In accordance with the recommendation of the Independent Directors of our Company, pursuant to their resolution dated June 05, 2025 the above provided price band is justified based on quantitative factors/ KPIs disclosed in the 'Basis for Issue Price' section beginning on page 90 of the Red Herring Prospectus vis-a-vis the weighted average cost of acquisition ("WACA") of primary and secondary transaction(s), as applicable, disclosed in "Basis for Issue Price" section beginning on page 90 of the Red Herring Prospectus and provided below in the advertisement.

RISKS TO INVESTORS

For details refer to section titled “Risk Factors” on page no. 27 of the RHP.

1. Risk to investors summary description of key risk factors based on materiality

- Conflicts of interests may arise with one of our Group Company i.e. Mineral India Global Private Limited.
- We depend on certain key suppliers to procure a significant portion of our raw materials. We do not enter into long-term agreements with these suppliers and any denial of supplies or loss of the relationship with them could result in disruption in our operations, which could have an adverse effect on our business, financial condition, results of operations and cash flows.
- We depend on a limited number of customers for our revenue from operations, the loss of any of these customers individually or severally could have a material adverse effect on our business, operations and could have impacted our financial strength.
- Our operations are subject to various hazards and could expose us to the risk of liabilities, loss of revenue and increased expenses, suspension of operations and/or the imposition of civil or criminal liabilities which could adversely affect business, results of operations, cash flow and financial condition.
- If our plant faces outage due to failure of machinery or any slowdown or shutdown in our manufacturing operations or underutilization of our manufacturing facility could impact our production and ultimately can impact our financial condition, business operations and cash flows.
- Our long-term growth and competitiveness are dependent on our ability to control costs and pass on any increase in operating expenses to customers, while continuing to offer competitive pricing.
- We have experienced significant growth in the past few years, and if we are unable to sustain or manage our growth, our business, results of operations and financial condition may be adversely affected.
- We rely on third-party transportation providers for both procurements of our raw materials and distribution of our products. Any failures by any of our transportation providers to deliver our raw materials or our products on time, or in good condition, or at all, may adversely affect our business, financial condition and results of operations.
- Our Company is currently a regional player and derives substantial revenue from West Bengal, Odisha and Jharkhand and hence faces geographical concentration related risks.
- Our directors have no prior experience in managing a listed company, which may pose challenges in complying with regulatory requirements.
- Average cost of acquisition of Equity Shares held by the Individual Promoters is
