005, we started commercial production of wire drawing of high carbon, low carbon and alloy steel. Buyout by the response from the market the company in course of further expansion in the year 2010 started various types of wire processing and manufacturing like galvanizing, stranding and barbed - steel wires. Thus the company has entered in diversified range of products on the basis of demand and supply in the market. With the government’s thrust on electrification and infrastructural developments, the company has also continuously increased the production capacity. We operate from our registered office located at 1A Bonfield Lane, Mezanine Floor, Kolkata, West Bengal 700001 India. Our manufacturing facilities are situated at the following two units located at Dhulagarh Industrial Park, Kolkata, West Bengal:

- Unit I - Sankrail Industrial Park, Dag No. 462,463, Khatian No. 297, Jangalpur, Mouza- Bhagwatipur, Howrah, West Bengal.
- Unit II - Sankrail Industrial Park, Dag No. 469,470,472,483,484,485, 486, 487,488 Khatian No.1188,891,147,520/1, 1326, 448 Jangalpur, Mauza- Bhagwatipur, Howrah, West Bengal

Our plants are equipped with latest machinery and equipments, In-house testing facilities and qualified engineers, which help us in maintaining quality standards as well as an efficient delivery record with appropriate warranty. All raw- materials and consumables are tested at various stages in manufacturing process as per stipulated standards to ensure good quality products which are test certified. Our products are type tested & approved by various NABL Accredited laboratories like: IDTL, NSIC & NTH Corporation and are supplied as per the Indian Market Specification.

Our Company is an ISO 9001: 2008 certified manufacturer and supplier of different types of galvanized and non-galvanized wires. The products are ISI marked which helps in harmonious development of standardization and quality of product. Our products are rigorously tested, in terms of surface finish, tensile strength, torsion, breaking load, zinc coating, dip and adhesion test. Apart from the product testing the Company believes IN-PROCESS testing to meet the prescribed quality standards, and we also provide the test as per customer requirement.

Mr. Anil Kumar Mittal and Mr. Sanjeev Kumar Binani, were the initial subscribers to the Memorandum of Association of our Company. Presently Mr. Naresh Agarwal, Mr. Hanuman Prasad Agarwal, R A Comptech Investment & Consultant Private Limited, Balaji Electrodes Private Limited, Alltime Suppliers Private Limited and Mohta Agencies Private Limited are Promoters of the Company.

We are approved vendor of one of the biggest electricity utility company “POWERGRID” and also of the below mentioned state owned electricity boards :-

- West Bengal State Electricity Distribution Company Ltd.

- West Bengal State Electricity Transmission Company Ltd.
- Kerala State Electricity Board
- Odhisha Power Transmission Corporation Ltd.
- Transmission corporation of Andhra Pradesh
- Bihar State Power Transmission Company Ltd.

- Dakshin Gujarat Vij Company Ltd.

Our products are also widely being used by electrical contractors, corporate engaged in turnkey business of creating infrastructure for power transmission & distribution, cable & conductor manufacturing, general engineering purpose, textile industry, Housing and Infrastructure development industry and railways etc. Other than the state owned electricity boards, some of our clientele include the following:

For the period ended January 31, 2018 and Fiscal year ended on March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 our total revenue stood at 19797.43 Lakhs, 20705.52 Lakhs, 21730.19 Lakhs, 18339.74 Lakhs, 14911.27 Lakhs & 10596.27 Lakhs respectively. Further, our PAT for the period ended January 31, 2018 and Fiscal year ended on March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 were 430.99 Lakhs, 266.65 Lakhs, 104.85 Lakhs, 42.98 lakhs, 101.19 Lakhs & 120.90 Lakhs respectively. We have been able to increase our revenue from the financial year 2013 to 2017 at an annual growth rate of 18.23 %.

AWARDS, CERTIFICATIONS & RECOGNITION RECEIVED BY OUR COMPANY

The high quality and consistency of our products has won the confidence of our customer. Some of the prominent certifications received by our Company are:

Sr. No.	Nature of Registration/License	Registration/License No.	Issuing Authority	Date of Issue	Date of Expiry
1.	ISO 9001 : 2008	1015QCN83	Absolute Quality Certification Pvt. Ltd.	August 19, 2015	August 18, 2018

Furthermore we are member of Federation of Small and Medium Industries, Indian Electrical & Electronics Manufacturers Association (IEEMA)

Some of the certifications received by our Company are the following:-

Year	Award and Recognition
2018	Certificate of Participation in ELECRAMA 2018
2016	Certificate of participation in ENERGIZE EMPOWER EAST, the largest energy convention in eastern India

OUR BUSINESS STRENGTH: -

1. Government Contractor

We are qualified to participate in the tender for supply of various types of wires required by Government Projects due to our quality products and experience in the industry as well as our ability to meet the requisite criteria. Our revenue from manufacturing operations is generally derived from subscribing and fulfilling -the tenders invited by electricity companies operated PAN India. We are approved vendors of most of the state owned electricity boards in India. We believe our specialization in maintaining the quality, standards and alltime support to such companies attests to our credibility and allows us to be in a better position for future projects, thereby improving our competitive position.

2. Quality Assurance and State of Art Infrastructure.

Delivering Quality products is one of our prime beliefs. We dedicate resources for quality assurance to ensure that quality norms are continually met. We have an in house laboratory for testing of the product at each step of manufacturing process to ensure that our quality standards are met throughout the process. Further all our products are type tested and ISI Marked and matches upto the customer requirements. The final product manufactured has to undergo a quality check before it is finally packed and dispatched. We also have quality control checks before any consignment of Raw material is accepted since it has a direct impact on the quality of Finished Product. Further Our Company has state of art infrastructure with modern and latest machineries and equipments to deliver cost effective, better and standard products to achieve better product quality and technical reliability.

3. Recognized and Established Client Base

Rendering quality products and prompt services, we have earned a huge clientele base all across India. The clientele list includes well-reputed clients in electricity boards across India and private sectors like power, construction, and general engineering and domestic segments etc. that reflects the genuineness of the products offered by us. Our long-standing relationship with our major customers has been one of the most significant factors contributing to our growth. Our commitments to quality and customer service practices have been strong

contributing factors to our robust customer relations. Even though we do not have any long-term supply agreements with them, we have continually received repeat business from many of our customers. This indicates their level of confidence in our ability to deliver our products and services. Because of the trust of our customers we have been able to attain orders from a diverse range of client base.

4. Wide range of Products and Timely Delivery

Our diverse range of products is made available in assorted sizes and specifications for catering to the specific needs of our clients. We supply wires across various industries to various organizations of diverse sectors such as Power Distribution Companies, Construction, General engineering industries, Infrastructure works, corporate engaged in turnkey business, cable & conductor manufacturing, umbrella manufacturers etc. in India. We believe that maintaining a diverse portfolio in our business provides us with an opportunity to cater to diverse needs of different customer segment. We understand the importance of timely delivery. Customers get a clear indication of delivery & lead time, every time. Owing to our timeliness and consistency in product quality as well as industry expertise, our Company has been awarded repetitive orders by certain customers. This has helped us nurture long-term relationships with our customers.

5. Leveraging the expertise of our Senior Management Team.

The experience of our Managing Director, Mr. Hanuman Prasad Agarwal of 30 years and Whole Time Directors, Mr. Naresh Kumar Agarwal of 35 Years, play an instrumental role in the growth and success of our Company. Their experience in such industry is instrumental in determining the vision and growth strategies for our Company. Further our Whole Time Director, Mr. Ankush Agarwal, a B.Tech engineer has recently joined business.. His young age, being updated with recent developments, dynamic approach and strategic outlook toward business gives our business additional edge towards success. We have a team of well equipped employees for engineering, manufacturing, marketing, customer service etc catering to the needs of the customers and providing high yield. It is also expected to help us in addressing and mitigating various risks inherent in our business, including significant competition and the global economic crisis.

OUR BUSINESS STRATEGIES

1. Augment our working capital base in order to better utilize our installed capacities

Our business of manufacturing wires is working capital intensive. We need to maintain sufficient inventory for the production process and also maintain a balance between debtors & creditors cycle. Since, we are not fully utilising our installed capacities, our growth depends on our ability to increase our utilization over the next few years and also adding new capacity subsequently. This expansion needs access to a larger amount of liquid funds and sufficient working capital. The same are proposed to be funded from the IPO proceeds and from Banking Facilities. For further details of the proposed working capital requirements of the company, kindly refer to the Chapter titled “*Objects of the Issue*” beginning on page no 86 of this Draft Prospectus.

2. Broaden our marketing base

We currently cater to various clients from various industries in India. We have developed a long standing relationship with our clients which include companies like, B&T Cables Limited, BRB Cable Industries Ltd, Bajaj Electricals Ltd, Cabcon India Ltd, Gupta Power Infrastructure Ltd, Larsen & Toubro Limited, Lumino Industries Ltd, Sterlite Power Transmission Ltd, Tata Projects Limited, Apar Industries Limited, Sterlite & Wilson Ltd etc. and many more, from several State Electricity Boards and distribution company like Kerala State Elec. Board (Distribution Central), West Bengal State Electricity Distribution Co. Ltd, U.P. Power Transmission Corporation Limited, CESC Limited, Madhyanchal Vidhyut Vitran Nigam Limited, Teestavalley Power Transmission Ltd.- Bihar, Paschimanchal Vidyut, Vitran Nigam Ltd, Dakshin Gujarat Vj Co. Ltd., Punjab State Power Corporation Ltd etc. However, our growth depends on our ability to maintain our relationship with these clients in addition to adding more clientele to our list. Though there is no dearth of orders as on date, still we have scope to expand our reach to un-explored both domestic and international markets. Empanelment with various Government organizations is a continuous process as we intend to be part of many more government projects as we believe that this will give us a good reputation and steady flow of orders, keeping in tune with the infrastructural development and electrification work in the country.

3. Improve our manufacturing facilities by delivering cost effective products

Our Company continuously works on developing plans to take various steps in order to ensure adherence to timely fulfillment and also to achieve greater cost efficiency as timely fulfillment of the orders is a prerequisite in our industry. These steps include identifying quality raw material, smooth labour relations, use of an efficient production system and ability to meet large and varied orders due to our capacity and linkages with raw material suppliers and well equipped plant and machinery. Our Company constantly endeavors to implement an efficient procurement policy for inputs required for production as well as invest in upgradation of technology so as to ensure cost efficiency in procurement which in turn results in cost effective production.

4. Focus on consistently meeting quality standards

Our Company intends to focus on adhering to the quality standards of the products and services. This is necessary so as to make sure that we get repeat orders from our customers. Quality of the product and services is very important for the company from both customer point of view and regulatory point of view. Providing the desired and quality products help us in enhancing our reputation and maintaining long term relationships with customers.

5. Optimal Utilization of Resources and Incentives

Our Company constantly endeavors to improve our production process, skill up-gradation of workers, modernization of machineries to optimize the utilization of resources. We regularly analyze our existing raw material procurement and manufacturing processes to identify the areas of bottlenecks and correct the same. All such efforts and initiatives helps the Company in improving its efficiency and productivity. Over the years we have developed cordial relationship with our suppliers as well as clients. This has helped us being well recognized in specialized steel wire. We intend to invest in developing and enhancing our reputation, through building efforts, communication and promotional initiatives. This is a continuous exercise which would result in an increase of sales and profitability.

OUR PRODUCT PORTFOLIO

Steel wires are widely used in many applications such as in manufacturing of industrial and domestic products, in manufacturing cables, conductors, crane, tower crane, surface and underground mining, excavation, logging of any type of terrain, tramway, elevator, oil and gas, drilling, marine and electrical constructions, poles, umbrella, big projects etc. The selection of the type of wire must be considered based on the strength, fatigue and abrasion resistance, crushing resistance, resistance to metal loss and deformation, resistance to rotation and the operating conditions.

The type of wire used affects the performances. High carbon steel bright (uncoated) wire is the material most commonly used. To improve corrosion resistance, galvanized wire is used in those applications where high resistance to corrosion is required.

Sr No	Name of Product	Description	Description
1.	Mild Steel Wire		<p>We supply entire range of Mild Steel Wire. These products offered by us are precision engineered, designed and developed to meet several industrial establishments. These are extensively used as overhead ground wire or static wires. These wires have high tensile strength and longer service life.</p> <p>Purpose – General Engineering purpose Sizes/Variations:0.710mm to 5.00 mm Application: Electricity Board distribution and general engineering purpose Ref Std: IS 280: 2006</p>
2.	Galvanized Strand Earth Wire		<p>We supply entire range of galvanized strand for earthing of all tensile grades of wire. Earth wire is manufactured from medium carbon wire rod twisting 7 wires together, one at the core and 6 twisted around core wire. Earth wire is used for overhead transmission purpose. It is supplied in wooden drum.</p> <p>Purpose – Earthing. Used in Power Industries Sizes/Variations:7/3.15mm, 7/3.25mm, 7/3.66mm, 7/4.00 mm, 7/4.50mm Application: Electricity Board for transmission purpose Ref Std: IS 12776 : 2002/ As per POWERGRID Specifications</p>
3.	G.I. Stay Wire		<p>Stay Wires are galvanized steel wire strands. Generally they are made up of 6 wires stranded around 1 wire, twisting 7 wires together. A common use for stay wires is in the electricity industry, using the wire to stay power poles and tower structures. It can be supplied in coils/drums as per requirement.</p> <p>Purpose: Used for sustaining Power Poles and Tower structures Sizes/Variations:7/1.60mm to 7/4.00mm Application: Electricity Board distribution purpose Ref Std: IS 2141 : 2000</p>
4.	Galvanized Steel Wire Strand		<p>We supply wide range of Galvanized steel wire strand of various tensile grades of wire. It is manufactured from mild steel, medium carbon steel wire rod depending on tensile grade by twisting 7 wires or 4 wires together to form 7 wire or 4 wire stranded wire respectively. It is mainly used for Stay wire, earth wire, guy wire etc.</p>

			<p>Purpose: Used for holding power poles, tower structures, boiler, furnace and chimney. Used for earthing purpose in power industry</p> <p>Sizes/Variations: 7/3.15mm, 7/3.25mm, 7/3.65mm, 7/4.00 mm, 4/4.00mm (Grade 700-1150)</p> <p>Application: Stay Wire, Earth Wire</p> <p>Ref Std: BS183: 1972 BS449: 1969</p>
5.	A.C.S.R. Core Wire		<p>Aluminium conductor steel-reinforced Wire consists of solid steel core surrounded by strands of Aluminium. The core can be single wire or stranded depending on the size and the type of conductor. ACSR Core Wires gives the right amount of strength and ampacity for your overhead power transmission and distribution ventures.</p> <p>Purpose: Used in Electrical Industry in manufacturing of cables and conductors</p> <p>Sizes/Variations: 1.57mm, 2.11mm, 2.30 mm, 2.54 mm, 2.59mm, 3.00mm, 3.18mm, 3.35mm, 3.53mm, 4.09mm</p> <p>Application: Core wire for aluminium conductor</p> <p>Ref Std: IS 398(Part II) : 1996 & IS 398(Part V) : 1992</p>
6.	A.C.S.R. Core Wire Strand		<p>Aluminium conductor steel-reinforced Wire consists of stranded steel core surrounded by strands of Aluminium. The core can be single wire or stranded depending on the size and the type of conductor. ACSR Core Wire Strand is best suited for transmission lines with long spans</p> <p>Purpose: Used in Electrical Industry in manufacturing of cables and conductors</p> <p>Sizes/Variations: 7/1.57mm, 7/2.11mm, 7/3.0mm, 7/3.18 mm, 7/3.35mm, 7/3.53mm</p> <p>Application: Core wire for aluminium conductor</p> <p>Ref Std: IS 398(Part V) : 1992</p>
7.	HCGS Core Wire		<p>HCGS Core wire is used in making aluminum conductor by twisting aluminum wire round HCGS core wire. It is manufactured from medium carbon steel wire rod to give sufficient tensile strength with ductility to withstand the load of the conductor. Tensile strength.</p> <p>Purpose: Used in electrical industry in manufacturing of cables & conductors.</p> <p>Variations: 1.68mm, 2.38mm, 2.68mm, 3.37mm, 3.47mm, 4.77mm</p> <p>Application: Core wire for aluminium conductor</p> <p>Ref Std: ASTM B498 Class A Coating</p>

8.	Cotton Baling Wire		<p>Cotton Baling Wire made of Galvanized Steel wire has multiple uses. This wire is used for packaging all types of expanding fibrous material cotton, synthetic fiber, wool etc. It has features like Durable, good abrasion resistant, good corrosion resistance, high toughness and high elongation. Economical, Fit for heavy task. Purpose: Used for Binding, supporting, fixing and mending in Textile Industry. Sizes/Variations:3.15mm to 3.66mm Application: Cotton baling industry Ref Std: As per customer specification</p>
9.	Spring Steel Wire		<p>Spring steel is used in the manufacture of products prominently used in automotive and industrial suspension applications like Roller Bearings, Braiding Hoses, Brushes, Chains, Conveyor Belts, Filters, Free Cutting Wires, Fasteners, Screws, Bolts, Needles, Spokes, Wire Mesh etc. These steels are generally medium-carbon steel or high-carbon steel with a very high yield strength. This allows objects made of spring steel to return to their original shape despite significant deflection or twisting. Purpose: Used in Automotive and Industrial Applications Sizes/Variations:2.00mm to 7.01mm Application: Heavy duty springs and wire-netting Ref Std: IS 4454(Part I) : 2001</p>
10.	Indented P.C. Wire		<p>Indented PC Wires are the kind of high carbon and high tensile steel wire whose surface is indented. The shape of the indented surface can be round, ellipse, rhombus, etc. These wires are used for concrete structures. These are widely used in many fields, such as crane beams, cement poles, pre stressed concrete, pressure pipe, high-rise buildings and houses, etc. The advantages of Indented PC Wire are that: It improves the bond strength between pre-stressed steel wire and concrete, Reduces the frictional losses between pre-stressed wire and concrete and Increases the anchorage efficiency Purpose: Used for Concrete Structures Sizes/Variations:4.00mm Application: Concrete pole for electricity distribution Ref Std: IS 6003 : 2010</p>

11.	Barbed Wire		<p>Barbed wire is made from soft quality G.I. wire with automatic twist machine. Barbed wire is a kind of fencing wire worked with prickly points or edges set at separations along the strings. These points are razor sharp. It is made to build an economical fence and is connected to the highest point of walls that encompass the sheltered estate. It's additionally a vital attribute in the defense. These wires are used to contain animals on farms. Prisons commonly run Barbed wire fencing. Protection is a key reason to have a barbed wire fence.</p> <p>Purpose: Used for fencing Sizes/Variations: 2.00x2.00mm to 2.50mmx2.50mm(Grade A1 to A6) Application: Fencing and anti climbing device in electricity transmission tower Ref Std: IS 278 : 2009</p>
12.	Umbrella Rib Wire		<p>Umbrella Rib Wire is manufactured from medium carbon quality steel. These wires find its applications in umbrella making units, wherein the umbrella structures are made from these wire upon which umbrella cloth is stiched. The product is highly customized and is made as per customer's specifications</p> <p>Purpose: Used in manufacturing of Umbrella Sizes/Variations: 1.70mm to 2.10mm Application: Umbrella flat and round wire Ref Std: As per customer specification</p>
13.	Rolling Shutter Wire		<p>This wire as the name suggests goes in for making of the springs for manufacturing Rolling Shutter. Rolling shutter wires is made from high carbon, high tensile steel to give Ultimate Tensile Strength (UTS) and spring property. The products are highly durable and Corrosion resistant</p> <p>Purpose: Used in Shutter manufacturing Industry Sizes/Variations: 7 SWG (4.47mm) to 2 SWG (7.01mm) Application: Rolling Shutter Spring Ref Std: As per customer specification</p>

OUR MANUFACTURING PROCESS

A) PROCESS FLOW CHART FOR WIRE DRAWING

General Wire Drawing:

➤ **Procurement of Raw Material and Inspection**

The raw materials i.e. Steel wire rod is procured from various steel vendors. The wire rod used for manufacturing steel wire are usually made of high carbon steel. The wire rods are then subjected to in-house testing carried out at well-equipped laboratories to verify their chemical composition, size, breaking load etc. The selection of the steel wire rod based on the test certificate is made depending on the end use or the purpose for which the steel wire is made

➤ **De-Scaling**

The De-scaling process removes surface scales comprising of iron oxides and other impurities of wire rod and other impurities. De-scaling is done in line. The coils of wire rods are passed through sets of rollers fitted in different position in a de-scaling unit.

➤ **Borax Coating**

Scale free coils of wire rod is first rinsed in water bath, where the coils of wire rods are automatically transported from one bath to another and held for pre-determined time in each bath. They are then passed through borax bath maintaining bath strength of 20 – 30 % and bath temperature at 60-70°C.

➤ **Drying**

Finally coils of wire rod are dried by passing through heat chamber where hot air is blown on the surface of the coils.

➤ **Wire Drawing – Spooling/Coiler**

The process of wire drawing consists of pulling a metal wire through a small circular opening called a die. This process results in deformation with a reduction in its cross sectional area. The pulling force is dependent on the strength of the material and degree of reduction. The wire is inserted through the Die positioned in the Die Box of the first Wire Drawing Machine. The end of the wire inserted through the Die is fastened to a locking device attached to the drum. The drum is set into the rotational motion by the push bottom starter. The end of wire fastened to the block attached to the drum gets pulled & coiled around the Drum. Since the wire is getting pulled through the Die having higher inlet Diameter and lower outlet Diameter, the drawn wire Diameter gets reduced. The Benefits of wire drawing are improving the finished surface and removing scale from the rod, improving tensile strength in the finished material, providing more consistent round shape of the material.

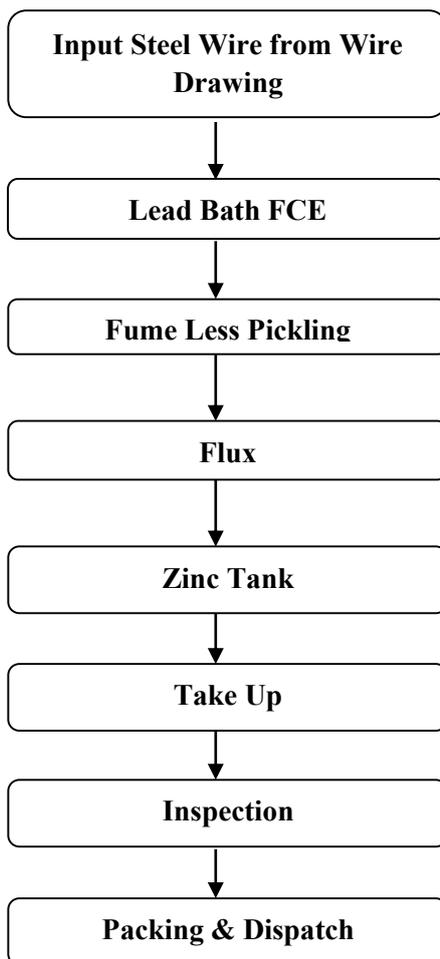

Thereafter, the starting end of the drawn wire is released from the lock of the first drum, is passed through the overhead loop and continuous pulley on the Drum and brought down and inserted through the Die of the second Drum and drawn through the die for further reduction. Thus the wire is drawn through all the wire drawing drums of a set in continuous manner to get the required finished diameter of wire.

➤ **Final Testing, Inspection and Dispatch**

When one bundle of raw material finishes, the machine will be stopped and the end is welded to one end of another fresh bundle by the welding machine and the process continues. Even in case of accidental snapping of wire between any of the drums, the snapped ends are welded by the help of the welding machine for continuous processing.

Finally, the coil of wire is taken from finish drum by stripper or from spooling machine and is tested for diameter, breaking load, elongation, torsion, wrapping. Upon satisfactory quality report, the drawn wire is ready to dispatch or to galvanizing

B) PROCESS FLOW CHART FOR HOT GALVANIZING

STEPS INVOLVED IN HOT GALVANIZING: -

➤ **Input Steel Wire from Wire Drawing**

Galvanizing is the process of Coating Zinc on Steel surface to protect the drawn steel from Corrosion Wear.

➤ **Lead Bath Annealing FCE:**

A molten lead bath is maintained at a temperature of 700 degree Centigrade by heating in a FCE with Furnace Oil released from the pay offs passes smoothly through this molten lead bath. The lead bath contains above 40MT molten lead. During this process the wires get heated up to 700 degree Centigrade and gets soft which is required for the purpose the wire will be used. The lead bath is 7 Mtrs long, so that the time is enough for softening wire to the desired Mechanical and Metallurgical properties required by the customer.

➤ **Fume Less Pickling**

As the wire is heated to 700 degree Centigrade, a scale is formed on the surface of the wire which is required to be removed completely; otherwise zinc will not react with the steel. So it is very much necessary to remove the scale layer. For this, we have put an on-line fumeless pickling system. Here wire is first cooled by spraying water and then passed through a solution of Hydrochloric Acid maintained at strength of 16 to 20%. The acid reacts with the scale and the wire gets completely cleaned during the course of its passage through the acid tanks. In the fumeless pickling process, we have one cooling tank, two acid tanks and one wash tank. When the wire comes out of these tanks the wire is absolutely clean and has got no scale on its surface.

➤ **Flux:**

In case of Hot Dip galvanizing as the wire has come out of acid it requires to be coated with some chemical so that air cannot attack the steel surface again. A hot solution maintained at 60°C and containing mixture of zinc chloride and ammonium chloride is used and the wire passes through this solution. A hot plate around 150° C dries up the wire completely so that the dry wire enters the Zinc bath.

➤ **Zinc Tank:**

A tank containing about 30T Zinc is melted in a furnace and maintained at 450 – 460°C. The furnace is heated by Furnace Oil. Wire passes at a particular speed through this molten Zinc. During the passage the Wire (steel) reacts with molten Zinc and layers of alloy of Fe-Zinc and pure Zinc is formed on the surface of the wire. These layers protect the steel from corrosion. Excess Zinc is then wiped out from the surface and smooth wire comes out of zinc bath.

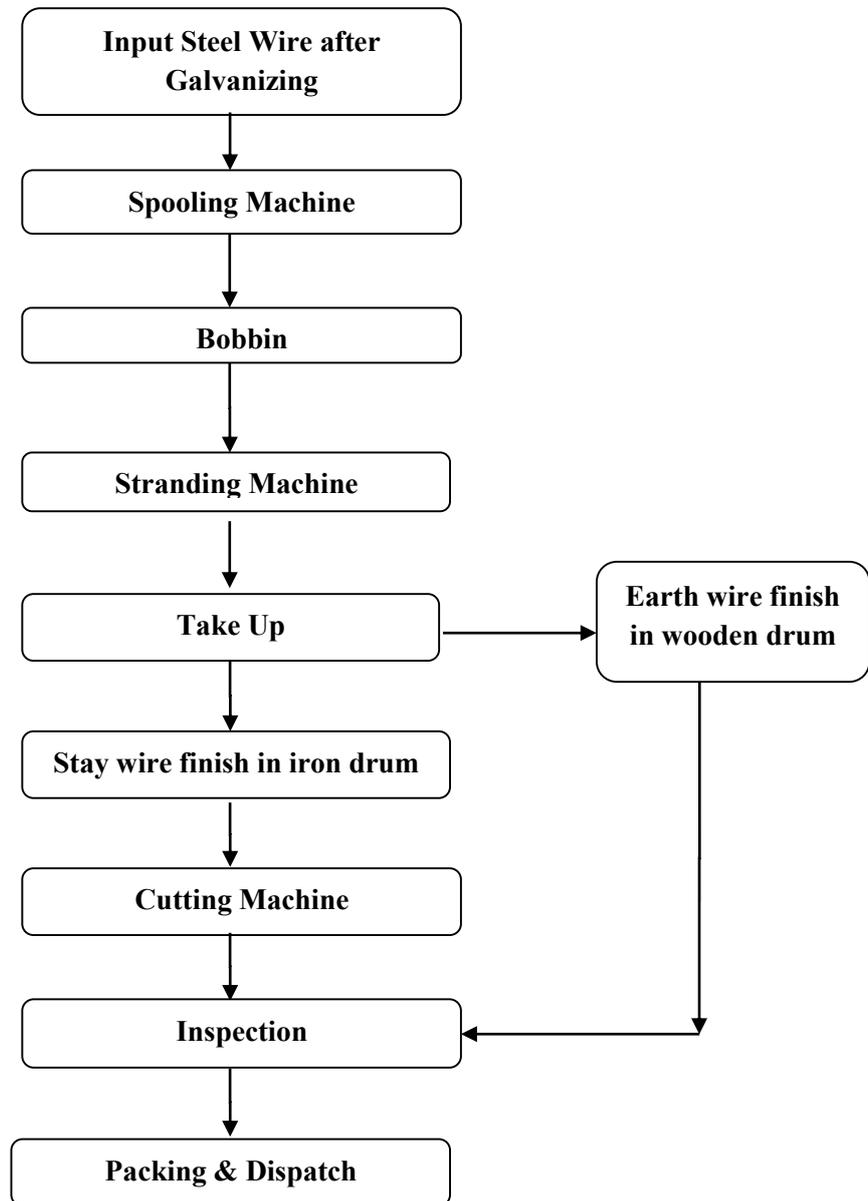

➤ **Take up:**

The wire is then quenched by dipping in cold water and taken on rotating take ups. The final product is in coils of specific weight as per order from customers

➤ **Final Testing**

In order to guarantee high quality required by customers, the galvanized coils of wire are tested in house laboratory for diameter, breaking load, elongation, torsion, wrapping, zinc coating weight, dip test, adhesion test, surface finish, D.C. resistance test. After conforming to quality standard the coils are ready to dispatch or go to stranding for stay wire and earth wire or barbing.

C) PROCESS FLOW CHART FOR STRANDING

STEPS INVOLVED IN STRANDING: -

The Galvanized steel wires are further processed for manufacturing Stranded Wire.

➤ **Spooling**

One coil after galvanizing is put in to charkha. Iron bobbin is put into spooling machine. Bobbin rotates in spooling machine and wire from coil in charkha is transferred to bobbin. In this way seven coils after galvanizing are transferred to bobbin for making 7 ply stranded wire.

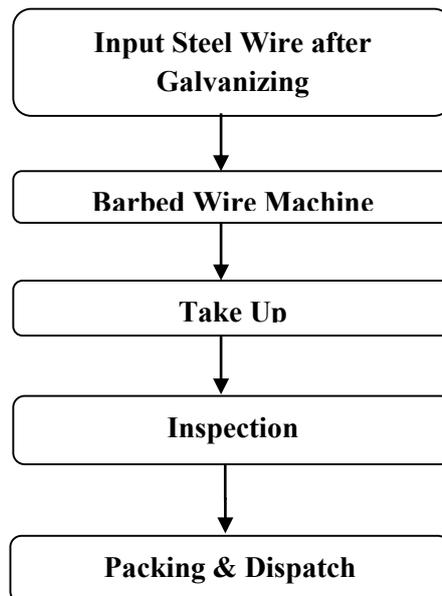

➤ **Stranding**

For 7 ply stranded wire, out of seven bobbins with galvanized wire, six bobbins are put into six cradles of stranding machine tube and one bobbin is put on stand just in front of stranding machine tube. Six wires from six bobbins and one wire from stand forming six outer wires and one core wire are twisted together to make 7 ply stranded wire. This stranded wire is finally transferred to iron drum for stay wire and to wooden drum for Earth wire. Earth wire is finished in wooden drum covered with HDPE sheet. After putting wooden lagging and binding wire, the wooden drum with earth wire is ready to dispatch.

➤ **Cutting**

Stay wire in iron drum is put into pay off. Take up of cutting machine rotates and the stay wire from iron drum is transferred to take up. The stay wire after cutting to required length is tied with wire and is taken out from take up. The stay wire is now ready for packing and dispatch.

B) PROCESS FLOW CHART FOR BARBING

STEPS INVOLVED IN BARBING: -

The Galvanized steel wires are further processed for manufacturing barbed wire. In the process 4(Four) galvanized coils are put into 4 charkhas of barbed wire machine at a time. 2(Two) coils are making line wire and 2(Two) coils are making point wire. The take up rotates. 2 (Two) line wires move all along and 2(Two) point wires from two sides make the barbs on line wire after specified interval. Ultimately the barbed wire is wound on take up. The barbed wire is taken out from take up and is ready to dispatch.

HEALTH, SAFETY AND ENVIRONMENT

Safety and environmental protection, together with quality and operating efficiency, are among our key success factors of any organization. The prevention of accidents is one of our foremost priorities. Whether in the workplace

or outside it, every accident is preventable and every risk can be lowered. Management at all levels of the organization is responsible for creating the framework and implementing measures to promote awareness of safety and environmental issues. The implementation of our safety and environmental policy and the compliance with regulations is taken care at all levels of the organization. The safety goals and programs are developed as part of the medium-term planning process and regularly reviewed. Management evaluates the safety and environmental protection system and identifies any corrective measures to be taken. To help ensure effective implementation of our safety policies and practices, we identify potential hazards, evaluate all material risks and institute, implement and monitor appropriate risk mitigation measures. We endeavor to minimize any accidents at our manufacturing facilities.

PLANT & MACHINERY: -

Some of the major Plant and Machinery installed in our manufacturing units are: 5 Blocker Wire Drawing Machine, 6 Blocker Wire Drawing Machine, Hot Dip Galvanizing Plant, 8 Blocker Wire Drawing Machine, 7 Blocker Wire Drawing Machine, 10 Blocker Wire Drawing Machine, 11 Blocker Wire Drawing Machine, (2+1) Stranding Machine, (6+1) Stranding Machine, Coil Cutting Machine, Barbed Wire Machine, Rewinding machine, Effluent Treatment Plant, Weigh Bridge, Butt Welding Machine, Pointing Machine, Die Polishing Machine, Needle Grinder

COLLABORATIONS/TIE UPS/ JOINT VENTURES: -

Except as disclosed in this Draft Prospectus and normal course of business, we do not have any Collaboration/Tie Ups/ Joint Ventures as on date.

EXPORT OBLIGATION:

Our Company does not have any export obligation as on the date of this Draft Prospectus.

SALES AND MARKETING: -

Our Company has actively participated in all various exhibitions organized by the State and Central Government along with those organized by the association like ELECRAMA 2018, ENERGIZE EMPOWER EAST. The exhibitions and fair gives us a platform to exhibit our products. Participation in seminars and fairs have given boost to our products and ultimately to the company as a whole. We have been focusing on supplying our products to government entities, which are undertaken through bidding process. Further our clientele base constitutes customers of diverse sectors encompassing various industries like Turnkey projects, Power Distribution and Transmission Companies, Infrastructure works etc both in public and private sector. Our products are also procured through sub contracting process by various companies, where in they buy the steel wires from our company, further needed in their manufacturing and development activities.

We sell our products primarily under sales contracts and purchase orders on various terms with our customers and are Obligated to deliver products according to a pre-agreed price and schedule during the term of the contract or purchase order. Our Pricing policies depend on changing credit policies, introducing trade discounts etc. We grant certain customers credit terms on the basis of the reputation of the customers and their previous credit record with our Company.

Revenue from Operations from our different products

MARKETING STRATEGY: -

We employ a very customer-driven approach to business development that is strongly oriented to the customer's specifications and satisfaction. We intend to focus on following marketing strategies:

1. Focus on existing markets.
2. To expandour existing distribution baseby reaching out to other geographical areas.
3. Supply of Quality Products.
4. Fulfillment of Ordered Quantity at scheduled delivery time.

Our Top Customers for the period ended January 31, 2018 are as follows:

COMPETITION: -

Our Industry is fragmented consisting of large established players and small niche players. Our Company is well placed, well informed and well trained to assist clients in overall delivery. We have a number of competitors offering products and services similar to us. We believe the principal elements of competition in our industry are price, durability and overall product quality, timely delivery and reliability and most importantly our pace in keeping up with the required regulations and changing technology in the industry. We believe that our cost effective and integrated facilities, our focus on customer satisfaction and our reliability combined with our quality consciousness provides us with competitive advantage in many of our products. While these factors are key parameters in the client's decisions matrix in purchasing goods; product range, product quality and product price is often the deciding factor in most deals.

Some of our major competitors are:-

- Nirmal Wires Private Limited
- R.K. Wires Private Limited
- Geekay Wires Limited
- Bedmutha Industries Limited
- Precision Wires India Limited
- Ram Ratna Wires Limited

INFRASTRUCTURE & UTILITIES: -

Raw Materials: - We manufacture high quality galvanized steel wire and other wire products. The basic raw materials required for manufacturing steel wires are mild steel wire rods, medium and high carbon steel wire rods. Zinc Ingot are used for galvanizing the steel wire. The raw materials are procured from primary manufacturers as well as secondary manufacturers viz. Adhunik Industries Limited, Jindal Steel & Power Ltd., Shakambhari Ispat & Power Ltd, Electrosteels Steel Ltd, Visa Steel Limited and Tata Steel Ltd, Hindusthan Zinc Limited, Gavrill Metal Private Limited etc.

Depending on the international price as compared to the domestic price and other terms and conditions like delivery schedule, quality, size, we also import raw materials –from foreign countries, especially North Korea. However, raw materials are imported only when the prices are lower as compared to the domestic market. Total imports constitute 9.30% of our total purchases for the period ended January 31, 2018.

Our Top Suppliers for the period ended January 31, 2018 are as follows:

Power:-The requirement of power for our operations, like power for lighting and operating the machinery/equipment is sourced from West Bengal State Electricity Distribution Company Limited. The Company avails the total sanctioned load of approx 2000 KVA. To support its manufacturing activities the Company also uses DG Sets.

Water:- West Bengal is a state where ground water is sufficiently available. Our current water consumption at our manufacturing unit is sourced from Private Water Suppliers and from Borewell. It is used for our manufacturing processes for rinsing and cooling stages in the pickling and drawing process. Our Company has water treatment plant, wherein the acidic waste water is treated and recycled for further usage.

Utilities: The plant of the company is well connected with National Highway 6. There is no problem about the transportation. Our offices are well equipped with computer systems, internet, connectivity, other communication equipment, security and other facilities, which are required for smooth functioning of the company.

Human Resource: -

As on March 31, 2018, we have employed total 285 full-time employees, including senior management, at our location. We have employed a prudent mix of the experienced staff and youth which gives us the dual advantage.

Category	No of Employees
Sales & Marketing	9
Office & Admin	55

The Labours of our Manufacturing units are associated with two trade unions namely Casual Shramik Union for Manufacturing Unit I and Howrah Metal and Engineering Workers’ Union for Manufacturing Unit II. The unions are specifically related to workers for protection of rights of workers under various labour laws applicable to our manufacturing facilities.

INSURANCE: -

The details of insurance policies presently taken by our Company are tabulated below:-

In addition to above the goods in transit of the company being exported out of india under Export Pre-shipment credit limit sanctioned by its bankers are covered under 'ECIB (WTPC) policy' insurance through ECGC Limited at the rate of 6 paise per thousand.

Further the company has also taken 'Standard Fire and Special Perils [Material Damage]' insurance for two flats having address Flat No. 9C and 5C both situated at Block 5, 9th Floor, FLOOR CASTLE, 74, Maulana Abdul Kalam Azad, Sarani, Phoolbagan, Kolkata through SBI General insurance having sum insured of Rs 93 lacs and Rs 90 lacs respectively. Though the flat 9C is company's investment and Flat 5C belong to its group company R A Comptech Investment and Consultant P Ltd, but since these flats comprise part of collateral security from banks namely State Bank of India and Karnataka Bank Ltd against cash credit limits sanctioned to the company by these bankers in consortium, the company has taken insurance of these flats.

A. INDUSTRIAL LAWS

The Bureau of Indian Standards Act, 2016

A new Bureau of Indian standards (BIS) Act 2016, has replaced Bureau of Indian standards (BIS) Act of 1986 and was notified on March 22, 2016, was brought into force with effect from October 12, 2017. The Act establishes BIS as the National Standards Body of India. The Act has enabling provisions for the Government to bring under compulsory certification regime any goods or article of any scheduled industry, process, system or service which it considers necessary in the public interest or for the protection of human, animal or plant health, safety of the environment, or prevention of unfair trade practices, or national security. Enabling provisions have also been made for making hallmarking of the precious metal articles mandatory. The new Act also allows multiple type of simplified conformity assessment schemes including self-declaration of conformity against a standard which will give simplified options to manufacturers to adhere to the standards and get certificate of conformity. The Act enables the Central Government to appoint any authority/agency, in addition to the BIS, to verify the conformity of products and services to a standard and issue certificate of conformity. Further, there is provision for repair or recall, including product liability of the products bearing Standard Mark but not conforming to the relevant Indian Standard.

B. CORPORATE AND COMMERCIAL LAWS

The Companies Act, 2013

The Companies Act, 2013, has replaced the Companies Act, 1956 in a phased manner. The Act received the assent of President of India on August 29, 2013.

The Companies Act primarily regulates the formation, financing, functioning and restructuring of separate legal entity as companies. The Act provides regulatory and compliance mechanism regarding all relevant aspects including organizational, financial and managerial aspects of companies. The provisions of the Act state the eligibility, procedure and execution for various functions of the company, the relation and action of the management and that of the shareholders. The law laid down transparency, corporate governance and protection of shareholders & creditors. The Companies Act plays the balancing role between these two competing factors, namely, management autonomy and investor protection.

Competition Act, 2002

The Competition Act, 2002 came into effect on June 01, 2011 and has been enacted to “prohibit anti competitive agreements, abuse of dominant positions by enterprises” and regulates “combinations” in India. The Competition

Act also established the Competition Commission of India (the “CCI”) as the authority mandated to implement the Competition Act. The Act prohibits Combinations which are likely to cause an appreciable adverse effect on competition in a relevant market in India. The CCI may enquire into all combinations, even if taking place outside India, or between parties outside India, if such combination is likely to have an appreciable adverse effect on competition in India.

Indian Contract Act, 1872

Indian Contract Act codifies the way we enter into a contract, execute a contract, implementation of provisions of a contract and effects of breach of a contract. The Act consists of limiting factors subject to which contract may be entered into, executed and breach enforced as amended from time to time. It determines the circumstances in which promise made by the parties to a contract shall be legally binding on them.

Standards of Weights and Measures Act, 1976

This Legislation and the rules made there under apply to any packaged commodity that is sold or distributed. It provides for standardization of packages in specified quantities or numbers, in which the manufacturer, packer or distributor shall sell, distribute or deliver some specified commodity to avoid undue proliferation of weights, measures or number in which such commodities may be packed. The Act regulates interstate trade and commerce in weights and measures and commodities sold, distributed or supplied by weights or measures, pre-packed commodities sold or intended to be sold in the course of inter-state and commerce, inspection of weighing and measuring instruments during their use to prevent fraudulent practices. The act provides provisions for search, seizure and prosecution. Any person intending to pre-pack or import any commodity for sale, distribution or delivery has to make an application to the Director of Legal Metrology for registration.

The Legal Metrology Act 2009

The Legal Metrology Act, 2009 (“LMA”) provides for establishing uniform standards of weights and measures, regulate trade in weights, and other goods which are sold or distributed by weight, measure or number. Every manufacturer, repairer and seller shall have to obtain a license from the respective Controller. The Act allows Govt. approved test centers to verify weights and measures.

The Consumer Protection Act, 1986

The Consumer Protection Act provides better protection to the interests of consumers. This is enabled with the establishment of consumer councils and other authorities for the settlement of consumers’ disputes and matters connected therewith. The Consumer Protection Act protects the consumers against any unfair/restrictive trade practice that has been adopted by any trader or service provider or if the goods purchased by him suffer from any defect or deficiency. In case of consumer disputes, the same can be referred to the redressal forums set up under the Act.

Negotiable Instruments Act, 1881

In India, any negotiable instruments such as cheques are governed by this Act, Section 138 of the Act, makes dishonor of cheques a criminal offence if the cheque is dishonored on the ground of insufficiency of funds in the account maintained by a person who draws the cheque which is punishable with imprisonment as well as fine.

The Registration Act, 1908 (“Registration Act”)

The Registration Act was passed to consolidate the enactments relating to the registration of documents. The main purpose for which the Registration Act was designed was to ensure information about all deals concerning land so that correct land records could be maintained. The Registration Act is used for proper recording of transactions relating to other immovable property also. The Registration Act provides for registration of other documents also, which can give these documents more authenticity. Registering authorities have been provided in all the districts for this purpose.

Indian Stamp Act, 1899 (the “Stamp Act”)

Under the Indian Stamp Act, 1899 (the “Stamp Act”) stamp duty is payable on instruments evidencing a transfer or creation or extinguishment of any right, title or interest in immovable property. Stamp duty must be paid on all instruments specified under the Stamp Act at the rates specified in the schedules to the Stamp Act. The applicable rates for stamp duty on instruments chargeable with duty vary from state to state. Instruments chargeable to duty under the Stamp Act, which are not duly stamped, are incapable of being admitted in court as evidence of the transaction contained therein and it also provides for impounding of instruments that are not sufficiently stamped or not stamped at all.

The Arbitration and Conciliation Act, 1996

This act was enacted by Parliament in the Forty-seventh Year of the Republic of India to consolidate and amend the law relating to domestic arbitration, international commercial arbitration and enforcement of foreign arbitral awards as also to define the law relating to conciliation.

The Insolvency and Bankruptcy Code, 2016

The Insolvency and Bankruptcy Code, 2016 (the “code”) cover Insolvency of individuals, unlimited liability partnerships, Limited Liability partnerships (LLPs) and companies. The Insolvency Regulator (The Insolvency and Bankruptcy Board of India) has been established to exercise regulatory oversight over (a) Insolvency Professionals, (b) Insolvency Professional Agencies and (c) Information Utilities

C. LABOUR AND EMPLOYMENT LAWS

The Micro, Small and Medium Enterprises Development Act, 2006 r/w Industries (Development and Regulation) Act, 1951

The Act provides for facilitating the promotion and development and enhancing the competitiveness of micro, small and medium enterprises. The Central Government is empowered to classify by notification, any class of enterprises including inter-alia, a company, a partnership, firm or undertaking by whatever name called, engaged in the manufacture or production of goods pertaining to any industry specified in the First Schedule to the Industries (Development and Regulation) Act, 1951 as: (i) a micro enterprise, where the investment in plant and machinery does not exceed Rs. 25,00,000/- (Rupees Twenty Five Lakhs Only) (ii) a small enterprise, where the investment in plant and machinery is more than Rs. 25,00,000/- (Rupees Twenty Five Lakh Only) but does not exceed Rs. 5,00,00,000/- (Rupees Five Crores Only); or (iii) a medium enterprise, where the investment in plant and machinery is more than Rs. 5,00,00,000/- (Rupees Five Crores Only) but does not exceed Rs. 10,00,00,000/- (Rupees Ten Crores Only). The MSMED Act inter-alia stipulates that any person who intends to establish, a micro or small enterprise or a medium enterprise engaged in rendering of services, may at his discretion and a medium enterprise engaged in the manufacture or production of goods as specified hereinabove, file a memorandum of micro, small or medium enterprise, as the case may be, with the prescribed authority.

Industrial (Development and Regulation) Act, 1951

This Act has been liberalized under the New Industrial Policy dated July 24, 1991, and all industrial undertakings have been made exempt from licensing except for certain industries such as distillation and brewing of alcoholic drinks, cigars and cigarettes of tobacco and manufactured tobacco substitutes, all types of electronic aerospace and defense equipment, industrial explosives including detonating fuses, safety fuses, gun powder, nitrocellulose and matches and hazardous chemicals and those reserved for the small scale sector. An industrial undertaking, which is exempt from licensing, is required to file an Industrial Entrepreneurs Memorandum (“IEM”) with the Secretariat for Industrial Assistance, Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India, and no further approvals are required.

Factories Act, 1948

The Factories Act, 1948 (“Factories Act”) seeks to regulate labour employed in factories and makes provisions for the safety, health and welfare of the workers. The term ‘factory’, as defined under the Factories Act, means any

premises which employs or has employed on any day in the previous 12 (twelve) months, 10 (ten) or more workers and in which any manufacturing process is carried on with the aid of power, or any premises wherein 20 (twenty) or more workmen are employed at any day during the preceding 12 (twelve) months and in which any manufacturing process is carried on without the aid of power. An occupier of a factory under the Factories Act, means the person who has ultimate control over the affairs of the factory. The occupier or manager of the factory is required to obtain a registration for the factory. The Factories Act also requires inter alia the maintenance of various registers dealing with safety, labour standards, holidays and extent of child labour including their conditions. Further, notice of accident or dangerous occurrence in the factory is to be provided to the inspector by the manager of the factory. State Government sets out rules in respect of the prior submission of plans, their approval for the registration of the establishment, and licensing of factories.

Minimum Wages Act, 1948

The State Governments may stipulate the minimum wages applicable to a particular industry. The minimum wages generally consist of a basic rate of wages, cash value of supplies of essential commodities at concession rates and a special allowance, the aggregate of which reflects the cost of living index as notified in the Official Gazette. Workers are to be paid for overtime at overtime rates stipulated by the appropriate State Government. Any contravention may result in imprisonment of upto six months or a fine of upto ₹500.

Payment of Wages Act, 1936

The Payment of Wages Act applies to the persons employed in the factories and to persons employed in industrial or other establishments where the monthly wages payable to such persons is less than Rs10,000/-. The Act confers on the person(s) responsible for payment of wages certain obligations with respect to the maintenance of registers and the display in such factory/establishment, of the abstracts of this Act and Rules made there under.

Employees' Compensation Act, 1923

The Employee's Compensation Act, 1923 has been enacted with the objective to provide for the payment of compensation by certain classes of employers to their workmen or their survivors for industrial accidents and occupational diseases resulting in the death or disablement of such workmen. The Act makes every employer liable to pay compensation in accordance with the Act if a personal injury/disablement/loss of life is caused to a workman (including those employed through a contractor) by an accident arising out of and in the course of his employment. In case the employer fails to pay compensation due under the Act within one month from the date it falls due, the Commissioner may direct the employer to pay the compensation amount along with interest and may also impose a penalty.

The Employees State Insurance Act, 1948

All the establishments to which the Employees State Insurance (ESI) Act applies are required to be registered under the Act with the Employees State Insurance Corporation. The Act applies to those establishments where 20 or more persons are employed. The Act requires all the employees of the factories and establishments to which the Act applies to be insured in the manner provided under the Act. Further, employer and employees both are required to make contribution to the fund. The return of the contribution made is required to be filed with the ESI department.

Payment of Gratuity Act, 1972

Gratuity is a lump sum payment made by an employer as the retrial reward for his past service when his employment is terminated. The provisions of the Act are applicable on all the establishments in which ten or more employees were employed on any day of the preceding twelve months and as notified by the government from time to time. The Act provides that within 30 days of opening of the establishment, it has to notify the controlling authority in Form A thereafter whenever there is any change it the name, address or in the change in the nature of the business of the establishment a notice in Form B has to be filed with authority. An employee who has been in continuous service for a period of five years will eligible for gratuity upon his retirement, superannuation, death or disablement. The maximum amount of gratuity payable shall not exceed ₹3.50 Lakhs. Further, every employer

has to obtain insurance for his liability towards gratuity payment to be made under payment of Gratuity Act 1972, with Life Insurance Corporation or any other approved insurance fund.

Payment of Bonus Act, 1965

The Payment of Bonus Act, 1965 is applicable to every establishment employing 20 or more employees. Under the said Act an employee in a factory who has worked for atleast 30 working days in a year is eligible to be paid bonus. The minimum bonus to be paid to each employee is 8.33% of the salary or wage or ₹100, whichever is higher, and must be paid irrespective of the existence of any allocable surplus. If the allocable surplus exceeds minimum bonus payable, then the employer must pay bonus proportionate to the salary or wage earned during that period, subject to a maximum of 20% of such salary or wage. Contravention of the Act by a company will be punishable by proceedings for imprisonment upto six months or a fine upto ₹1,000 or both against those individuals in charge at the time of contravention of the Payment of Bonus Act. It further requires for the maintenance of certain books and registers and submission of Annual Return in the prescribed form (FORM D) within 30 days of payment of the bonus to the Inspector.

The Employees Provident Fund and Miscellaneous Provisions Act, 1952 (“Act”) and the schemes formulated there under (“Schemes”)

The Employees Provident Funds and Miscellaneous Provisions Act, 1952 ("EPF Act") was introduced with the object to institute compulsory provident fund for the benefit of employees in factories and other establishments. The EPF Act provides for the institution of provident funds and pension funds for employees in establishments where more than 20(twenty) persons are employed and factories specified in Schedule I of the EPF Act. Under the EPF Act, the Central Government has framed the "Employees Provident Fund Scheme", "Employees Deposit-linked Insurance Scheme" and the "Employees Family Pension Scheme". Liability is imposed on the employer and the employee to contribute to the funds mentioned above, in the manner specified in the statute. There is also a requirement to maintain prescribed records and registers and filing of forms with the concerned authorities. The EPF Act also prescribes penalties for avoiding payments required to be made under the abovementioned schemes.

Industrial Disputes Act, 1947

The Industrial Disputes Act, 1947 (“Industrial Disputes Act”) provides for mechanism and procedure to secure industrial peace and harmony by investigation and settlement of industrial disputes by negotiations. The Industrial Disputes Act extends to whole of India and applies to every industrial establishment carrying on any business, trade, manufacture or distribution of goods and services irrespective of the number of workmen employed therein. Every person employed in an establishment for hire or reward including contract labour, apprentices and part time employees to do any manual, clerical, skilled, unskilled, technical, operational or supervisory work, is covered by the Act. The Act also provides for (a) the provision for payment of compensation to the Workman on account of closure or layoff or retrenchment. (b) the procedure for prior permission of appropriate Government for laying off or retrenching the workers or closing down industrial establishments (c) restriction on unfair labour practices on part of an employer or a trade union or workers

The Trade Unions Act 1926

This Act was promulgated in the year 1926 which became effective from June 1, 1927 to provide for a law relating to registration of trade unions and for defining rights, objects, and duties of registered trade unions vis-à-vis regulation of registered trade unions in India. This law extends to whole of India.

The Equal Remuneration Act, 1976 and Equal Remuneration Rules, 1976

The Constitution of India provides for equal pay for equal work for both men and women. To give effect to this provision, the Equal Remuneration Act, 1976 was implemented. The Act provides for payment of equal wages for equal work of equal nature to male or female workers and for not making discrimination against female employees in the matters of transfers, training and promotion etc.

The Maternity Benefit Act, 1961

The purpose of Maternity Act 1961 is to regulate the employment of pregnant women and to ensure that they get paid leave for a specified period during and after their pregnancy. It provides inter-alia for payment of maternity benefits, medical bonus and enacts prohibition on dismissal, reduction of wages paid to pregnant women etc. It applies in the first instance, to every establishment being a factory, mine or plantation including any such establishment belonging to Government and to every establishment wherein persons are employed for the exhibition of equestrian, acrobatic and other performances.

Apprentices Act, 1961

The Apprentices Act was enacted in 1961 for imparting training to apprentices i.e. a person who is undergoing apprenticeship training in pursuance of a contract of apprenticeship. Every employer shall make suitable arrangements in his workshop for imparting a course of practical training to every apprentice engaged by him in accordance with the programme approved by the apprenticeship adviser. The central apprenticeship adviser or any other person not below the rank of an assistant apprenticeship adviser shall be given all reasonable facilities for access to each apprentice with a view to test his work and to ensure that the practical training is being imparted in accordance with the approved programme.

Child Labour (Prohibition and Regulation) Act, 1986

This statute prohibits employment of children below 14 years of age in certain occupations and processes and provides for regulation of employment of children in all other occupations and processes. Under this Act, the employment of child labour in the building and construction industry is prohibited.

Every person, indented to engage in business, profession or trade is required to take license under the provisions of this Act. The Licence Department enacted under the Kolkata Municipal Corporation issues Certificate of Enlistment, by virtue of Chapter XIII containing Section 199(1) & 199(2) with provisos of KMC Act 1980. By virtue of the said section, Licence Department acts as the nodal department collecting fees/charges of co-lateral sections also.

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (“SHWW Act”)

The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 provides for the protection of women at work place and prevention of sexual harassment at work place. The Act also provides for a redressal mechanism to manage complaints in this regard. Sexual harassment includes one or more of the following acts or behaviour namely, physical contact and advances or a demand or request for sexual favours or making sexually coloured remarks, showing pornography or any other unwelcome physical, verbal or non-verbal conduct of sexual nature. The Act makes it mandatory for every employer of a workplace to constitute an Internal Complaints Committee which shall always be presided upon by a woman. It also provides for the manner and time

period within which a complaint shall be made to the Internal Complaints Committee i.e. a written complaint is to be made within a period of 3 (three) months from the date of the last incident. If the establishment has less than 10 (ten) employees, then the complaints from employees of such establishments as also complaints made against the employer himself shall be received by the Local Complaints Committee. The penalty for non-compliance with any provision of the SHWW Act shall be punishable with a fine extending to Rs 50,000/- (Rupees Fifty Thousand Only).

D. ENVIRONMENTAL LAWS

Environment Protection Act, 1986

The Environmental Protection Act, 1986 is an "umbrella" legislation designed to provide a framework for co-ordination of the activities of various central and state authorities established under various laws. The potential scope of the Act is broad, with "environment" defined to include water, air and land and the interrelationships which exist among water, air and land, and human beings and other living creatures, plants, micro-organisms and property.

Water (Prevention and Control of Pollution) Act, 1974, as amended

The **Water (Prevention and Control of Pollution) Act, 1974** prohibits the discharge of pollutants into water bodies beyond a given standard, and lays down penalties for non-compliance. The Water Act also provides that the consent of the State Pollution Control Board must be obtained prior to opening of any new outlets or discharges, which is likely to discharge sewage or effluent.

The Water (Prevention and Control of Pollution) Cess Act, 1977

Provides for the levy and collection of a cess on water consumed by persons carrying on certain industries and by local authorities, with a view to augment the resources of the Central Board and the State Boards for the prevention and control of water pollution constituted under the Water (Prevention and Control of Pollution) Act, 1974.

The Air (Prevention and Control of Pollution) Act, 1981

The **Air (Prevention and Control of Pollution) Act, 1981** requires that any individual or institution responsible for emitting smoke or gases by way of use as fuel or chemical reactions must apply in a prescribed form and obtain consent from the state pollution control board prior to commencing any activity. National Ambient Air Quality Standards (NAAQS) for major pollutants were notified by the Central Pollution Control Board in April 1994.

The Noise Pollution (Regulation & Control) Rules 2000 ("Noise Regulation Rules")

The Noise Regulation Rules regulate noise levels in industrial, commercial and residential zones. The Noise Regulation Rules also establish zones of silence of not less than 100 meters near schools, courts, hospitals, etc. The rules also assign regulatory authority for these standards to the local district courts. Penalty for non-compliance with the Noise Regulation Rules shall be under the provisions of the Environment (Protection) Act, 1986.

Hazardous and Other Wastes (Management and Trans boundary Movement) Rules, 2016.

In suppression of the Hazardous Wastes (Management, Handling and Trans boundary Movement) Rules, 2008 the Central Government has put in place Hazardous and Other Wastes (Management and Trans boundary Movement) Rules, 2016 with effect from April 4, 2016. These rules require that the occupier and the operator of the facility, that treats hazardous wastes, must properly collect, treat, store or dispose the hazardous wastes without adverse effects on the environment. The legislation has been enacted in order to include "other wastes" as well which may be produced indigenously during manufacturing and waste that are imported or exported from India. Under the new rules, manufacturers are made responsible to ensure proper treatment of hazardous waste in a manner which shall protect health and the environment against the adverse effects which may result from such waste.

E. TAX LAWS

Income Tax Act, 1961

As per the provisions of this Act the rates at which they are required to pay tax is calculated on the income declared by them or assessed by the authorities, after availing the deductions and concessions accorded under the Act. The maintenance of Books of Accounts and relevant supporting documents and registers are mandatory under the Act. Filing of returns of Income is compulsory for all assesses. The maintenance of Books of Accounts and relevant supporting documents and registers are mandatory under the Act.

West Bengal State Tax on Professions, Trades, Callings and Employments Act, 1979.

The Act came into force from 1st April 1979 and is levied on the person engaged in any profession, trade, calling or employment or any other category as mentioned in the schedule of the Act and the tax is levied as per Section 3 of the Act. Further, it imposes liability on the employer to deduct tax on the salary payable to the employee and pay to the credit of the government. The Act provide for registration, payment of tax and provisions for imposition of penalty in case of failure.

West Bengal State Tax on Professions, Trades, Callings and Employments Rules, 1979 deals with the procedural aspects of the Act and is applicable to the Company

The Central Goods and Services Tax Act, 2017

The Act received assent of the President on April 12, 2017 and came into force from July 01, 2017. Goods and Service Tax (GST) is an indirect tax levied on the supply of goods and services. This law has replaced many indirect tax laws that previously existed in India such as Service Tax, Central Excise Act, Entry Tax, Octroi, Additional Customs Duty and other draconian indirect taxes.

There are 3 taxes applicable under this system- CGST, SGST, IGST.

CGST: is collected by the Central Government on an intra-state sale;

SGST: Collected by the State Government on an intra-state sale;

IGST: Collected by the Central Government for inter-state sale.

Following laws which have been subsumed in GST Acts were applicable to the Company till 30th June 2017 and shall remain applicable here after as stated in the GST ACTS:

Central Excise Act, 1944 and Excise Regulations

The Central Excise Act, 1944 sought to impose an excise duty on excisable goods which are produced or manufactured in India. Excise duty was levied on production of goods but the Liability of excise duty arose only on removal of goods from the place of storage, i.e., factory or warehouse.

Central Sales Tax Act, 1956

Central Sales Tax ("CST") was levied in accordance with the Central Sales Tax Act, 1956 on movable goods sold in the course of inter-state trade or commerce. CST was payable by a dealer (i.e. a person who carries on the business of buying, selling, supplying or distributing goods) on his sales turnover at the rate prescribed in the VAT statute of the State from where the movement of the goods originate.

State laws governing Entry Tax

Entry Tax provides for the levy and collection of tax on the entry of goods into the local areas of the state for consumption, use or sale therein and matters incidental thereto and connected therewith. It was levied at such rate as may be specified by the State Government and different rates may be specified for different goods.

Service Tax, (the 'Finance Act, 1994')

Service tax was charged on taxable services as defined in Chapter V of Finance Act, 1994, which required a service provider of taxable services to collect service tax from a service recipient and pay such tax to the Government. There are other indirect taxes which are now subsumed under GST and these are Additional Duties of Excise, Cess, Purchase Tax, Taxes on advertisements.

Customs Act, 1962

The provisions of the Customs Act, 1962 and rules made there under are applicable at the time of import of goods i.e. bringing into India from a place outside India or at the time of export of goods i.e. taken out of India to a place outside India. Any Company requiring to import or export any goods is first required to get it registered and obtain an IEC (Importer Exporter Code).

F. FOREIGN REGULATIONS

The Foreign Trade (Development & Regulation) Act, 1992

The Foreign Trade (Development & Regulation) Act, 1992 [herein after FTA], provides for the development and regulation of foreign trade by facilitating imports into and augmenting exports from India and for matters connected therewith or incidental thereto. As per the provisions of the FTA, the Government: (i) may make provisions for facilitating and controlling foreign trade; (ii) may prohibit, restrict and regulate exports and imports, in all or specified cases as well as subject them to exemptions; (iii) is authorised to formulate and announce an export and import policy and also amend the same from time to time, by notification in the Official Gazette; (iv) is also authorised to appoint a 'Director General of Foreign Trade' for the purpose of the Act, including formulation and implementation of the Export-Import Policy. FTA read with the Indian Foreign Trade Policy inter-alia provides that no export or import can be made by a company without an Importer-Exporter Code number unless such company is specifically exempt. An application for an Importer-Exporter Code number has to be made to the office of the Joint Director General of Foreign Trade, Ministry of Commerce.

Foreign Exchange Management Act, 1999 (“the FEMA”) and Rules and Regulations thereunder

Export of goods and services outside India is governed by the provisions of the Foreign Exchange Management Act, 1999 (“FEMA”), read with the applicable regulations. The Foreign Exchange Management (Export of goods and services) Regulations, 2000 have been superseded by the Foreign Exchange Management (Export of Goods and Services) Regulations, 2015 ("Export of Goods and Services Regulations 2015") issued by the RBI on January 12, 2016 [last amended on June 23, 2017]. The RBI has also issued a Master Circular on Export of Goods and Services. The export is governed by these Regulations which make various provisions such as declaration of exports, procedure of exports as well as exemptions.

G. Intellectual Property Laws

The Trademarks Act, 1999 (“Trademarks Act”)

Under the Trademarks Act, a trademark is a mark capable of being represented graphically and which is capable of distinguishing the goods or services of one person from those of others used in relation to goods and services to indicate a connection in the course of trade between the goods and some person having the right as proprietor to use the mark. Section 18 of the Trademarks Act requires that any person claiming to be the proprietor of a trade mark used or proposed to be used by him, must apply for registration in writing to the registrar of trademarks. The right to use the mark can be exercised either by the registered proprietor or a registered user. The present term of registration of a trademark is 10 (ten) years, which may be renewed for similar periods on payment of a prescribed renewal fee.

ANNEXURE IV

RESTATED SUMMARY STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES AND OTHER NOTES

A. BACKGROUND

Kritika Wires Limited (Earlier known as Kritika Wires Private Limited) (“the Company”) was incorporated on May 31, 2004 under the provisions of Companies Act, 1956. Company has been in the business of manufacturing high quality galvanized steel wires and wire products and have been meeting the requirement of various clients in the government and private sectors like power, infrastructure, defense, railway and many more industries. The products manufactured by Company are used for transmission and distribution of Electricity, manufacturing of concrete slippers, poles, bridges and other infrastructure facilities. Further, the Company is also engaged in the production of wire drawing of high carbon, low carbon and alloy steel and also doing various types of wire processing like galvanizing, stranding or barbing of steel wires to introduce more diversified range of products on the basis of demand and our production capacity

B. SIGNIFICANT ACCOUNTING POLICIES

(1) Basis of preparation

The Restated Summary Statement of Assets and Liabilities of the Company in Annexure I as at January 31, 2018, March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 and the Restated Summary Statement of Profit and Loss in Annexure II and the Restated Summary Statement of Cash Flows in Annexure III for the ten months period ended January 31, 2018, March 31, 2017, March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 along with Notes-1 to 34 (collectively referred to as the “Restated Summary Financial Information”) have been prepared specifically for the purpose of inclusion in the offer document to be filed by the Company with the Emerge Platform of National Stock Exchange (“NSE”), Registrar of Companies (“ROC”), as may be required in connection with the proposed SME Initial Public Offering (“IPO”).

The Restated Summary Financial Information have been extracted by the management from audited financial statements of the Company for respective period/years (“Financial Statements”), after applying necessary adjustments. The Financial Statements comprise of the Balance Sheet as at period/year end, the Statement of Profit and Loss, the Cash Flow Statement for the period/year then ended, and a summary of significant accounting policies and other explanatory information.

The Financial Statements were prepared and presented under the historical cost convention using the accrual system of accounting in accordance with the generally accepted accounting principles in India (“Indian GAAP”) and the requirements of the Companies Act, 1956 (up to March 31, 2014), and notified Sections, Schedules and Rules of the Companies Act, 2013 (with effect from April 01, 2014) (“the Act”), including the Accounting Standards as prescribed by Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable.

The accounting policies have been consistently applied by the Company to the period/years presented in the Restated Summary Financial Information. The Restated Summary Financial Information of the Company have been prepared to comply in all material respects with the requirements of Chapter III to the Act and the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended from time to time.

Appropriate re-classifications/ adjustments have been made in the Restated Summary Financial Information wherever required, by re-classification of the corresponding items of income, expenses, assets and liabilities, in order to bring them in line with the presentation and recognition as per the Financial Statements of the Company and the requirement of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended from time to time.

The Restated Summary Financial Information are presented in Indian rupees (in lakhs), unless otherwise stated. These Restated Summary Financial Information were reviewed by the Audit Committee on April 28, 2018 and subsequently approved by the Board of Directors of the Company on April 28, 2018.

(2) Use of Estimates

The preparation of these Restated Financial Information in conformity with Indian GAAP requires the Management to make judgments, estimates and assumptions that effect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in current and future periods.

(3) Current and Non-Current Classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within 12 months after the reporting date; or
- d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or
- d. the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/ liabilities include the current portion of non-current assets/ liabilities respectively. All other assets/ liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company considers its operating cycle to be within one year.

(4) Property, Plant and Equipment and Depreciation thereon

a) Property, Plant and Equipment

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation and/ or accumulated impairment loss, if any. The cost of an item of Property, plant and equipment comprises its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures related to an item of Property, plant and equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

A Property, plant and equipment is eliminated from the Financial Statements on disposal or when no further benefit is expected from its use and disposal.

Losses arising from retirement or gains or losses arising from disposal of Property, plant and equipment which are carried at cost are recognized in the Statement of Profit and Loss.

Intangible assets are stated at acquisition cost, Net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over their estimated useful lives in accordance with the provisions of Accounting Standard (AS) – 26 “Intangible Assets” issued by the Institute of Chartered Accountants of India.

b) Depreciation

Till the year ended March 31, 2014, depreciation on Property, plant and equipment other than leasehold improvements was provided for on a written down value method (WDV) at the rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956. Depreciation in respect of Property, plant and equipment acquired during the year whose actual cost does not exceed Rs. 5,000 has been provided at 100%.

After the applicability of Schedule II of the Companies Act, 2013, with effect from April 01, 2014, depreciation on Property, plant and equipment is provided for on a written down value method at the rates prescribed in Schedule II to the Companies Act, 2013.

Depreciation on Property, plant and equipment sold, discarded or demolished during the year, if any, is being provided pro-rata up to the date on which such Property, plant and equipment are sold, discarded or demolished.

Pursuant to the Act being effective from April 01, 2014, the Company has revised depreciation rates on certain Property, plant and equipment as per the useful life specified in Part 'C' of Schedule II to the Act. As a result of this change, the depreciation charge for the year ended March 31, 2015 is higher by an amount of **Rs. 0.92 Lakh** in respect of Property, plant and equipment whose useful life is already exhausted as on April 01, 2014 has been adjusted from retained earnings.

Cost of Property, plant and equipment not ready for use as at the Balance Sheet date are disclosed as capital work-in-progress.

(5) Revenue Recognition

(a) Revenue from Sales

Sales comprise invoice value of Goods net of VAT, Excise and GST and are recognized on transfer of risk and rewards associated with the property in goods to the buyer which is normally on delivery as per terms of sales. Export transactions are recorded at prevailing exchange rates and Import transactions are recorded at exchange rates as specified by the Custom Authorities.

The difference between the specified rate and actual rate of settlement is dealt with Profit & Loss A/c.

Any income or expenses on account of exchange difference either on settlement or on translation is recognized in the P&L A/c.

All expenses and income to the extent considered payable and receivable respectively on proportionate basis for the interim period unless specifically stated to be otherwise are accounted for on Mercantile Basis, except Export Incentives which are being accounted for as and when received.

(b) Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(c) Dividend Income

Dividend income is recognized when right to receive the payment is established.

(6) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(7) Foreign Currency Transactions

Transaction denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction and any income or expenses on account of exchange difference either on settlement or on translation is recognized in the Statement of profit and Loss except in case where they relate to acquisition of fixed assets, are adjusted with the carrying cost of such assets.

(8) Employee Benefits

(a) Short term employee benefits

All employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus and ex-gratia. The undiscounted amount of short-term employee benefits to be paid in exchange for employee services is recognized as an expense as the related service is rendered by employees.

(b) Post-employment Benefits

(i) Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Employer makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Employer's contribution is recognized as an expense in the Restated Summary Statement of Profit and Loss during the period in which the employee renders the related service.

(ii) Defined benefit plans

The Company's gratuity scheme is a defined benefit plan. The present value of obligation under such defined benefit plan is determined based on actuarial valuation carried at the period/year end using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the Balance Sheet date.

(iii) Compensated absences

The employees can carry-forward a portion of the unutilized accrued compensated absences and utilize it in future service periods or receive cash compensation on termination of employment. Since the compensated absences do not fall due wholly within twelve months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within twelve months after the end of such period, the

benefit is classified as a long-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method.

(iv) Termination benefits

Termination benefits are recognized as an expense when, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

(9) Accounting for Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount that are enacted or substantively enacted, at the reporting date.

(i) Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

(ii) Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as “MAT Credit Entitlement.” The Company reviews the “MAT credit entitlement” asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

(10) Earnings Per Share:

In determining the Earnings Per share, the company considers the net profit after tax which does not include any post tax effect of any extraordinary / exceptional item. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period.

The number of shares used in computing Diluted earnings per share comprises the weighted average number of shares considered for computing Basic Earnings per share and also the weighted number of equity shares that would have been issued on conversion of all potentially dilutive shares.

In the event of issue of bonus shares, or share split the number of equity shares outstanding is increased without an increase in the resources. The number of Equity shares outstanding before the event is adjusted for the proportionate change in the number of equity shares outstanding as if the event had occurred at the beginning of the earliest period reported.

(11) Provisions, contingent liabilities and contingent assets

A provision is created when there is a present obligation as a result of a past event and it is more likely than not that there will be an outflow of resources embodying economic benefits to settle such obligation and the amount of such obligation can be reliably estimated. Provisions are not discounted to its present value, and are determined based on the management's best estimate of the amount of obligation required at the period/year end. These are reviewed at each Balance Sheet date and adjusted to reflect current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events not wholly within the control of the Company. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

The Company does not recognise assets which are of contingent nature until there is virtual certainty of realisability of such assets. However, subsequently, if it becomes virtually certain that an inflow of economic benefits will arise, asset and related income is recognised in the Financial Statements of the period in which the change occurs.

(12) Impairment of Assets

The company assesses, at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's (including goodwill) recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

After impairment, depreciation/ amortization is provided on the revised carrying amount of the asset over its remaining useful life.

(13) Borrowing Costs

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

(14) SEGMENT REPORTING**Business Segment**

- (a) The business segment has been considered as the primary segment.
- (b) The Company's primary business segments are reflected based on principal business activities, the nature of service, the differing risks and returns, the organization structure and the internal financial reporting system.
- (c) The Company's primary business comprises of manufacturing high quality galvanized steel wires, wire products and other related items and since it is the only reportable segment as envisaged in Accounting Standard 17 'Segment Reporting'. Accordingly, no separate disclosure for Segment reporting is required to be made in the financial statements of the Company.

(i) Geographical Segment

The Company operates in one Geographical Segment namely “within India” and hence no separate information for geographic segment wise disclosure is required.

C. CHANGES IN ACCOUNTING POLICIES IN THE PERIODS/YEARS COVERED IN THE RESTATED FINANCIALS

There is change in significant accounting policies adopted by the Company, the details of which are as under:

The Company has not been following the provisions of Accounting Standard – 15 “Employee Benefits” issued by the Institute of Chartered Accountants of India for provision for Gratuity and accordingly, the provision of gratuity has not been accounted for by the management in books of account for the ten months ended on January 31, 2018 and for the FY 2012-13, 2013-14, 2014-15, 2015-16 and 2016-17.

In restated financials statements, the Company has complied with the provisions of Accounting Standard – 15 “Employee Benefits”.

D. CHANGE IN ACCOUNTING ESTIMATES

a. Useful lives/depreciation rates

Till the year ended March 31, 2014, depreciation rates prescribed under Schedule XIV were treated as minimum rates and the Company was not allowed to charge depreciation at lower rates even if such lower rates were justified by the estimated useful life of the asset. Schedule II Part C to the 2013 Act prescribes useful lives for property, plant and equipment which, in many cases, are different from the useful lives prescribed under the erstwhile Schedule XIV. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported and justification for difference is disclosed in the financial statements.

Considering the applicability of Schedule II, the management has re-estimated useful lives and residual values of all its property, plant and equipment. The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of property, plant and equipment, though these rates in certain cases are different from lives prescribed under Schedule II there is no material impact of the same.

In Restated financials the Company has calculated the depreciation based on the rates given in Schedule XIV of the Companies Act, 1956 till March 31, 2014 and after March 31, 2014 based on the rates given in Schedule II of the Companies Act, 2013. In respect of assets whose useful life had already exhausted as on April 01, 2015, has been adjusted in Reserves and Surplus in accordance with requirements of Para 7 of Part C of Schedule II of the Act. Such assets which do not have useful life as on April 04, 2014 were having WDV Rs.0.92 Lakhs.

b. Component accounting:

During the previous year i.e., with effect from April 01, 2014, the Company has adopted component accounting as required under Schedule II to the Companies Act, 2013. The Company was previously not identifying components of property, plant and equipment separately for depreciation purposes; rather, a single useful life/ depreciation rate was used to depreciate each item of property, plant and equipment.

Due to application of Schedule II to the 2013 Act, the Company has changed the manner of depreciation for its property, plant and equipment. Now, the Company identifies and determines cost of each component/part of the asset separately, if the component/part has a cost which is significant to the total cost of the asset having useful life that is materially different from that of the remaining asset. These components are depreciated over their useful lives, the remaining asset is depreciated over the life of the principal asset. However, it does not have any impact on the Restated Summary Statement of Profit and Loss for the year ended March 31, 2015. The aforesaid policy has been consistently applied by the Company April 01, 2015 onwards.

E. NOTES ON THE RESTATED FINANCIALS

(1) The financial statements including financial information have been prepared after making such regroupings and adjustments, considered appropriate to comply with the same. As result of these regroupings and adjustments, the amount reported in the financial statements/information may not necessarily be same as those appearing in the respective audited financial statements for the relevant years.

(2) The Company does not have information as to which of its supplier are Micro small and Medium Enterprise registered under The Micro small and Medium Enterprise Development Act 2006. Consequently the liability, if any, of interest which would be payable under The Micro small and Medium Enterprise Development Act 2006, cannot be ascertained. However, the Company has not received any claims in respect of such interest and as such, no provision has been made in the books of accounts.

(3) Employee benefits (Accounting Standard – 15 “Employee Benefits”)

The Company has adopted the Accounting Standard 15 (revised 2005) on Employee Benefits as per an actuarial valuation carried out by an independent actuary in restated financials. The disclosures as envisaged under the standard are as under:-

Notes:-

1) The ratios have been computed as below:

(a) Diluted earnings per share (Rs.) -: Net profit after tax as restated for calculating diluted EPS / Weighted average number of equity shares outstanding at the end of the period or year for diluted EPS

(b) Return on net worth (%) -: Net profit after tax (as restated) / Net worth at the end of the period or year

(c) Net assets value per share -: Net Worth at the end of the period or year / Total number of equity shares outstanding at the end of the period or year

2) Weighted average number of equity shares is the number of equity shares outstanding at the beginning of the period/year adjusted by the number of equity shares issued during period/year multiplied by the time weighting factor. The time weighting factor is the number of days for which the specific shares are outstanding as a proportion of total number of days during the period/year.

3) Net worth for ratios mentioned in note 1(c) and 1(d) is = Equity share capital + Reserves and surplus (including, Securities Premium, General Reserve and surplus in statement of profit and loss).

4) The Company has issued bonus shares on 06.03.2018 i.e. after reporting period in the ratio of 1:1 to existing shareholders resulting into total issue of 6470000 shares. This has been considered while computing weighted average equity shares in terms of Accounting Standard - 20.

5) The figures disclosed above are based on the restated summary statements of the Group.

6) The above statement should be read with the significant accounting policies and notes to restated summary statements of assets and liabilities, profits and losses and cash flows appearing in Annexure IV, I, II and III.

For a detailed description of the main provision of the Articles of Association of our Company relating to voting rights, dividend, forfeiture and lien, transfer, transmission and/ or consolidation/ splitting, etc., please refer to Section titled “*Main Provisions of Articles of Association of the Company*” beginning on page 341 of the Draft Prospectus.

Minimum Application Value, Market Lot and Trading Lot

As per regulations made under Section 29(1) of the Companies Act, 2013 the Equity Shares to be allotted must be in Dematerialized form i.e. not in the form of physical certificates but be fungible and be represented by the statement issued through electronic mode. Hence, the Equity Shares being offered can be applied for in the dematerialized form only. In this context, two agreements will be signed among our Company, the respective Depositories and Registrar to the Issue.

- Tripartite Agreement dated [●] between NSDL, our Company and Registrar to the Issue; and
- Tripartite Agreement dated [●] between CDSL, our Company and Registrar to the Issue; and

The trading of the Equity Shares will happen in the minimum contract size of [●]Equity Shares and the same may be modified by the SME platform of NSE from time to time by giving prior notice to investors at large.

Allocation and allotment of Equity Shares through this Issue will be done in multiples of [●]Equity Shares and is subject to a minimum allotment of [●]Equity Shares to the successful applicants in terms of the SEBI circular No. CIR/MRD/DSA/06/2012 dated February 21, 2012.

Further, in accordance with Regulation 106(Q) of the SEBI (ICDR) Regulations the minimum application size in terms of number of specified securities shall not be less than Rupees One Lakh per application.

Minimum Number of Allottees

The minimum number of allottees in the Issue shall be 50 shareholders. In case the number of prospective allottees is less than 50, no allotment will be made pursuant to this Issue and the amounts in the ASBA Account shall be unblocked forthwith.

Joint Holders

Where 2 (two) or more persons are registered as the holders of any Equity Shares, they will be deemed to hold such Equity Shares as joint-holders with benefits of survivorship.

Nomination Facility to Investor

In accordance with Section 72 of the Companies Act, 2013 the sole or first applicant, along with other joint applicant, may nominate any one person in whom, in the event of the death of sole applicant or in case of joint applicant, death of all the applicants, as the case may be, the Equity Shares allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall in accordance with Section 72 of the Companies Act, 2013 be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale of equity share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at the Registered Office of our Company or to the Registrar and Transfer Agents of our Company and where the shares are held in dematerialized form such request can be made to the Depository Participant where the beneficial owner is maintaining his/her demat account.

In accordance with Section 72 of the Companies Act, 2013 any Person who becomes a nominee by virtue of Section 72 of the Companies Act, 2013 shall upon the production of such evidence as may be required by the Board, elect either:

- To register himself or herself as the holder of the Equity Shares; or
- To make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 (ninety) days, the Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the allotment of Equity Shares in the Issue is in dematerialized form, there is no need to make a separate nomination with us. Nominations registered with the respective depository participant of the applicant would prevail. If the investors require changing the nomination, they are requested to inform their respective depository participant.

Further, in accordance with Regulation 106(R) of the SEBI (ICDR) Regulations, our Company shall ensure that the number of prospective allottees to whom the Equity Shares will allotted will not be less than 50 (Fifty)

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

Further, in accordance with Regulation 106 Q of the SEBI (ICDR) Regulations the minimum application size in terms of number of specified securities shall not be less than Rupees One Lakh per application.

Arrangements for disposal of odd lots

The trading of the Equity Shares will happen in the minimum contract size of [●] shares in terms of the SEBI circular No. CIR/MRD/DSA/06/2012 dated February 21, 2012. However, the Market Maker shall buy the entire shareholding of a shareholder in one lot, where value of such shareholding is less than the minimum contract size allowed for trading on SME Platform of NSE.

Application by Eligible NRIs, FPIs or VCFs registered with SEBI

It is to be understood that there is no reservation for Eligible NRIs, FPIs or VCF registered with SEBI. Such Eligible NRIs, FPIs or VCF registered with SEBI will be treated on the same basis with other categories for the purpose of Allocation.

As per the extant policy of the Government of India, OCBs cannot participate in this Issue.

NRIs, FPIs/FIIs and foreign venture capital investors registered with SEBI are permitted to purchase shares of an Indian company in a public offer without the prior approval of the RBI, so long as the price of the equity shares to be issued is not less than the price at which the equity shares are issued to residents. The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the FIPB or the RBI, provided that (i) the activities of the investee company are under the automatic route under the foreign direct investment ("FDI") Policy and the non-resident shareholding is within the sectoral limits under the FDI policy; and (ii) the pricing is in accordance with the guidelines prescribed by the SEBI/RBI.

The current provisions of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000, provides a general permission for the NRIs, FPIs and foreign venture capital investors registered with SEBI to invest in shares of Indian companies by way of subscription in an IPO. However, such investments would be subject to other investment restrictions under the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000, RBI and/or SEBI regulations as may be applicable to such investors.

The Allotment of the Equity Shares to Non-Residents shall be subject to the conditions, if any, as may be prescribed by the Government of India/RBI while granting such approvals.

Restrictions on transfer and transmission of shares or debentures and on their consolidation or splitting

Except for lock-in of the Pre- Issue Equity Shares and Promoter minimum contribution in the Issue as detailed in the section titled "**Capital Structure**" beginning on page 56 of the Draft Prospectus, and except as provided in the Articles of Association of our Company, there are no restrictions on transfers of Equity Shares. There are no restrictions on transfer and transmission of shares/ debentures and on their consolidation/ splitting except as provided in the Articles of Association. For further details please refer sub-heading "**Main Provisions of the Articles of Association**" on page 341 of the Draft Prospectus.

The above information is given for the benefit of the Applicants. The Applicants are advised to make their own enquiries about the limits applicable to them. Our Company and the Lead Managers do not accept any responsibility for the completeness and accuracy of the information stated hereinabove. Our Company and the Lead Manager are not liable to inform the investors of any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of this Draft Prospectus. Applicants are advised to make their independent investigations and ensure that the number of Equity Shares Applied for do not exceed the applicable limits under laws or regulations.

Option to receive Equity Shares in Dematerialized Form

As per section 29(1) of the new Companies Act 2013 and in accordance with SEBI (ICDR) Regulations, every company making public offer shall issue securities in dematerialized form only. The investors have an option either to receive the security certificate or to hold the securities with depository. However, as per SEBI's circular RMB (compendium) series circular no. 2 (1999-2000) dated February 16, 2000, it has been decided by the SEBI that trading in securities of companies making an initial public offer shall be in dematerialized form only. The Equity Shares on Allotment will be traded only on the dematerialized segment of the SME Exchange.

Migration to Main Board

In accordance with the NSE Circular dated March 10, 2014, our Company will have to be mandatorily listed and traded on the SME Platform of the NSE for a minimum period of two years from the date of listing and only after that it can migrate to the Main Board of the NSE as per the guidelines specified by SEBI and as per the procedures laid down under Chapter XB of the SEBI (ICDR) Regulations. Our Company may migrate to the Main Board of NSE from the SME Exchange on a later date subject to the following:

- If the Paid up Capital of the Company is likely to increase above ₹ 25 Crores by virtue of any further issue of capital by way of rights, preferential issue, bonus issue etc. (which has been approved by a special resolution through postal ballot wherein the votes cast by the shareholders other than the promoters in favour of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal and for which the Company has obtained in-principal approval from the main board), we shall have to apply to NSE for listing our shares on its Main Board subject to the fulfillment of the eligibility criteria for listing of specified securities laid down by the Main Board

OR

- If the Paid up Capital of the company is more than Rs. 10 Crore but below Rs. 25 Crore, Our Company may still apply for migration to the Main Board if the same has been approved by a special resolution through postal ballot wherein the votes cast by the shareholders other than the promoters in favour of the proposal amount to at least two times the number of votes cast by shareholders other than promoter shareholders against the proposal.

Market Making

The shares offered through this Issue are proposed to be listed on the SME platform of NSE, wherein the Lead Manager to this Issue shall ensure compulsory Market Making through the registered Market Makers of the SME Exchange for a minimum period of 3 (three) years from the date of listing on the SME platform of NSE. For further details of the agreement entered into between the Company, the Lead Manager and the Market Maker please refer to section titled "**General Information - Details of the Market Making Arrangements for this Issue**" on page 48 of the Draft Prospectus.

In accordance with the SEBI Circular No. CIR/MRD/DSA/31/2012 dated November 27, 2012, it has been decided to make applicable limits on the upper side for the Market Makers during market making process taking into consideration the Issue size in the following manner:

Issue Size	Buy quote exemption threshold (including mandatory initial inventory of 5% of the Issue Size)	Re-Entry threshold for buy quote (including mandatory initial inventory of 5% of the Issue Size)
Up to ₹20 Crore	25%	24%
₹20 to ₹50 Crore	20%	19%

Further, the Market Maker shall give (2) Two way quotes till it reaches the upper limit threshold; thereafter it has the option to give only sell quotes. Two (2) way quotes shall be resumed the moment inventory reaches the prescribed re-entry threshold.

In view of the Market Maker obligation, there shall be no exemption/threshold on downside. However, in the event the Market Maker exhausts its inventory through market making process on the platform of the exchange, the concerned stock exchange may intimate the same to SEBI after due verification.

New Financial Instruments

There are no new financial instruments such as deep discounted bonds, debenture, warrants, secured premium notes, etc. issued by our Company.

Applicants should ensure that the name provided in this field is exactly the same as the name in which the Depository Account is held.

- a) **Mandatory Fields:** Applicants should note that the name and address fields are compulsory and e-mail and/or telephone number/mobile number fields are optional. Applicants should note that the contact details mentioned in the Application Form may be used to dispatch communications (including letters notifying the unblocking of the bank accounts of Applicants) in case the communication sent to the address available with the Depositories are returned undelivered or are not available. The contact details provided in the Application Form may be used by the Issuer,
- b) The Designated Intermediaries and the Registrar to the Issue only for correspondence(s) related to an Issue and for no other purposes.
- c) **Joint Applications:** In the case of Joint Applications, the Applications should be made in the name of the Applicant whose name appears first in the Depository account. The name so entered should be the same as it appears in the Depository records. The signature of only such first Applicant would be required in the Bid cum Application Form/Application Form and such first Applicant would be deemed to have signed on behalf of the joint holders. All communications may be addressed to such Applicant and may be dispatched to his or her address as per the Demographic Details received from the Depositories.
- d) **Impersonation:** Attention of the Applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who:

- makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or
 - makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or
 - otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447.”
- e) **Nomination Facility to Applicant:** Nomination facility is available in accordance with the provisions of Section 72 of the Companies Act, 2013. In case of allotment of the Equity Shares in dematerialized form, there is no need to make a separate nomination as the nomination registered with the Depository may prevail. For changing nominations, the Applicants should inform their respective DP.

4.1.2 FIELD NUMBER 2: PAN NUMBER OF SOLE FIRST APPLICANT

- a) PAN (of the sole/ first Applicant) provided in the Application Form should be exactly the same as the PAN of the person(s) in whose name the relevant beneficiary account is held as per the Depositories’ records.
- b) PAN is the sole identification number for participants transacting in the securities market irrespective of the amount of transaction except for Applications on behalf of the Central or State Government, Applications by officials appointed by the courts and Applications by Applicants residing in Sikkim (“PAN Exempted Applicants”). Consequently, all Applicants, other than the PAN Exempted Applicants, are required to disclose their PAN in the Application Form, irrespective of the Application Amount. An Application Form without PAN, except in case of Exempted Applicants, is liable to be rejected. Applications by the Applicants whose PAN is not available as per the Demographic Details available in their Depository records, are liable to be rejected.
- c) The exemption for the PAN Exempted Applicants is subject to (a) the Demographic Details received from the respective Depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in “active status”; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same.
- d) Application Forms which provide the General Index Register Number instead of PAN may be rejected.

- e) Applications by Applicants whose demat accounts have been ‘suspended for credit’ are liable to be rejected pursuant to the circular issued by SEBI on July 29, 2010, bearing number CIR/MRD/DP/22/2010. Such accounts are classified as “Inactive demat accounts” and demographic details are not provided by depositories.

4.1.3 FIELD NUMBER 3: APPLICANTS DEPOSITORY ACCOUNT DETAILS

- a) Applicants should ensure that DP ID and the Client ID are correctly filled in the Application Form. The DP ID and Client ID provided in the Application Form should match with the DP ID and Client ID available in the Depository database, **otherwise, the Application Form is liable to be rejected.**
- b) Applicants should ensure that the beneficiary account provided in the Application Form is active.
- c) Applicants should note that on the basis of DP ID and Client ID as provided in the Application Form, the Applicant may be deemed to have authorized the Depositories to provide to the Registrar to the Issue, any requested Demographic Details of the Applicant as available on the records of the depositories. These Demographic Details may be used, among other things, for unblocking of ASBA Account or for other correspondence(s) related to an Issue.
- d) Applicants are, advised to update any changes to their Demographic Details as available in the records of the Depository Participant to ensure accuracy of records. Any delay resulting from failure to update the Demographic Details would be at the Applicants’ sole risk.

4.1.4 FIELD NUMBER 4: APPLICATION DETAILS

- a) The Issuer may mention Price as per Draft Prospectus. However a Prospectus registered with RoC contains one price.
- b) Minimum and Maximum Application Size
- i. For Retails Individual Applicants

The Application must be for a minimum of [●] equity shares. As the application price payable by the retail individual applicants cannot exceed Rs. 200000 they can make Application for only minimum Application size i.e for [●] equity shares.
 - ii. For Other Applicants (Non Institutional Applicants and QIBs):

The Application must be for a minimum of such number of equity shares such that the Application Amount exceeds Rs. 200000 and in multiples of [●] equity shares thereafter. An application cannot be submitted for more than the Issue Size. However, the maximum application by a QIB investor should not exceed the investment limits prescribed for them by applicable laws. Under existing SEBI Regulations, a QIB Applicant cannot withdraw its Application after the Issue Closing Date and is required to pay 100% QIB Margin upon submission of Application. In case of revision of Applications, the Non Institutional Applicants, who are individuals, have to ensure that the Application Amount is greater than Rs. 200000 for being considered for allocation in the Non Institutional Portion. Applicants are advised to ensure that any single Application from them does not exceed the investment limits or maximum number of equity shares that can be held by them under prescribed law or regulation or as specified in this Draft Prospectus.
- c) **Multiple Applications:** An applicant should submit only one Application Form. Submission of a second Application Form to either the same or to the Designated Intermediaries and duplicate copies of Application Forms bearing the same application number shall be treated as multiple applications and are liable to be rejected.
- d) Applicants are requested to note the following procedures may be followed by the Registrar to the issue to detect multiple applications:

- i. All applications may be checked for common PAN as per the records of the Depository. For Applicants other than Mutual Funds and PFI sub-accounts, applications bearing the same PAN may be treated as multiple applications by an Applicant and may be rejected.
 - ii. For applications from Mutual Funds and FPI sub-accounts, submitted under the same PAN, as well as Applications on behalf of the PAN Exempted Applicants, the Application Forms may be checked for common DP ID and Client ID. In any such applications which have the same DP ID and Client ID, these may be treated as multiple applications and may be rejected.
- e) The following applications may not be treated as multiple applications:
- i. Application by Reserved Categories in their respective reservation portion as well as that made by them in the Net Issue portion in public category.
 - ii. Separate applications by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Application clearly indicates the scheme for which the application has been made.
 - iii. Application by Mutual Funds, and sub-accounts of FPIs (or FPIs and its sub-accounts) submitted with the same PAN but with different beneficiary account numbers, Client IDs, and DP IDs.

SECTION 6: ISSUE PROCEDURE IN BOOK BUILT ISSUE

This being the Fixed Price Issue this section is not applicable for this Issue.

SECTION 7: ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

7.1 Basis of Allotment

Allotment will be made in consultation with SME Platform of NSE (The Designated Stock Exchange). In the event of oversubscription, the allotment will be made on a proportionate basis in marketable lots as set forth here:

- a) The total number of Shares to be allocated to each category as a whole shall be arrived at on a proportionate basis i.e. the total number of Shares applied for in that category multiplied by the inverse of the over subscription ratio (number of applicants in the category x number of Shares applied for).
- b) The number of Shares to be allocated to the successful applicants will be arrived at on a proportionate basis in marketable lots (i.e. Total number of Shares applied for into the inverse of the over subscription ratio).
- c) For applications where the proportionate allotment works out to less than [●] Equity Shares the allotment will be made as follows:
 - i. Each successful applicant shall be allotted [●] Equity Shares;
 - ii. The successful applicants out of the total applicants for that category shall be determined by the drawal of lots in such a manner that the total number of Shares allotted in that category is equal to the number of Shares worked out as per (2) above.
- d) If the proportionate allotment to an applicant works out to a number that is not a multiple of [●] Equity Shares, the applicant would be allotted Shares by rounding off to the lower nearest multiple of [●] Equity Shares subject to a minimum allotment of [●] Equity Shares.
- e) If the Shares allotted on a proportionate basis to any category is more than the Shares allotted to the applicants in that category, the balance available Shares for allocation shall be first adjusted against any category, where the allotted Shares are not sufficient for proportionate allotment to the successful applicants in that category, the balance Shares, if any, remaining after such adjustment will be added to the category comprising of applicants applying for the minimum number of Shares. If as a result of the process of rounding off to the lower nearest multiple of [●] Equity Shares, results in the actual allotment being higher than the shares offered, the final allotment may be higher at the sole discretion of the Board of Directors, upto 110% of the size of the offer specified under the Capital Structure mentioned in the Prospectus.
- f) The above proportionate allotment of shares in an Issue that is oversubscribed shall be subject to the reservation for Retail Individual applicants as described below:
 - i. As per Regulation 43(4) of the SEBI (ICDR) Regulations, as the Retail Individual Investor category is entitled to more than fifty percent on proportionate basis, the retail individual investors shall be allocated that higher percentage.
 - ii. Remaining to Individual applicants other than retail individual investors and Other investors including corporate bodies or institutions, irrespective of the number of specified securities applied for;
 - iii. The unsubscribed portion in either of the categories specified in (a) or (b) above may be available for allocation to the applicants in the other category, if so required.

'Retail Individual Investor' means an investor who applies for shares of value of not more than Rs. 2,00,000. Investors may note that in case of over subscription allotment shall be on proportionate basis and will be finalized in consultation with SME Platform of NSE.

The Executive Director/ Managing Director of the SME Platform of NSE, Designated Stock Exchange in addition to Lead Merchant Banker and Registrar to the Public Offer shall be responsible to ensure that the basis of allotment is finalized in a fair and proper manner in accordance with the SEBI (ICDR) Regulations, 2009.

7.2 DESIGNATED DATE AND ALLOTMENT OF EQUITY SHARES

- a) **Designated Date:** On the Designated Date, the SCSBs shall transfer the funds represented by allocation of Equity Shares into the Public Issue Account with the Bankers to the Issue.

- b) **Issuance of Allotment Advice:** Upon approval of the Basis of Allotment by the Designated Stock Exchange, the Registrar shall upload the same on its website. On the basis of the approved Basis of Allotment, the Issuer shall pass necessary corporate action to facilitate the Allotment and credit of Equity Shares. Applicants **are advised to instruct their Depository Participant to accept the Equity Shares that may be allotted to them pursuant to the Issue.**

Pursuant to confirmation of such corporate actions, the Registrar will dispatch Allotment Advice to the Applicants who have been Allotted Equity Shares in the Issue.

- c) The dispatch of Allotment Advice shall be deemed a valid, binding and irrevocable contract.
- d) Issuer will ensure that: (i) the Allotment of Equity Shares; and (ii) initiate corporate action for credit of shares to the successful Applicants Depository Account will be completed within 5 Working Days of the Issue Closing Date. The Issuer also ensures the credit of shares to the successful Applicant's depository account is completed within 5 Working Days of the Issue Closing Date.

SECTION 8: INTEREST AND REFUNDS

8.1 COMPLETION OF FORMALITIES FOR LISTING & COMMENCEMENT OF TRADING

The Issuer may ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges are taken within 6 Working Days of the Issue Closing Date. The Registrar to the Issue may give instructions for credit to Equity Shares the beneficiary account with DPs, and dispatch the Allotment Advice within 6 Working Days of the Issue Closing Date.

8.2 GROUNDS FOR UNBLOCKING OF FUNDS

8.2.1 Non Receipt of Listing Permission

An Issuer makes an application to the Stock Exchange(s) for permission to deal in/list and for an official quotation of the Equity Shares. All the Stock Exchanges from where such permission is sought are disclosed in Prospectus. The Designated Stock Exchange may be as disclosed in the Prospectus with which the Basis of Allotment may be finalized.

If the permissions to deal in and for an official quotation of the Equity Shares are not granted by any of the Stock Exchange(s), the Issuer may forthwith initiate action to unblock the application amount from the Investors accounts. If such money is not repaid within the eight days after the Issuer becomes liable to repay it, then the Issuer and every director of the Issuer who is an officer in default may, on and from such expiry of eight days, be liable to repay the money, with interest at such rate, as prescribed under Section 73 of Companies Act, and disclosed in the Prospectus.

8.2.2 Minimum Subscription

This Issue is not restricted to any minimum subscription level. This Issue is 100% underwritten.

As per Section 39 of Companies Act, 2013 if the "stated minimum amount" has not been subscribed and the sum payable on application is not received within a period of 30 days from the date of the Prospectus, the application money has to be returned within such period as may be prescribed. If our company does not receive the 100% subscription of the offer through the Offer Document including devolvment of underwriters , if any, within sixty (60) days from the date of closure of the issue, our company shall forthwith unblocked the entire application amount received. If there is a delay beyond eighty days after our company becomes liable to pay the amount, our company and every officer in default will, on and from the expiry of this period be jointly and severally liable to repay the money, with interest or other penalty as prescribed under SEBI Regulations and the Companies Act, 2013.

The minimum number of allottees in this Issue shall be 50 shareholders. In case the minimum number of prospective allottees is less than 50 no allotment will be made pursuant to this Issue and the amounts in the ASBA Account shall be unblocked within 6 working days of closure of the issue.

Further in accordance with Regulation 106(Q) of the SEBI (ICDR) Regulations, our Company shall ensure that the minimum application size in terms of number of specified securities shall not be less than Rs.100000/- (Rupees One Lakh) per application.

The equity shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and applications may not be made by persons in any such jurisdiction, except in compliance without the applicable laws of such jurisdiction.

8.2.3 MINIMUM NUMBER OF ALLOTTEES

The Issuer may ensure that the number of prospective allottees to whom Equity Shares may be allotted may not be less than 50 failing which the entire application monies may be unblocked forthwith.

8.3 Mode of Unblocking of Funds

Within 6 Working Days of the Issue Closing Date, the Registrar to the Issue may give instructions to SCSBs for unblocking the amount in ASBA Account on unsuccessful Application and also for any excess amount blocked on Application.

8.3.1 Mode of making refunds for Applicants

The Registrar to the Issue may instruct the controlling branch of the SCSB to unblock the funds in the relevant ASBA Account for any withdrawn, rejected or unsuccessful ASBA applications or in the event of withdrawal or failure of the Issue.

8.4 Interest In Case Of Delay in Allotment

The Issuer may pay interest at the rate of 15% per annum if demat credits are not made to Applicants or instructions for unblocking of funds in the ASBA Account are not dispatched within the 6 Working days of the Issue Closing Date. The Issuer may pay interest at 15% per annum for any delay beyond 6 working days from the Issue Closing Date, if Allotment is not made.

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The government bodies responsible for granting foreign investment approvals are the RBI and the relevant ministry or ministries of the Government of India.

The Government has from time to time made policy pronouncements on FDI through press notes and press releases. The Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India (“DIPP”), issued the consolidated FDI policy circular of 2017 (“FDI Policy 2017”), which with effect from August 28, 2017, consolidates and supersedes all previous press notes, press releases and clarifications on FDI policy issued by the DIPP that were in force and effect as on August 28, 2017.

Subject to certain conditions, the transfer of shares by way of sale between an Indian resident and a non-resident does not require the prior approval of the RBI or the relevant ministry or ministries of the Government of India, provided that (i) the activities of the investee company are under the automatic route under the FDI Policy 2017 and transfer does not attract the provisions of the SEBI Takeover Regulations; (ii) the non-resident shareholding is within the sectoral limits under the FDI Policy 2017; and (iii) the pricing is in accordance with the guidelines prescribed by the SEBI and the RBI.

As per the existing policy of the Government of India, OCBs cannot participate in the Offer.

The Equity Shares have not been and will not be registered under the Securities Act, 1933 or any other applicable law of the United States and, unless so registered, and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. Accordingly, the Equity Shares are only being offered and sold (i) within the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act and referred to in this Draft Prospectus as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Draft Prospectus as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the Securities Act, and (ii) outside the United States in offshore transactions in reliance on Regulation S under the Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Bidders. Our Company and the Lead Managers are not liable for any amendments or modification or changes in applicable laws.
